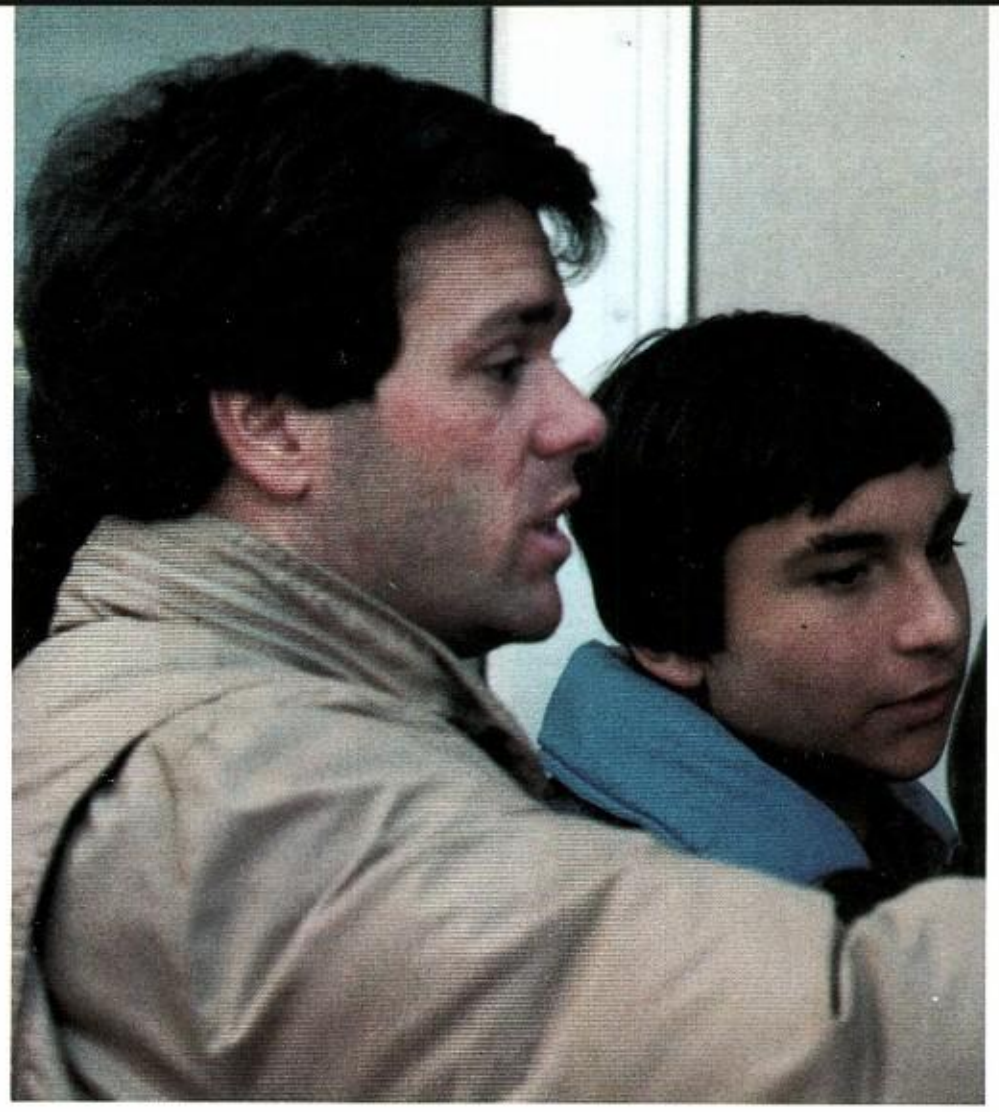
The Homecoming festivities were a big success. There was a tremendous turnout at the poster night, the traditional beginning of the hectic week. The Student Council put it all together led by Mr. Scott, Tom Zuro, John Wlodarski, and Dan Paterno. All Viking paraphanelia was completely sold out by the end of the week.

Complete with an excellent skit based on the movie "E.T." and the true Viking spirit, Friday's pep rally ignited the spark that sent the week into the weekend.

Numerous floats were entered in the parade that started off at 12:00 PM Saturday. Senior Tim Uher's float took first prize.

The game was the perfect culmination of the week's activities. The Vikes, led by a balanced offensive and defensive attack, destroyed the Lions of Leo, 33-6.

The dance was held on Sunday Night at 8:00 PM. Homecoming Queen, Denise Distel, looked radiant escorted by her date Dave Neven. The music of Rampage and disc jockey Stu Sava provided an excellent background for the night with 246 couples attending.



Top: Mr. Scott directs Jeff Connet on the food drive. **Middle Left:** The students enthusiastically cheer the football team at the homecoming. **Middle Right:** A Viking enthusiast prepares for the homecoming parade. **Bottom:** Dave Payton hands off to Pat Carroll.

St. Laurence boasts one of the finest music programs of any Catholic high school in the Chicago area. The program is geared to meet the needs of the individual student. Included in the department are the "Gold 100" Marching Band, the Symphonic Winds Ensemble, the Concert Band, the Jazz bands I and II, a basketball pep band, liturgical ensembles, and an orchestra for drama.

The "Gold 100" has developed into the finest and most respected marching band in the Catholic League. The band emphasizes a concert hall approach to it's field shows.

Among the awards the band has collected this year are: 1st place outstanding Bridgeview Labor Day Parade; 1st place most outstanding color guard University of Wisconsin, Whitewater Tournament of Bands; 2nd place most outstanding percussion section; and 4th place Class AA Alonzo Stagg Competition.

The director of the band is Mr. Leo Henning, with his son Patrick directing the marching band. On the field the band is led by Senior Drum Major Tom DiNaso, and Junior Drum Major Mike Burnette. Lisa Arito directed the color guard and was assisted by Sue Kolpak. The Moderator of the band, an important job that often goes unnoticed, is Br. May.

Brothers' Life

When one thinks about St. Laurence the first thing that comes to mind are the Brothers.

The Brothers are many things. They are men of prayer who devote a great deal of their free time to God. They are men of service who perform a needed function in the Catholic community. They are, also, men of great dedication, with whom the students come first.

A day in the life a a St. Laurence Brother, typically, begins very early and ends late at night. The Brothers participate at Mass and pray together every morning. As the day goes on, they find themselves in school teaching the young St. Laurence minds. Later in the day there is time for activities and other school related work. At the end of the day, the Brothers relax in their residence, finishing the unfinished work of the day, or preparing classes.

Perhaps their most important function, however, is their providing the religious atmosphere that sets St. Laurence apart as an educational institution of the highest order. It is the spiritual nature of their work that makes them special.

After Four Long Years Graduation Arrives

Graduation is that which all St. Laurence students long for. The longing begins early in Freshman year and grows with the student until it almost gets bigger than the student himself.

The celebration started out with the traditional Baccalaureate Mass and dinner. The beautiful Mass was held at St. Albert the Great. Parents and students attended the full house celebration of the Eucharist. The Mount Assisi girls, who helped out at Masses all year, provided the music for the Mass. Fr. Trella said the Mass. With the help of some Juniors the Mass was a great success.

Duffin gives communion to Bill Martinez. **Below Right:** The Baccalaureate Mass is the last Mass celebrated by the St. Laurence community together. **Bottom Left:** Parents and Seniors celebrate the Eucharist at the Baccalaureate Mass. **Bottom Right:** Br. Kramer talks with Matt Zagorski at the graduation dinner.

After the Mass, many students and their parents went back to the cafeteria for the graduation dinner. It was perhaps the last time these students would all be together formally.

The graduation was Friday, May 20th at St. Albert's. The Class of 1983 were now alumni of St. Laurence. Many Seniors were honored for their superior performance in various areas of study.

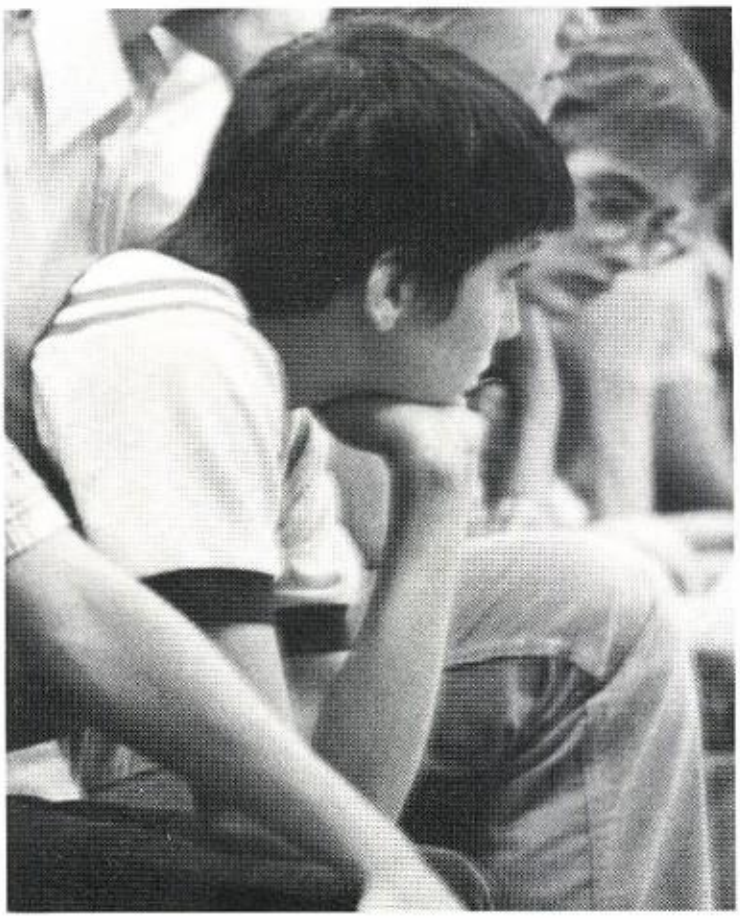
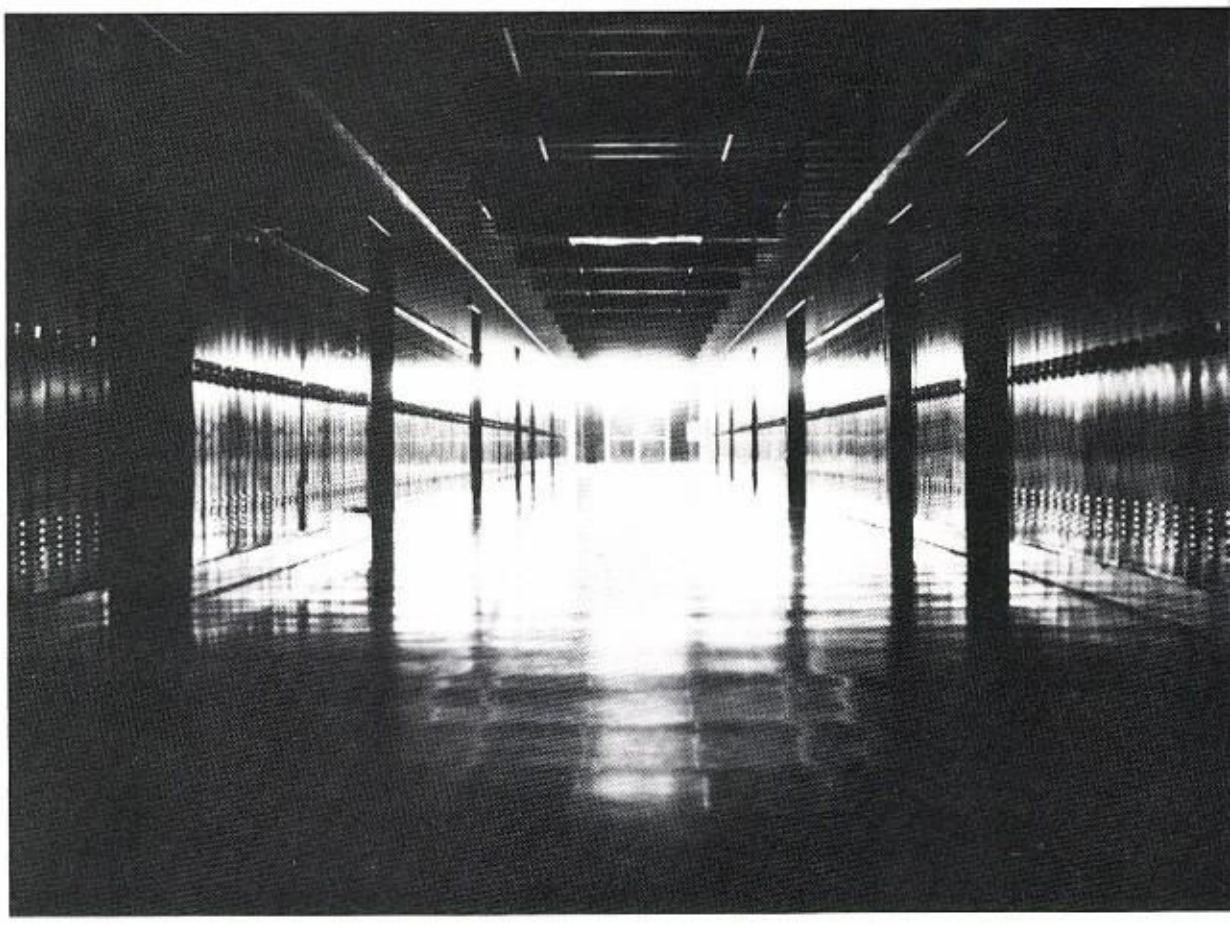
ACTIVITIES





Yet Another Year

As the month of August came to a close, the school year began. Before we knew it the dreaded opening day was upon us. The familiar pledges were heard throughout the halls. Within a week's span, the pledges would be broken and school life would begin. The annual countdown to Christmas vacation started — only 126 days to go. New schedules had to be learned, new teachers had to be met, and new courses were to be taken.

The Freshmen saw opening day as the start of a four year voyage. New people, a new school, and a new social rank were bestowed upon them. Mr. Fabrizio greeted the students to the 1983-84 year and quickly reminded them of the rules to be followed. Many visited their barbers the following day. Opening day ushered in a whole new awaiting year.

Jogging for the School

The long hard hours of filling out sponsor forms, the long awaited day in which the laps were run, and of course the illustrious Jog-A-Thon shirt — all these things will forever lurk in students memories.

The Jog-A-Thon ran for the second straight successful year. Headed by Br. Duffin and Mr. Wozniak, the committee managed to send out 37,000 forms (7,000 better than last year) of which over 6,200 came back as pledges. Besides the pledges, the school received over $20,000 in outright donations, thus balancing the expense of the shirts, printing and stamps.

This year, the Jog-A-Thon was done solely by the school. In this way, more profit could go to the school itself. The Laurenta Club mothers once again rose to the occasion and expertly managed the mailing of the forms. The net profit was predicted to be over $50,000 most of which will be invested into the computer program.

Intramurals

With the start of a new year, the intramural season inevitably arrived. The season started with flag football. Fortunately the students survived without any casualties and were able to continue on to the next sport, speedball. Once speedball ended, the most popular sport, three on three basketball, started. The backboards survived the shots of many of the students and an occasional slam dunk attempt. Nevertheless, the season continued with volleyball and commenced with the playing of softball.

Another phase of intramurals occurs after school. Here a more serious approach is taken. In co-ed volleyball, "Spike and the Boys" managed to win the league with an undefeated record. On the court, "Awesome and the Ramblers" battled for the title. With a glorious finish, the Ramblers captured the Jacket Title.

Photography

The 1982-83 Photography Staff was directed by Br. Hayes. He supervised the photographic procedures of Joe Davids and Gary Peplinski.

Almost all of the pictures in the yearbook were taken, developed, and printed by the Staff including pictures of sports, clubs, groups and special events.

Working with Mr. Koziel, the staff also puts out all the public relations photos for the school. The various slide shows of the student body are taken and put together with the help of these photographers.

In addition to directing the Photography Staff and maintaining the darkroom, Br. Hayes also develops and prints pictures as a hobby.

Yearbook Staff Gets Job Done

One of the many important and often overlooked activities at St. Laurence was the *Valhallan,* the Viking Yearbook.

The staff was much the same as last year's; however, there was one exception. The new Moderator, Br. Duffin, added vitality to the book. Aided by Sports Editor, Kevin Boyle, and Assistant Editor, Steve Tokarz, Editor-in-Chief, Reilly Tierney was able to put together another yearbook. There were many important staff additions, especially among the underclassmen. The larger staff enabled the Editor to better delegate authority, thus dispersing the work load in a much more tolerable manner.

With yearbook work, there was always much to be done. Late night deadlines were a common occurrence. The underclassmen were taught the finer points of yearbook creation. Picture cropping and layout drawing were essentials in training next year's staff. Deadlines were met, and the yearbook was produced.

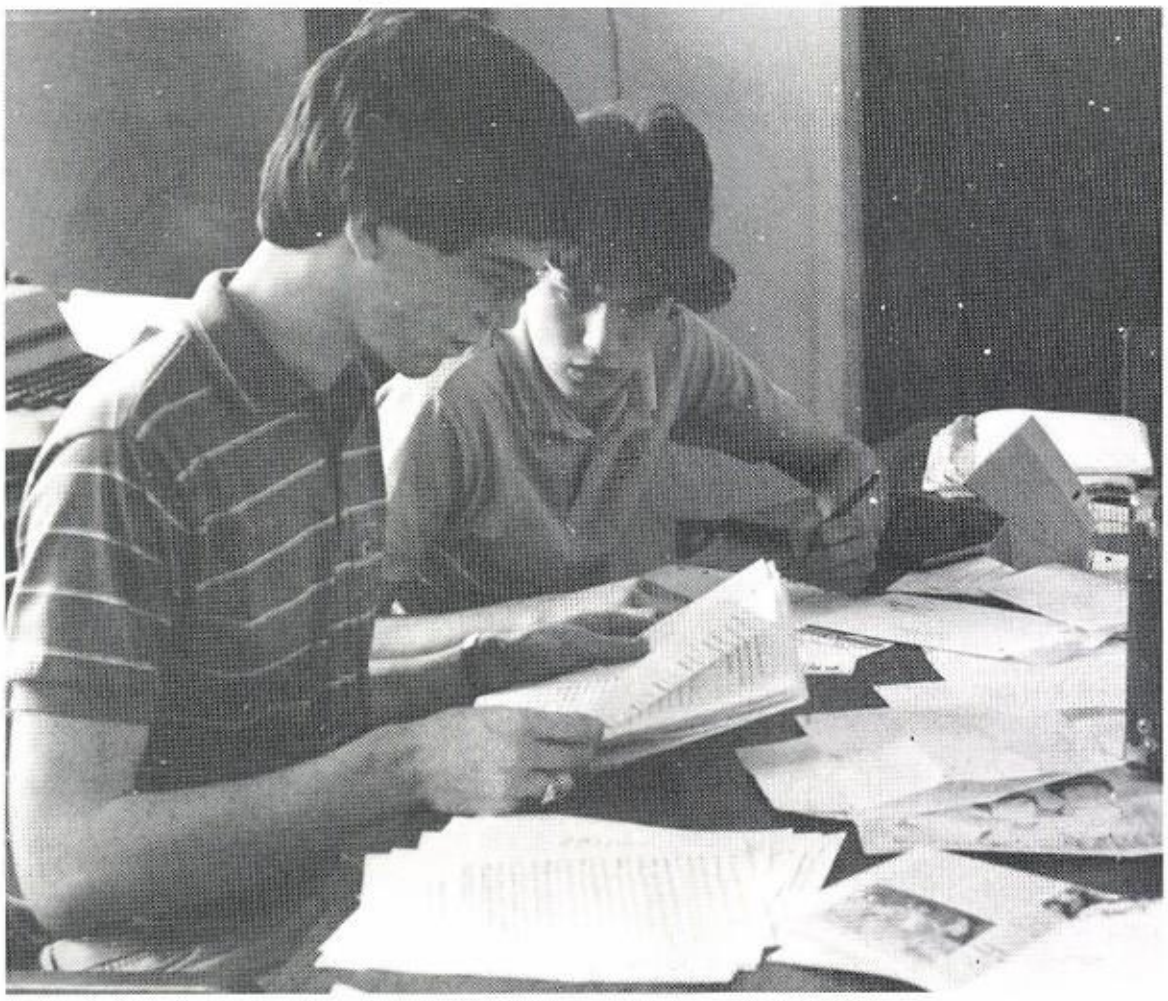
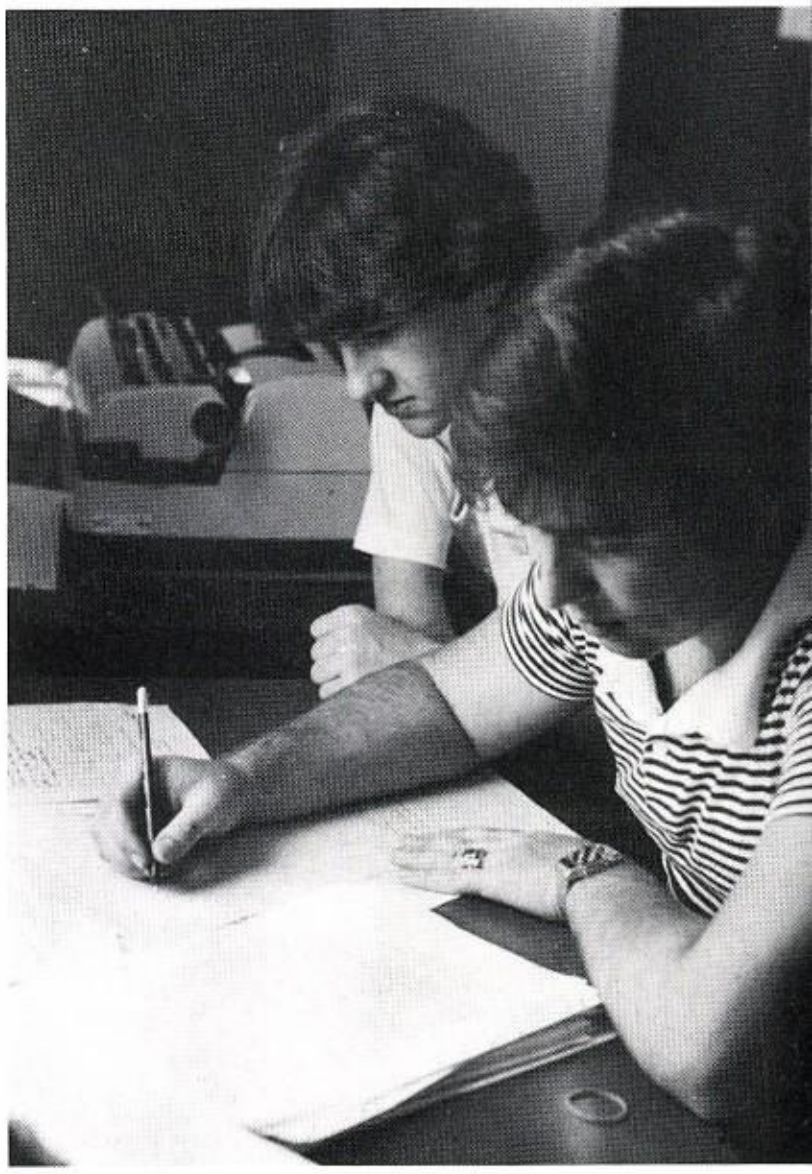
Putting Out the News





The 1982-83 *Helm* staff was by far the most experienced and most productive of all staffs. Under the co-editorship of Kevin Connolly, Paul Pustelnik, and Matt Zagorski, the *Helm* distributed six issues with a total of sixty pages. The editors were assisted by a staff of twenty-five and Mr. Koziel who served as moderator.

Among the topics examined by the staff were the budget, booster organization, and school vandalism. The staff was responsible for producing the greatest number of pages in a year since the staff of 1979. This year, the *Helm* tried to present the more serious problems affecting the school. To accomplish this, the *Helm* provided extensive coverage of sports, activities, and school functions, as well as many other issues of school life.

Still Serving Well

The members of the Laurenta Club are seen throughout the year. The organization, made up of alumni mothers, controls the Taffy Apple Sale and counts the money from the candy drive and Jog-a-Thon returns. Among the activities, members have their own fundraisers. The Card and Bunco party was the highlight of the year with other social events, such as the theater party, accompanying it.

The Laurenta Club not only assists the school, but the club also helps students wishing to become Christian Brothers. With the money raised in their fundraisers, the club helps collect funds for the education of these young men.

Br. Messick, moderator of the club, mentioned the lasting dedication and involvement that these alumni mothers have. Indeed, the school would be lost without them.

Guiding the Way

No facet of life is without its problems, and high school definitely follows that rule. Fortunately the St. Laurence Guidance Department was present to help alleviate some of these debacles.

For Freshmen and Sophomores the difficult question of taking A, B, or Honors track courses had to be overcome. Many discovered that a course was too difficult, and schedules had to be mended. Mr. Kearney and Mr. Kocher would help these students settle into the school.

College-bound Juniors and Seniors began to use the department more extensively. A.C.T. and S.A.T. testing was taken. Under Br. Jackson and Ms. Erazo, various scholarships were sought, and students could be assured of facing their future.

Mothers' Club Does Its Share

The St. Laurence Mothers' Club helps the school in many ways, one of which is finances. The club had many fundraisers, some of which were the Annual Fashion Show, performed by the talented Mothers of the Club, and a dinner party. They also hosted the Annual Christmas Party. The Mothers' Club members devote much of their time to the school.

The Club holds meetings monthly and they regularly have a guest speaker at the meetings. The club discussed a variety of subjects this year to aid them in their policy decisions.

The moderator this year was the school's treasurer, Br. McNamara. Under his and Mrs. Langford's guidance the Mothers' Club had another successful year.

Fathers' Club Rolls On

The Fathers' Club, under the direction of Pat McGowan, once again served the school excellently. The traditional fundraisers were held, such as the Smoker and Octoberfest. The members could be seen at the football or basketball games ushering the crowd and serving concessions.

The Fathers' Club usually meets twice a month. Occasionally, a guest speaker appears for the general public. The club continued to help students whose fathers had died by paying for their tuition.

Spreading the Faith

Being a Catholic school, St. Laurence emphasizes the spiritual man. Religion classes are just one method to this approach. Frequently, masses are held with the entire school body participating.

This year a Christmas prayer service was held for the first time. During Lent students who wished to participate in daily mass were encouraged to attend in the school chapel. As an extra this year, St. Laurence was visited by the Superior General, Brother G. G. McHugh. After viewing the campus and talking to the students a free day was given in his honor. In these and many other ways the religious community flourishes.

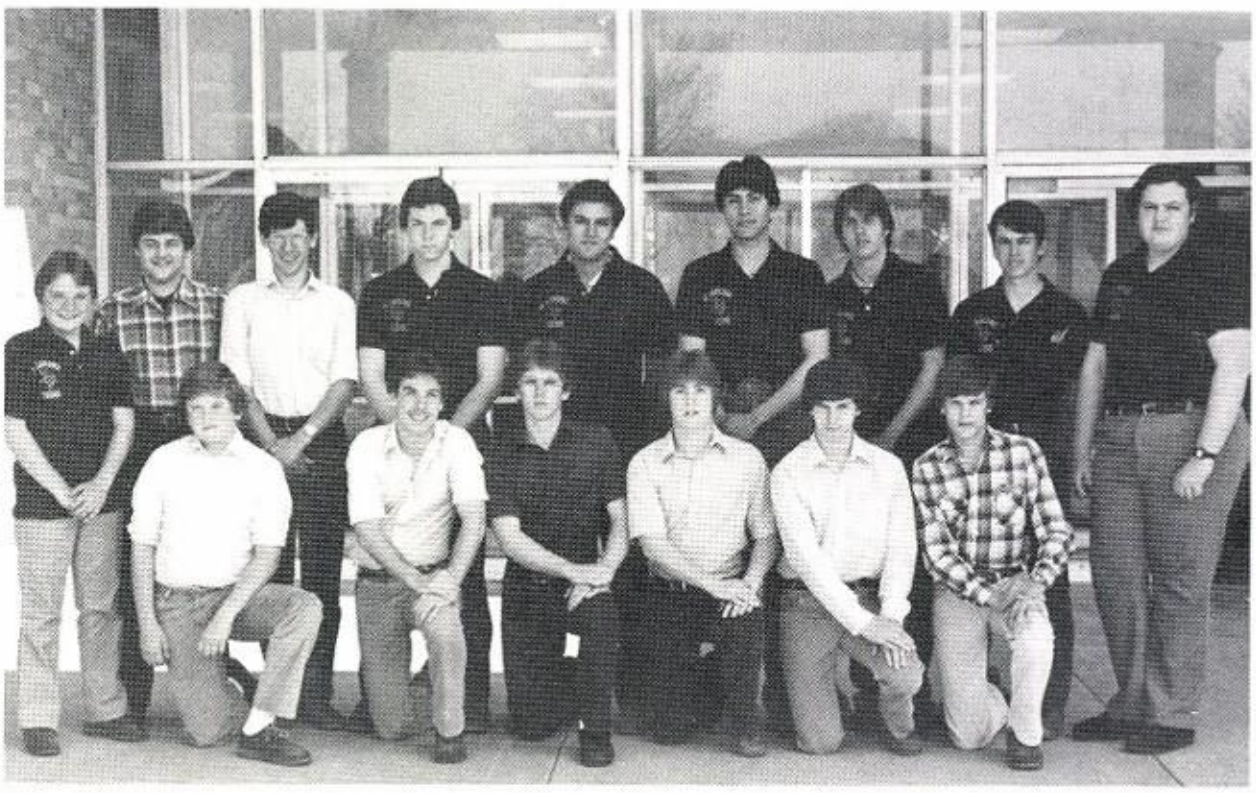
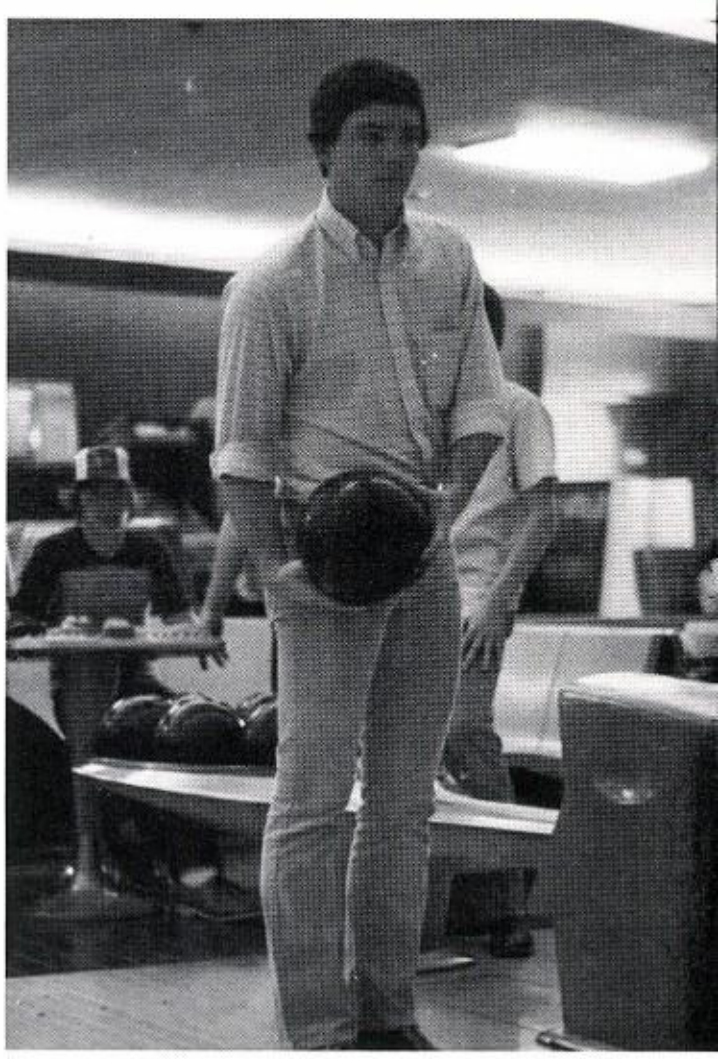
Retreat Experience

Every Junior entered the year not knowing what a retreat was. Only vague explanations were given. Nevertheless, everyone was assured that the mystical retreat would be great. By the end of the year, the Juniors would learn that that assurance was correct.

The bus took the retreaters to LaSalle Manor where even some of the students' parents had gone. The Manor was scenic with a majestic view of the forest about it and enough open space to roam in. The greeting was warm and humorous with each retreater being assigned into a special talk group. The night arrived and everyone went to bed after the meditation. The next day, the retreat would continue with enough free time to play chess, volleyball, football, walk around the lake, or just relax. In too short a time the retreat was over. Indeed, the retreat was worthwhile. Some will attend the Senior retreat next year for a second helping.

Bowling Strikes Out the Right Way





This year's Varsity Bowling season was full of fun and competition. With the assistance of Br. McKenna and Oak Lawn Bowl, another successful season was turned in.

Brother Rice and St. Rita were the main competition this year, finishing ahead of the Vikes. However, this was only accomplished after a long hard fight on the lanes.

After the season, the bowlers were encouraged to join the intramural program. At intramural bowling various pizza parties and parties sponsored by Oak Lawn Bowl were held. In addition, the program was a great way to meet new people and other bowlers. The program climaxed with a banquet planned by Br. McKenna and Mr. Murray.

Freshman Overnighter

A unique experience occurs in October. For in this month, the Freshman Class is encouraged to attend the Freshman Overnighter. At the overnighter, the Freshmen challenge their strength, courage, and stamina in trying to stay up the entire night.

There were various games throughout the night. The video contest, chess tournament, and basketball tournament helped bring the Freshman Class together by competition. Movies were shown in the cafeteria for those who wished to take a break and relax, but no sleeping was allowed. Serious poker games were played.

The hours rolled by and without any announcement, six o'clock had arrived. Many conquered the night, but each freshman will never forget the coziness that was felt when finally hitting the sack after the long night.

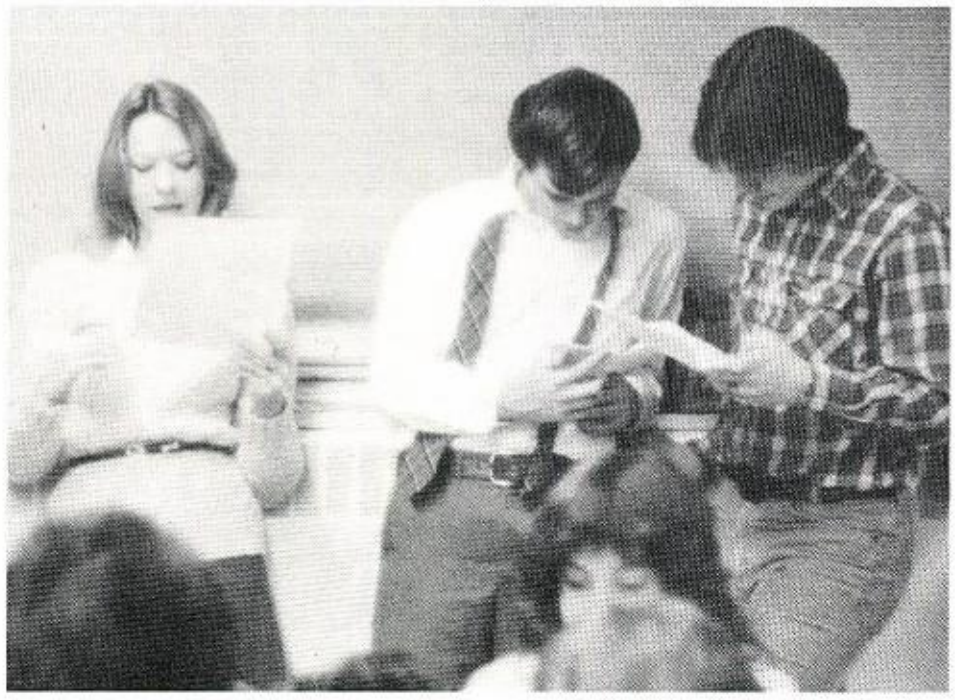
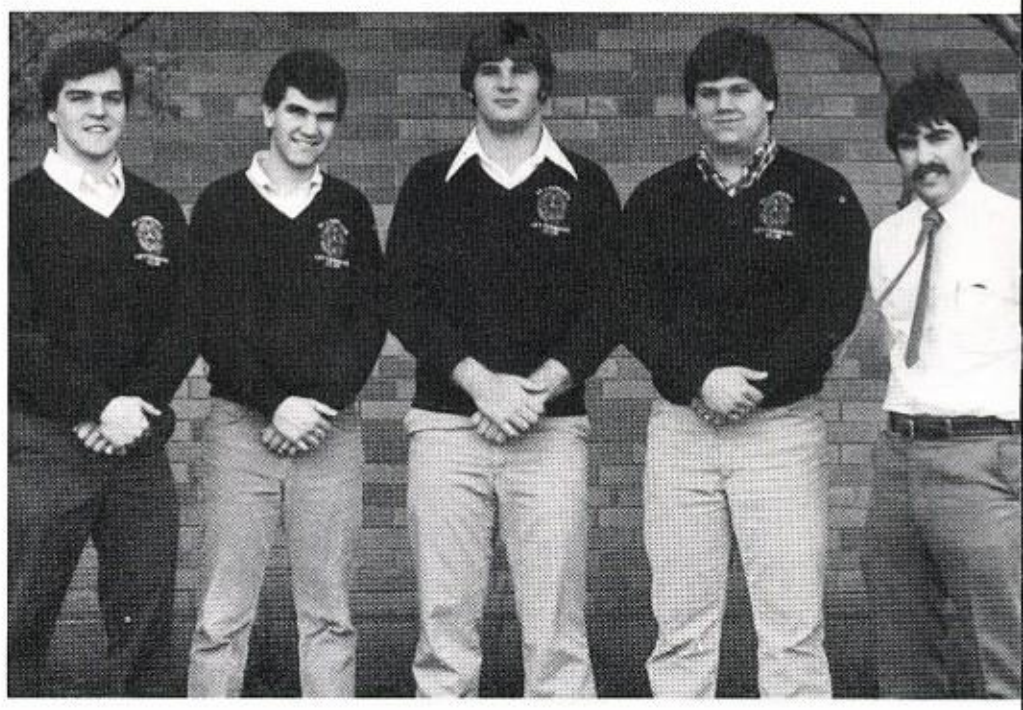
Clubs Keep Students Busy





The French Club, under the direction of Mrs. Handrich, ran a number of activities for its members. A Halloween party, Christmas party, field trip to the Art Institute and a French restaurant, and monthly meetings were many of the activities of the club. St. Laurence members were also joined by the Queen of Peace French Club.

The Lettermans' Club re-emerged this year. A great number of Varsity athletes were gathered as members. The main event of the year was the Dunkathon. Here students received a chance to dunk their favorite teachers. At the Varsity games, members could be seen cheering the Vikes on to victory.

The Chess Team had a very competitive year. Once again, Mr. Smerz served as moderator. Mr. Smerz jokingly said that the team was in a rebuilding year. However, on a more serious note, he said that with the return of many skillful players, next year's team would be the most promising he has moderated.

Students who participated in the Math Club will never forget those early morning tests. Under the moderation of Mr. Fowler, members competed in state wide tests such as A.P.A.C. and I.L.M.L. Those mindboggling tests will forever remain in mathletes memories.

Cheering Their Teams Onward to Victory

The most popular team at St. Laurence was the cheerleaders, who led the way at the pep rallies extolling the student body to an uproar. There were the great pyramids that the squad performed. At the football games the cheerleaders pushed the team onward gaining the co-champion title. This year the wrestlers were privileged to be accompanied with the squad at home meets. Of course, everyone benefited at the basketball games. The mayhem which encircled the crowd had the cheerleaders as an integral part. Students and cheerleaders alike talked and helped the basketball team to achieve victory. If this were not enough, the squad managed to perform various bake sales and attend every pep rally. Indeed, by the end of the year, everyone thought that this year's "Golden Girls" were the best ever.

Boosters Club

In an effort to offset the continuously rising expenses of the school's Athletic Department, a new organization, the St. Laurence Boosters Club, was formed this year. The main goal of the Booster Club was trying to alleviate the financial limitations the Athletic Department faced.

Membership in the club was on a voluntary basis. A variety of fundraisers were held such as the Booster Club Softball Team. The money collected at the fundraisers and for the ad book went into the Athletic Booster Fund. The fund will be distributed next year according to need. This was an experimental year for the club. Hopefully it will become a traditional club.

Viking Amateur Librarians

Every school needs a well equipped and ready to use library for academic purposes. Fortunately, St. Laurence students are gifted to be in the presence of the newly furnished St. Laurence library.

The library is headed by Br. Messick and operated by the library staff. Here the difficult jobs of filing return books, laminating volumes, and keeping the library in good condition are performed. The staff president, Tom Drez, assisted by vice-president, Ed Tennant, secretary Steve Schisel, and treasurer Mark McKenna, was able to keep the library in tip-top shape throughout the year.

The library was always open for students to study or to use. Many took advantage of the benefits it had to offer. Vital materials were found, thus helping the students with their reports. Of course the library could always be used for teachers' meetings, Mothers' Club meetings, or counting Jog-A-Thon returns.

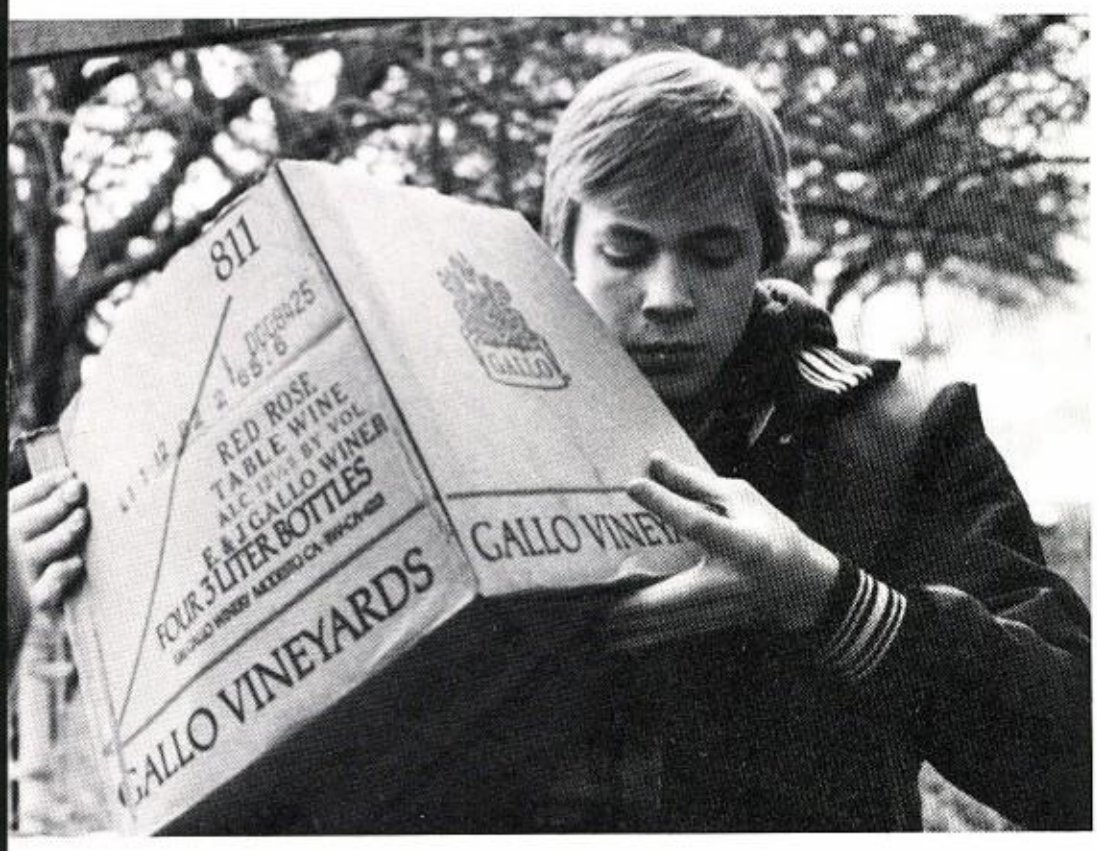
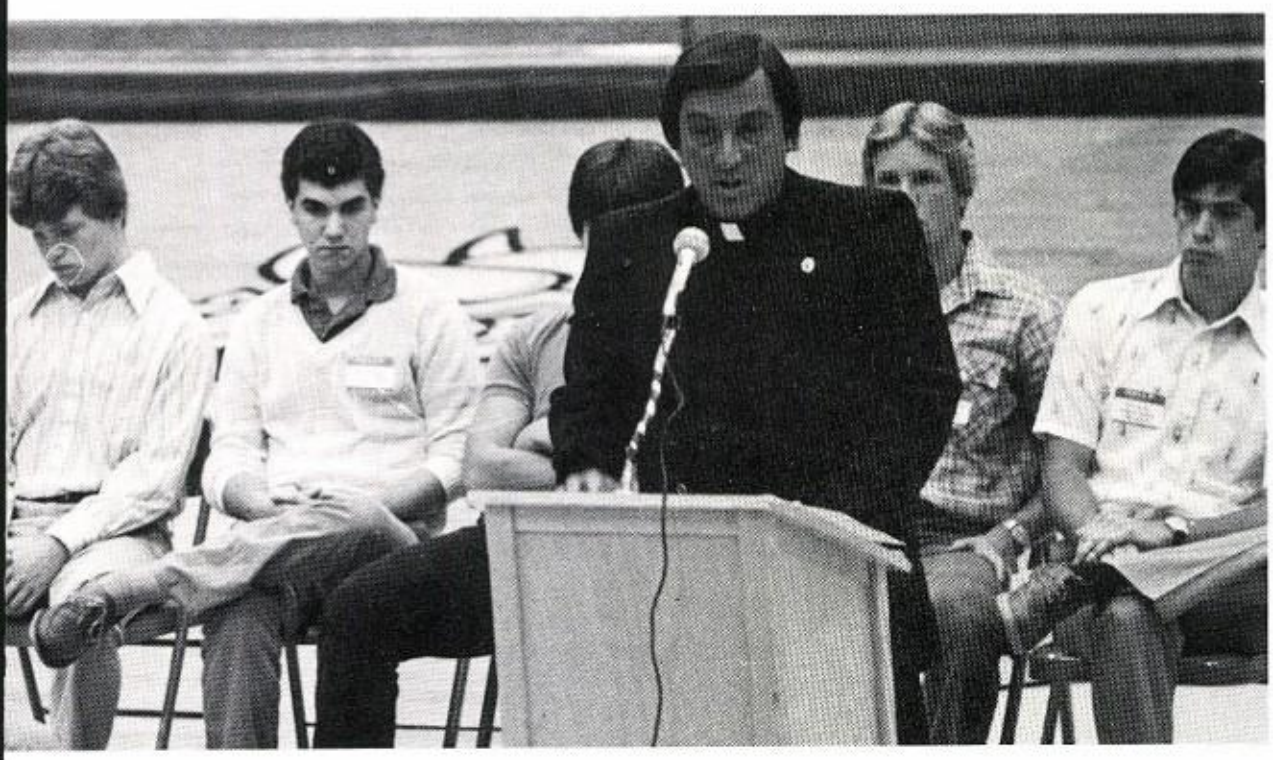
MICHELOB

An Active Year





The Student Council is a vital segment of St. Laurence serving as an important link between the students and the administration. Moreover, it helps students to enjoy school more fully.

Freshman orientation day was the first task handled by the Council. Shortly afterwards, the Candy Drive arrived, and with the election of the representatives, the new Council was complete. The Council then played an important role in the Freshman overnighter, book sales, Open House, and school Masses.

One of the biggest jobs for the Council, was "Homecoming 82." The poster night, button and shirt days, pep rally, and the parade down 79th Street were all preludes to the big football game in which the Vikes crushed Leo by a score of 33-8. That evening, the Vikes celebrated at the dance.

The Council then went to work on the clothing, food, and blood drives. The Council raised over 1200 dollars for Muscular Dystrophy; and, to help the retarded and handicapped, the Council sold Kiwanis Club peanuts and Tootsie Rolls.

The Council kept busy throughout the remaining school days with more pep rallys, black and gold days, and, of course, regular meetings. Sponsoring the Senior Prom, and other formal dates was taxing, but who will ever forget the 50's-60's Dance, the Beach Parties and the Toga Party?

"We've Got Tonight"

On May 8, 1983 the Sophomores had their first date dance. They arrived ready for an exciting night and they were to keep going until eleven o'clock. The theme song "We've Got Tonight" brought a special meaning to the dance. At the end of the dance, the Sophomores and their dates received the traditional mug and ring charm. For the forty couples attending, the three hour dance wasn't enough. Many would extend the night at Pappachino's where further dancing took place. Truly, it was a night to be remembered.

"Just Between You and Me"

The theme of the 1983 Junior Prom was "Just Between You and Me." The Prom was held at the Hilton in Oak Lawn on April 29, 1983. The chairman of the prom, Chris Cook, and the Prom Committee spent a lot of time preparing for the Prom. Everything from the band to the bids had to be taken care of. The night was a big success, and a good time was had by all.

Senior Prom 1983
A Memorable Night

One of the highlights of the Senior year is, of course, the Senior Prom. This year's prom was held downtown at the Chicago Marriott Hotel on May 6th, 1983.

The evening started promptly at 7:00 p.m. with the receiving line. Dinner, which included salad, fruit cup, Chicken Kiev, Rice Pilaf, asparagus, and cake, was served at 8:00 p.m. The remainder of the evening was spent dancing to the music of the Revolutionary Swing Orchestra and the modern sounds of a live Disc Jockey. There were no school sponsored post-prom activities, but many of the couples found enjoyment in an after prom cruise on Lake Michigan, or a carriage ride through the city.

A total of four hundred sixty four people attended the prom. Out of the four hundred sixty four people present, two hundred nine of them were couples and the rest, invited faculty members. The prom bid was originally seventy five dollars. A five dollar rebate, however, was given after the prom.

Senior Prom will always be remembered. Senior Prom '83 was the perfect finish to the four years of endless work. However, it was worth the wait.

National Honor Society

Under the leadership of Miss Erazo and John Moran, the National Honor Society managed to live up to its standards of service, scholarship, leadership, and character. Many members could be seen in the library tutoring, or in the halls selling candy for the Kennedy School for retarded children. New members were inducted and soon learned of the values that were laid upon them. After the dues were paid, the members received their traditional pins. After a year of tutoring, many failing students can thank the National Honor Society for a job well done.

Running The School

What makes the school tick? That is a difficult and debatable question. Who makes the school tick? That answer is easy; it is the administrative staff that everyone takes for granted.

Everything that goes on behind closed doors at St. Laurence is handled skillfully by a handfull of people whose expertise and wealth of experience benefits us all.

Top: Mr. Mahony reviews the morning announcements during the first period. **Above Left:** Mrs. Kendall smiles for the camera. **Above Right:** Sorting out copies is one of the many services Mrs. Statkus and the A.V. Center performs for the school. **Left:** Mrs. Nowicki makes a few last minute copies before the end of the day.

The Principal for the 1982-1983 year was Br. Heustis. Although this was his first year, his personality and style soon earned him the respect and admiration of both the students and faculty of St. Laurence. Br. Heustis was assisted in his administrative work by Vice-Principal Mr. Jack Mahoney, who is the man behind the familiar voice which is heard every morning during the homeroom period.

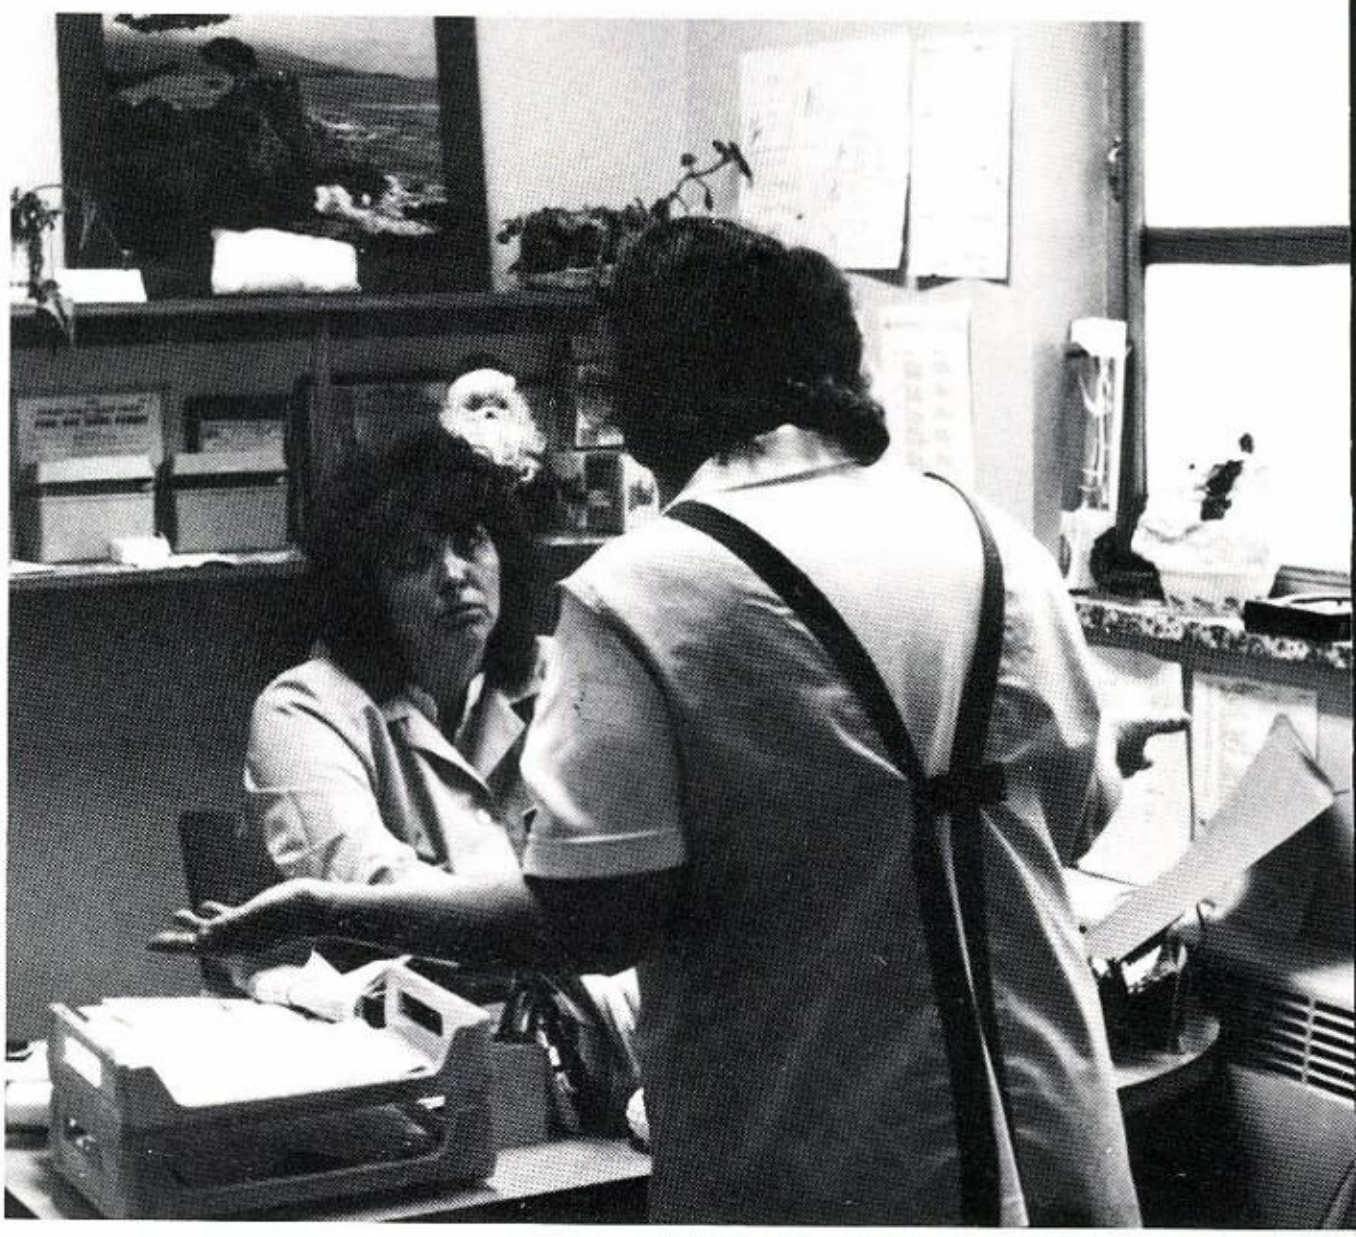
The school Treasurer was Br. McNamara, whose hectic job was facilitated with the aid of School Accountant, Mrs. McCarthy, and Financial Secretary, Mrs. Eggert.

Mrs. Dryer had the vital job of Administrative Secretary, which involved clearing the red tape included when running a school like St. Laurence efficiently. Another important role in the Front Office was that of the School Secretary, Mrs. Kelly, whose work rarely left her unoccupied.

As Assistant Librarian, Mrs. Glavis helped Br. Messick run the school library, making it the center of education that it was. Mrs. Kendall played an important part in our school as the Secretary of the Computer Science Department.

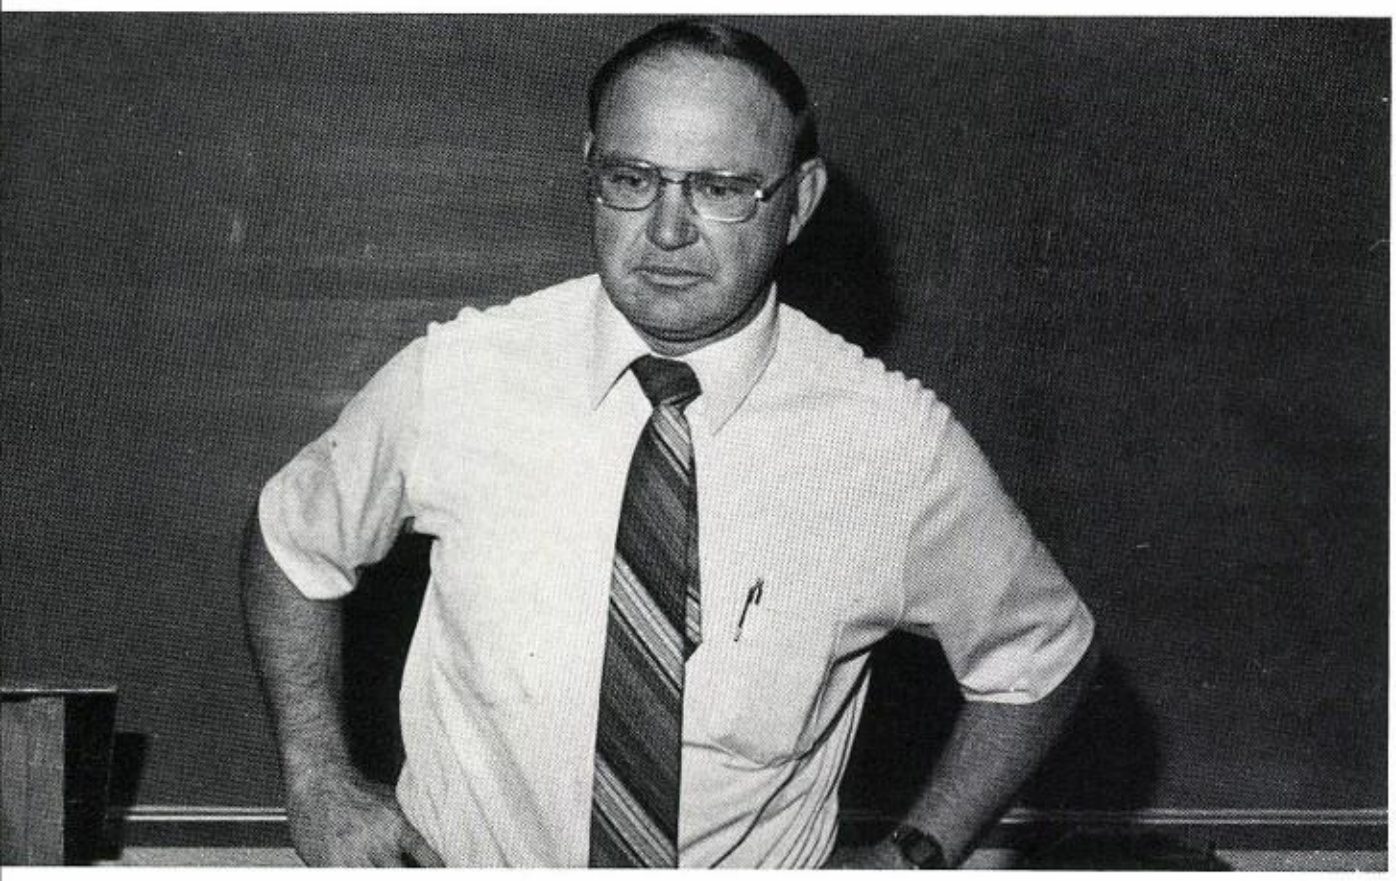
Mrs. Statkus directed the invaluable Audio-Visual Center and was assisted by the A.V. Secretary, Mrs. Nowicki.

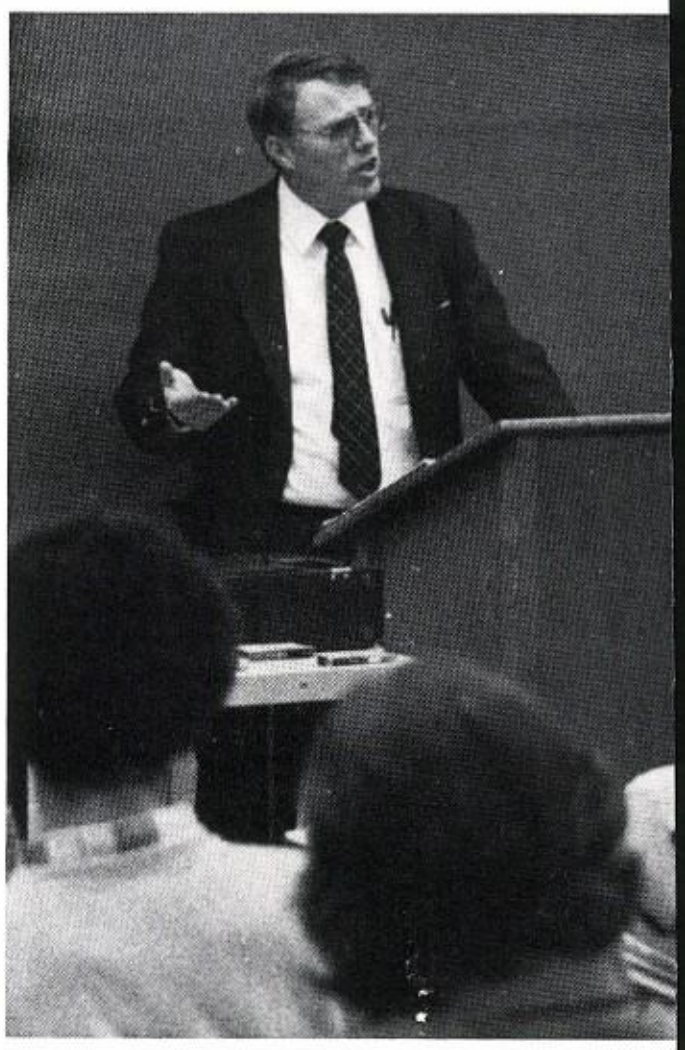
Also, assisting the school in many ways were the Janitorial and Cafeteria Staffs, whose dedication and perseverance helped make St. Laurence the place it is.

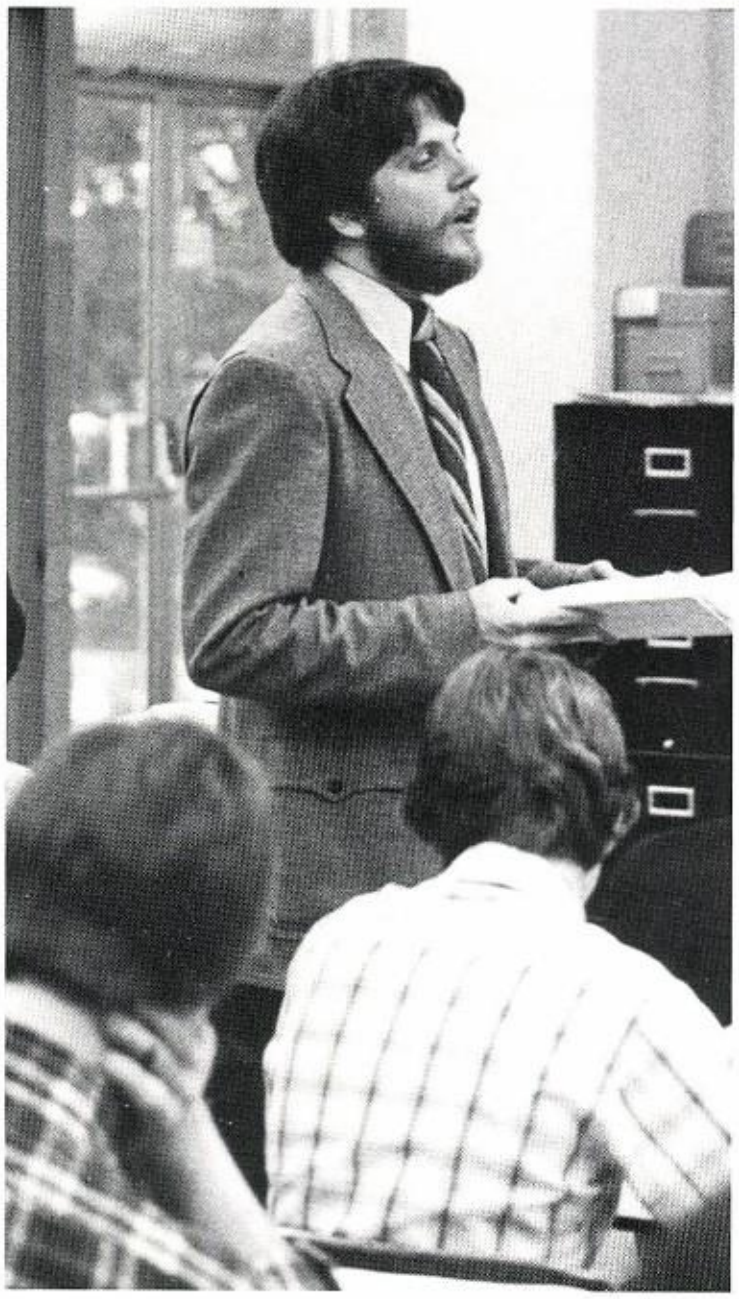


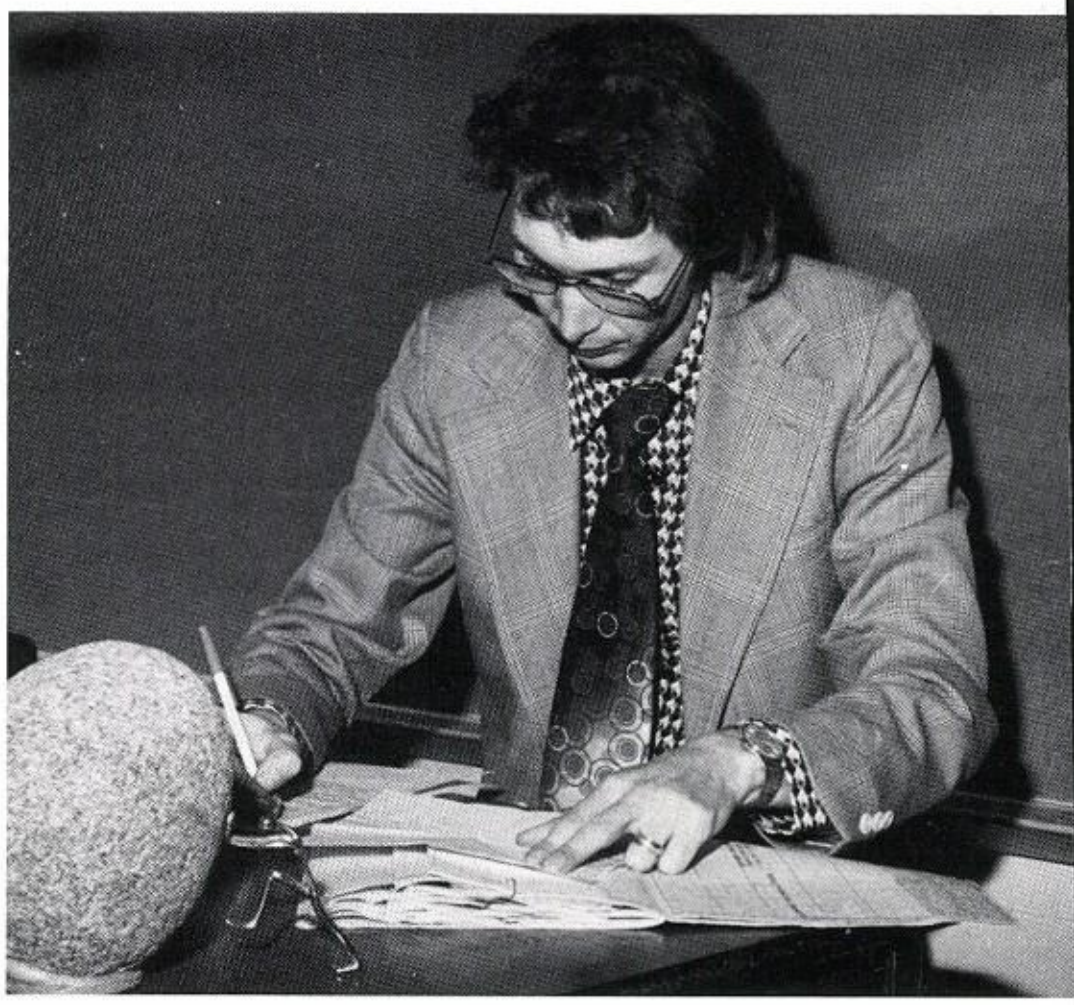
Top: Melba Paciaro is the leader of the hard workin and often over-looked Viking Cafeteria ladies. **Righ** Mrs. Dryer answers one of many problems concern ing an administrative difficulty. **Far Right:** M Mahoney broadcasts the announcements. **Below Mi dle:** Mrs. Kelly manages a smile even with the dai barage of absentee calls in. **Below:** Mr. John Snyde "Snyos," replenishes the pop machines.

Academics









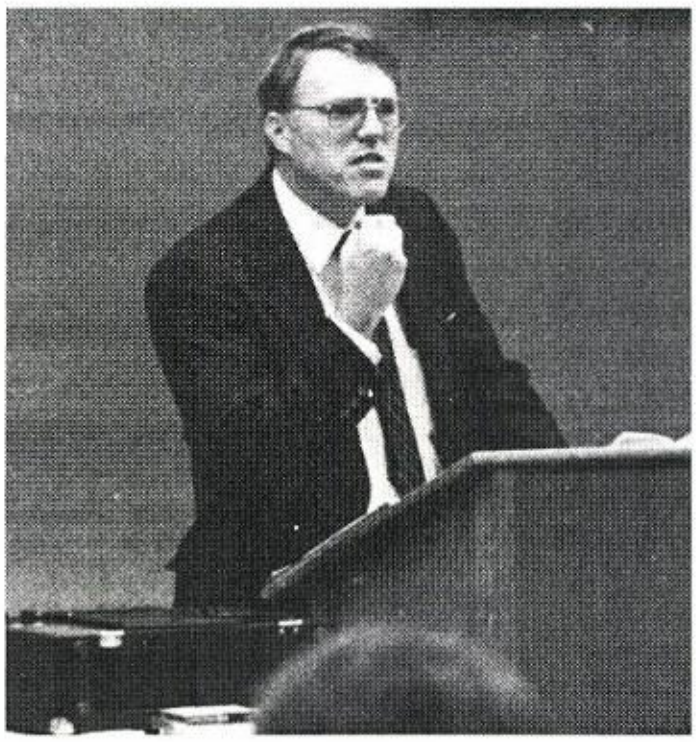
Top Left: Mr. Konrath surveys his class during an important grammar test. **Top Right:** Explaining the concepts of **Hamlet,** Mr. Lynch articulates before the class. **Bottom Left:** Mr. Tarjan explains the complex structure of a well formed paragraph. **Bottom Right:** Mr. Kroc faithfully corrects term papers.

Learning Proper Grammar

St. Laurence offers English as a four year compulsory course. Freshman English focuses upon grammar, *Romeo and Juliet* and short stories.

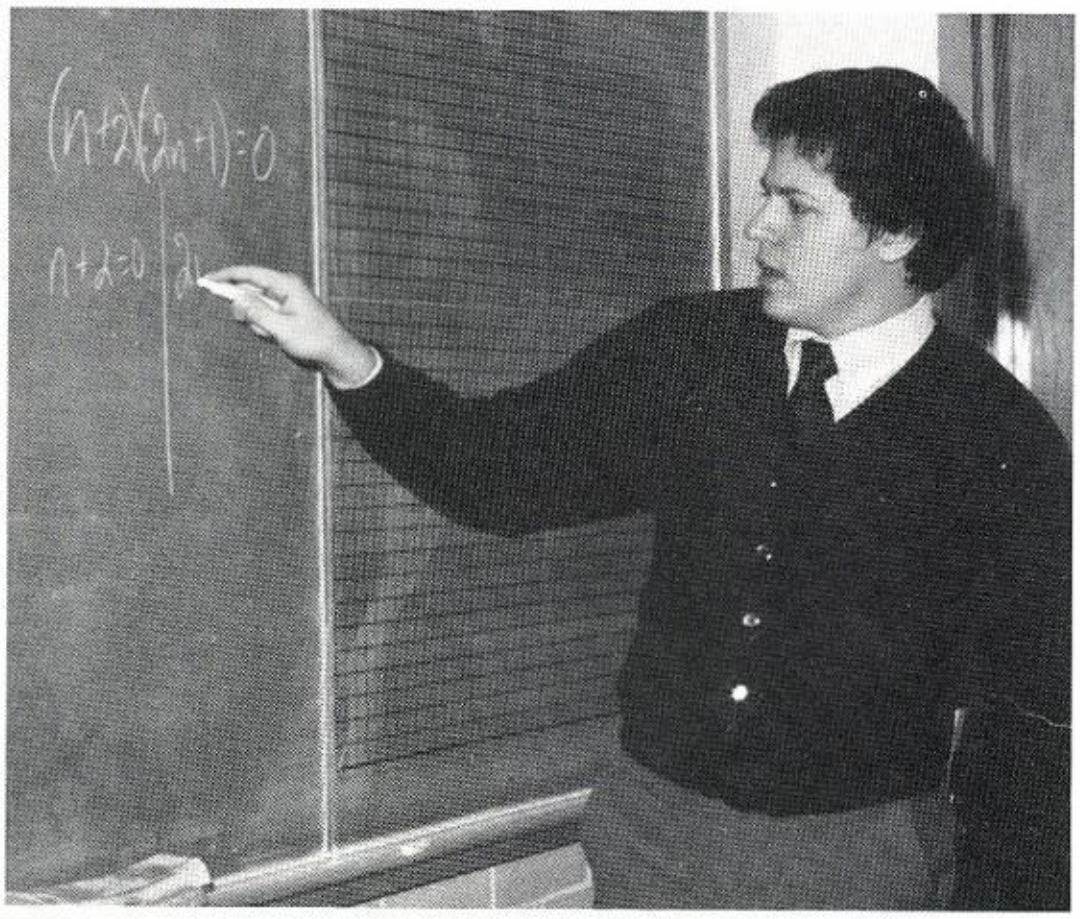
Sophomore students write various paragraphs, study *Julius Caesar,* and read *Our Town.* In the Junior year, many students were confronted with the ever symbolic world of Mr. Kroc. The in-depth world of ACT testing, SAT testing, and vocabulary were all extensively covered in Junior English. Many Senior students faced the flamboyant Mr. Lynch. In this class, British Literature was covered thoroughly with such Shakespearean dramas as *Hamlet* and *Macbeth.*

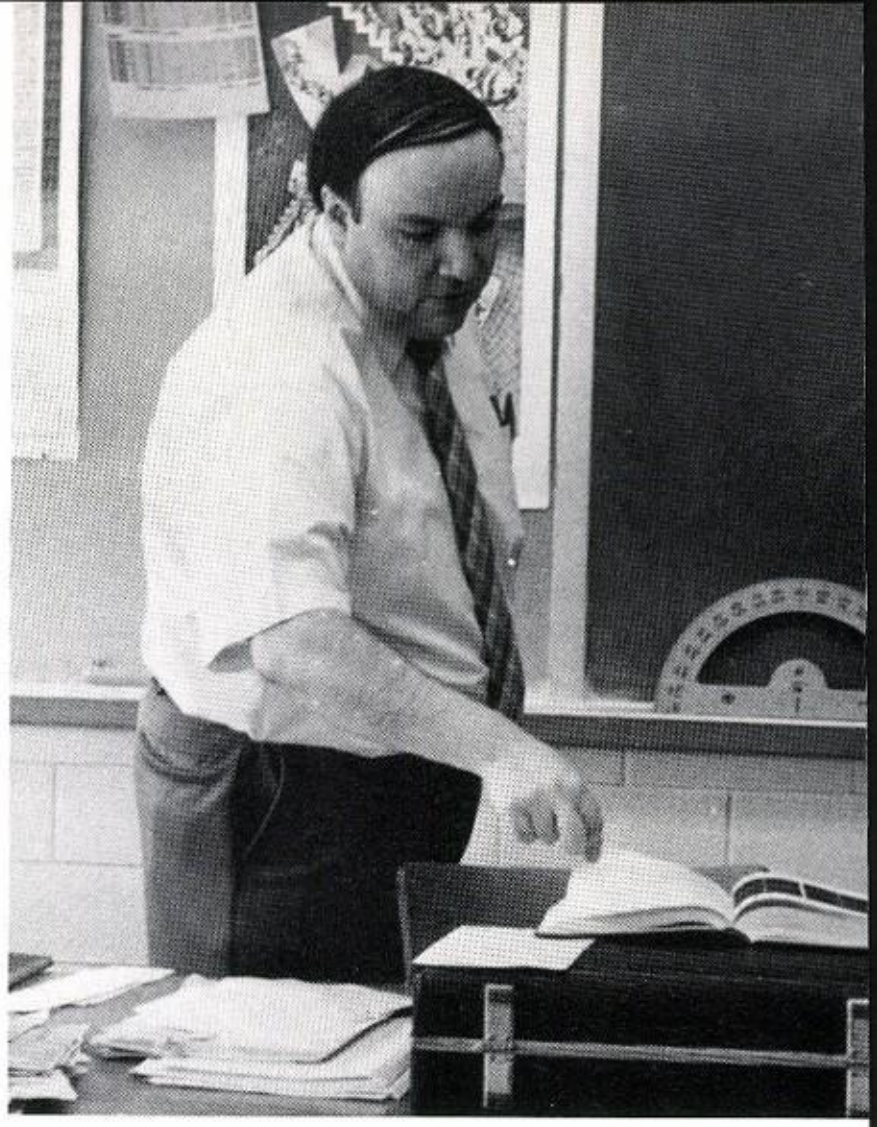
Creative Writing was also offered as an elective course for Seniors. In this class, students wrote their own symbolic stories and analyzed other students' symbolism.

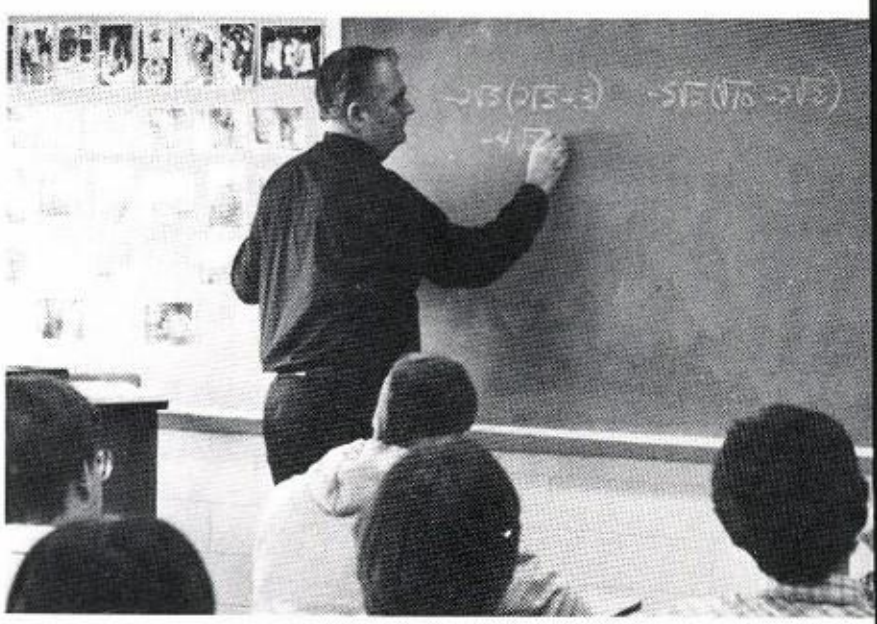


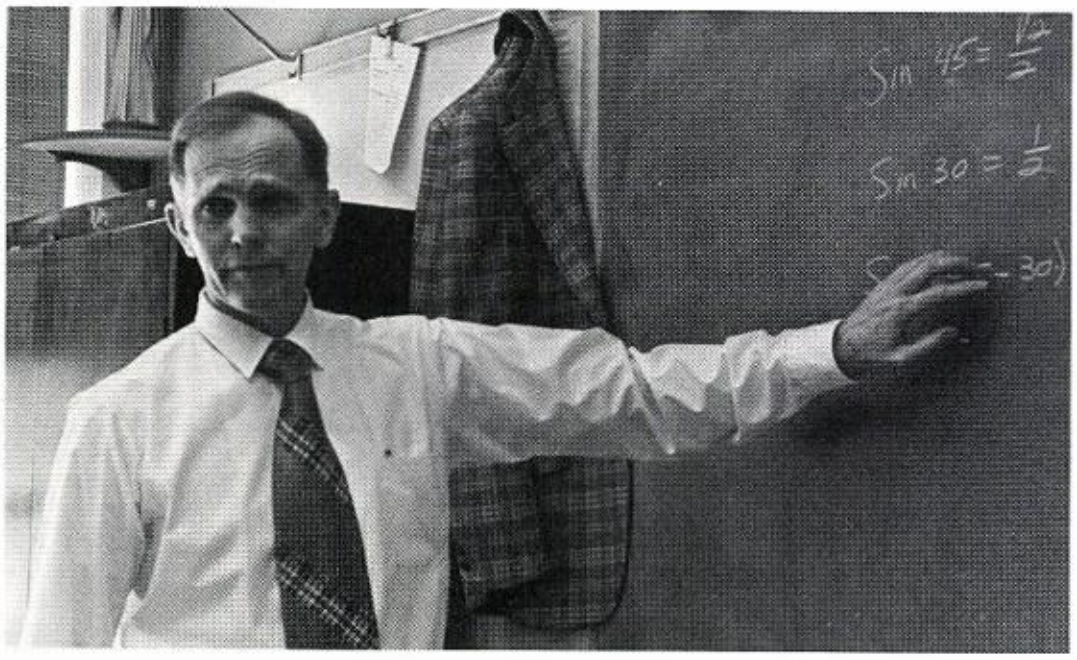
Top Left: Mr. Koziel looks over material for the proper techniques for writing a newspaper. **Top Right:** Mr. Tarjan discusses an assignment with Patrick Cooke and Kevin Ahearn. **Bottom:** Mr. Lynch delivers the "Oh, what a rogue and peasant slave am I" soliloquy from **Hamlet.**

Comprehending The Mathematical Concepts



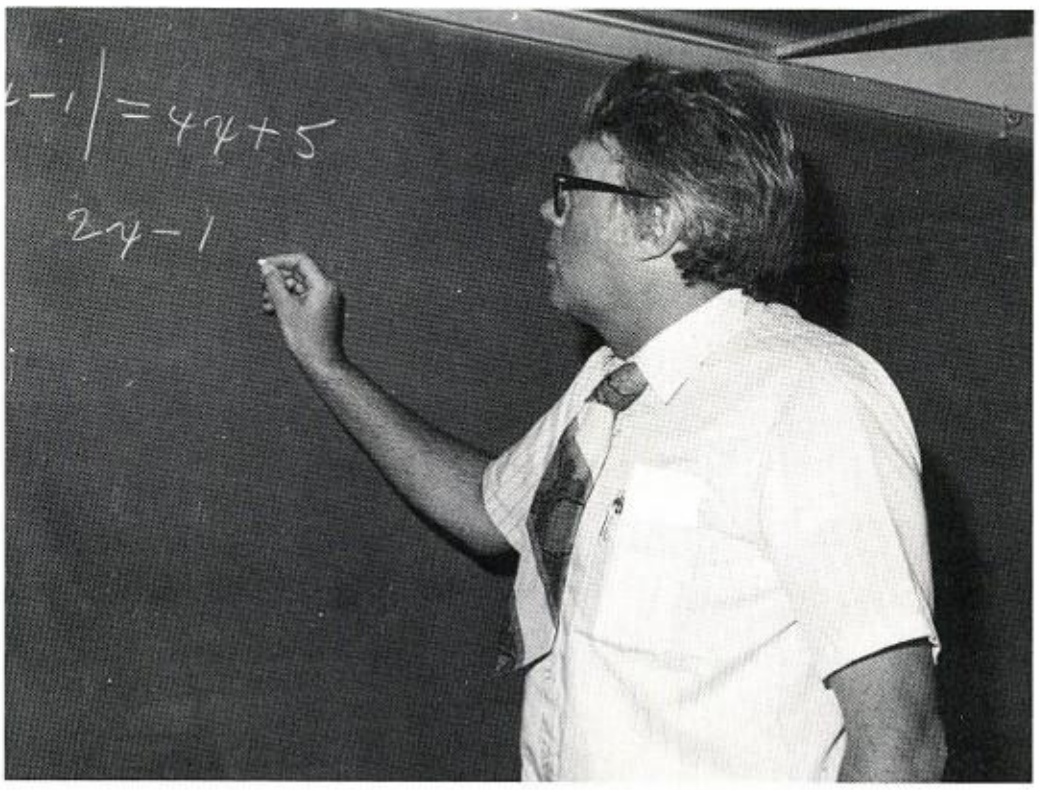






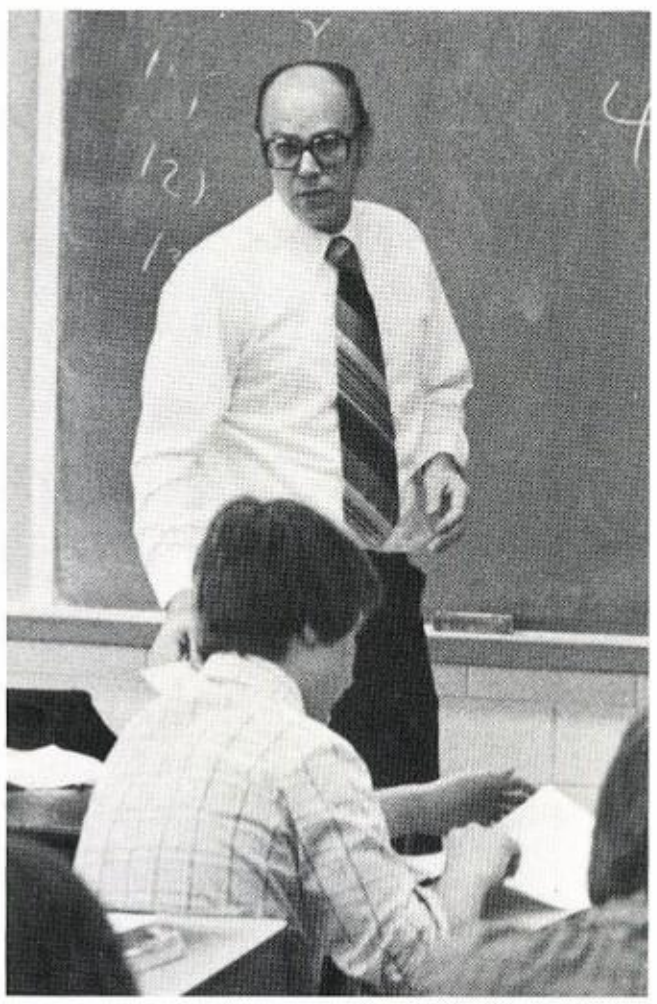
Top Left: Mr. Pappalardo explains the simple concepts of factoring. **Top Right:** Surveying his Analysis book, Mr. Martin prepares to begin class. **Middle:** Mr. Fowler displays some simple concepts of trigonometry. **Bottom Left:** As the class watches intently, Br. Hennessy shows square root factoring. **Bottom Right:** Mr. Kavanagh tries to make his students "see" the reasoning behind the theorem.

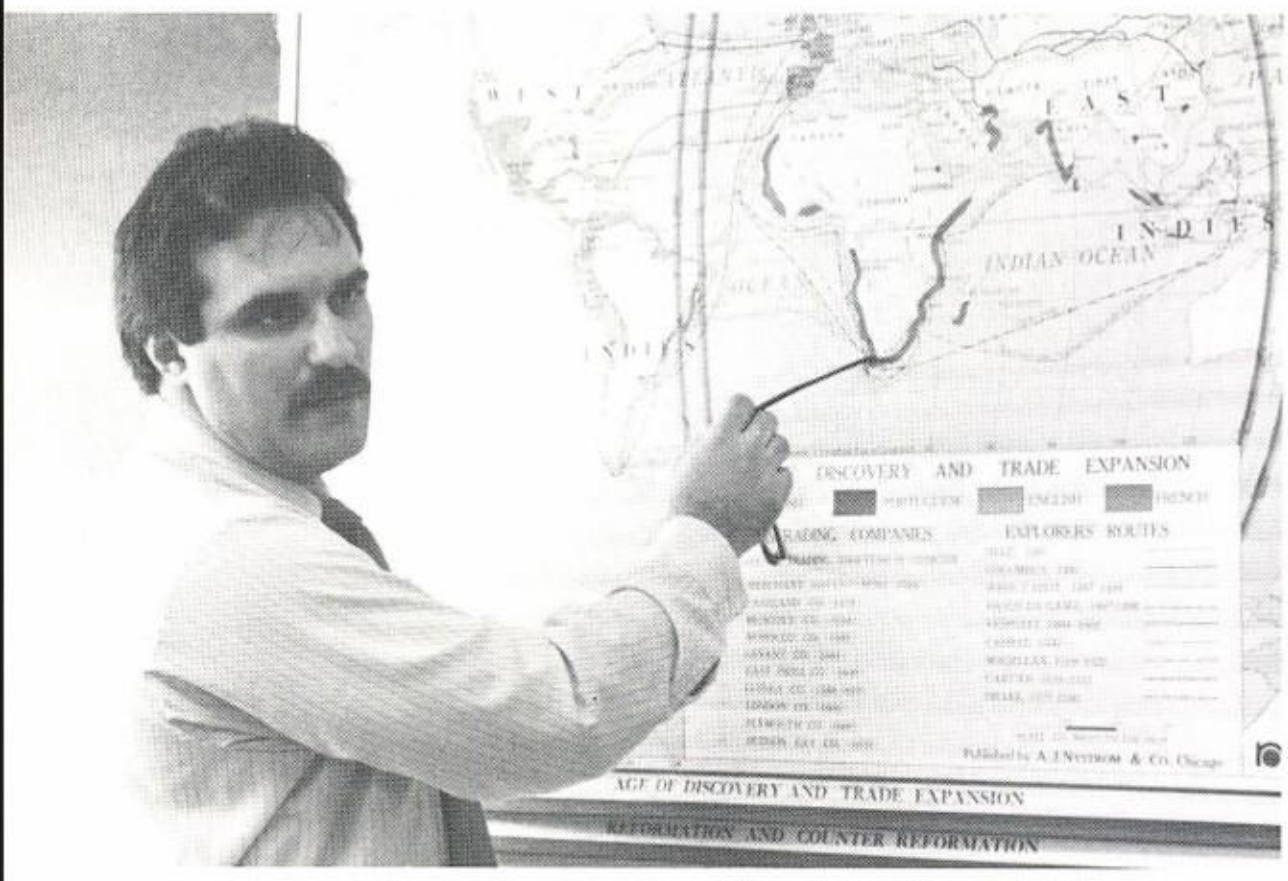
Top Left: Mr. Kruszka shows his class the classic film "Donald Duck in Mathmagicland." **Top Right:** Mr. Kavanaugh works out an algebra problem on the board. **Bottom Left:** Mr. Martin answers a question posed to him by a student. **Bottom Right:** Mr. Gorman teaches freshmen all they would want to know about algebra.

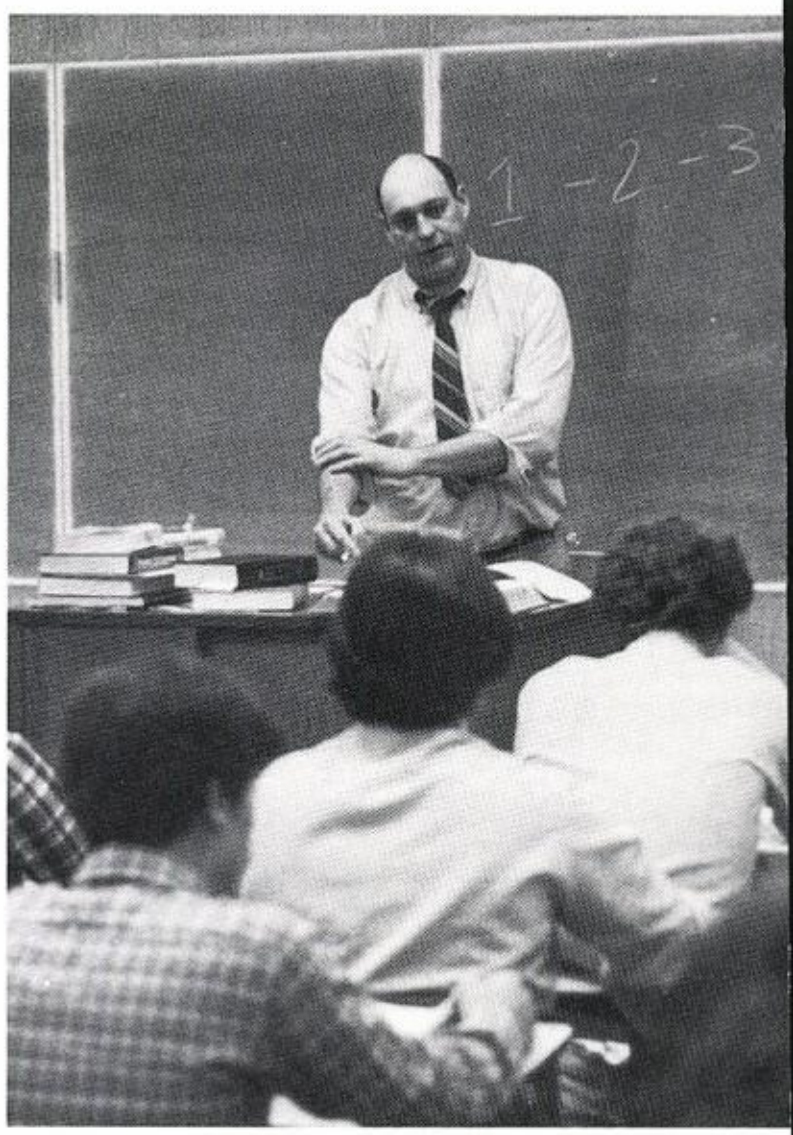


Again the St. Laurence math department rose to the needs of the students. Students were required to take algebra and geometry their Freshman and Sophomore years. However, for those students who wanted to expand their math knowledge, the possibilities were colossal. Calculus II was again offered to those who had completed Calculus. Math Analysis, Trigonometry, Algebra and basic math concepts were all studied. In these ways, students were allowed to maximize their math studies to the fullest extent.

The math department also formed its own math club. In this club, many students were able to compete in various nationwide tests.

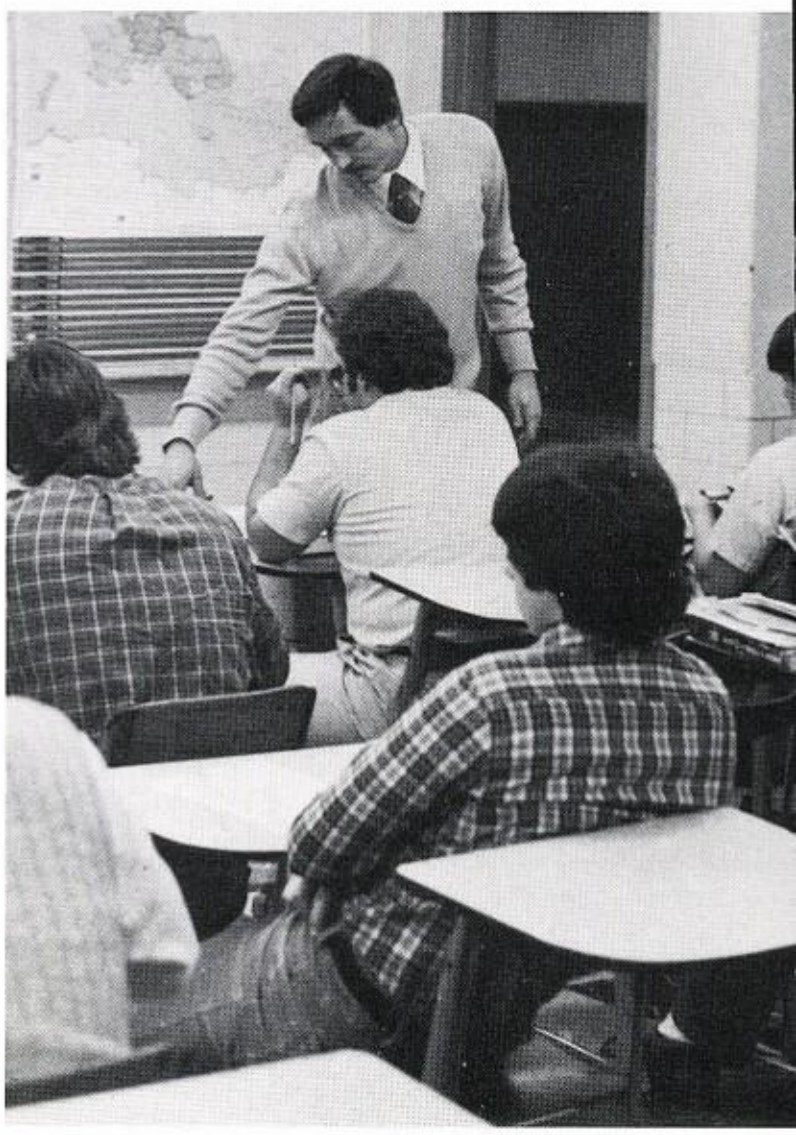


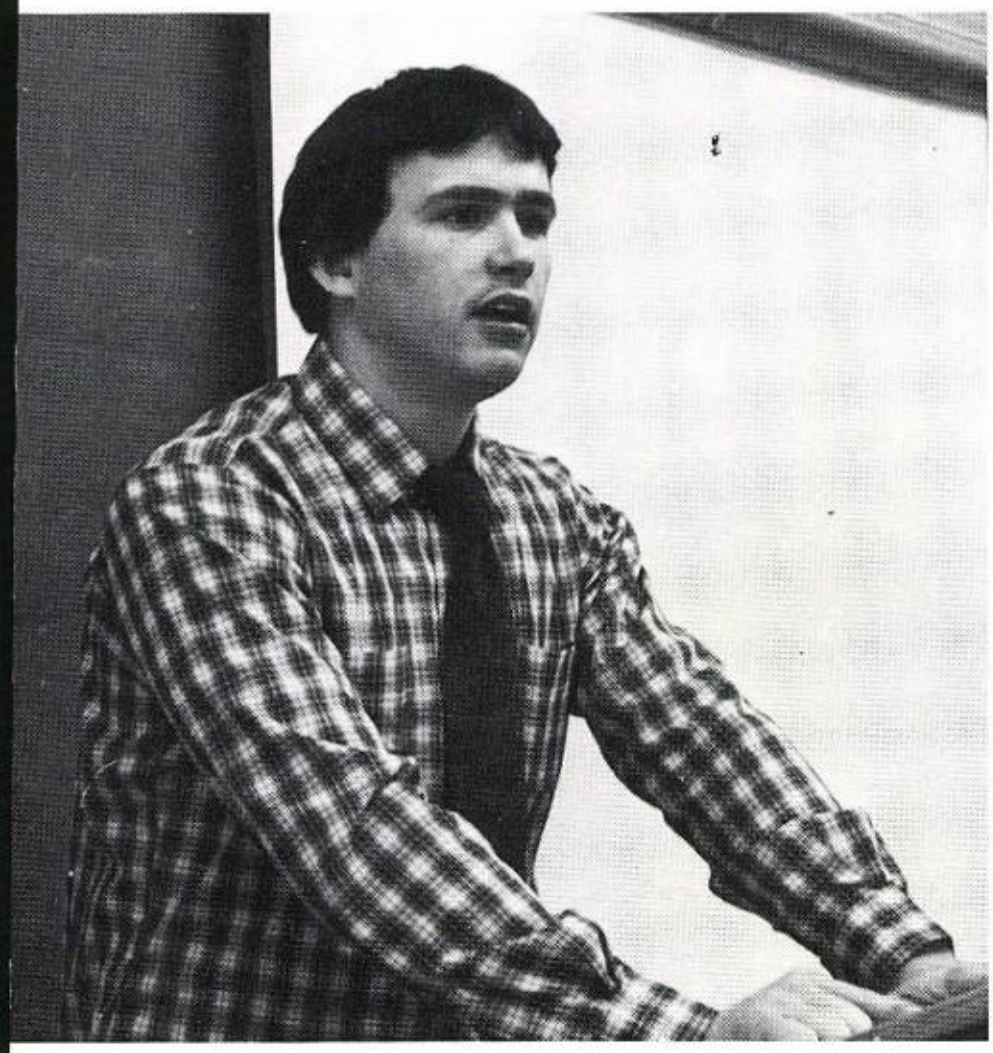


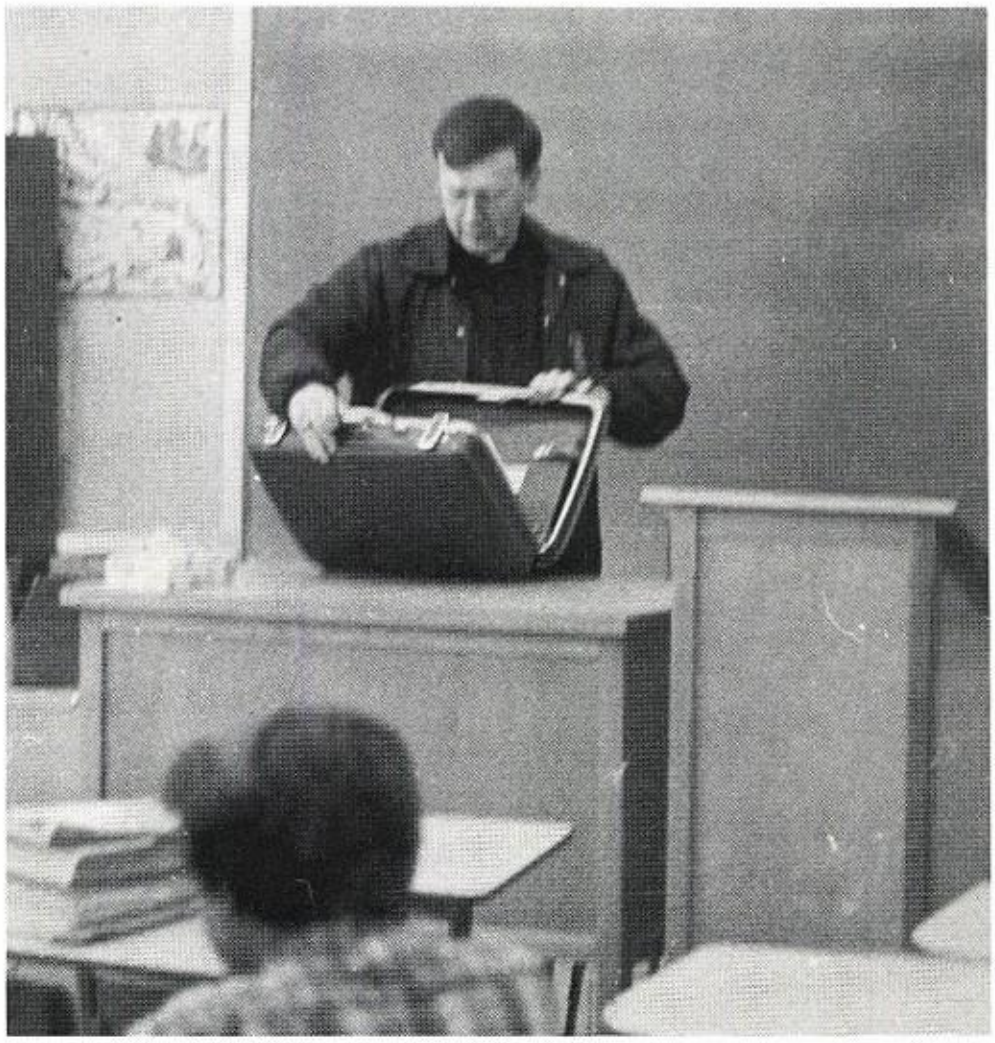


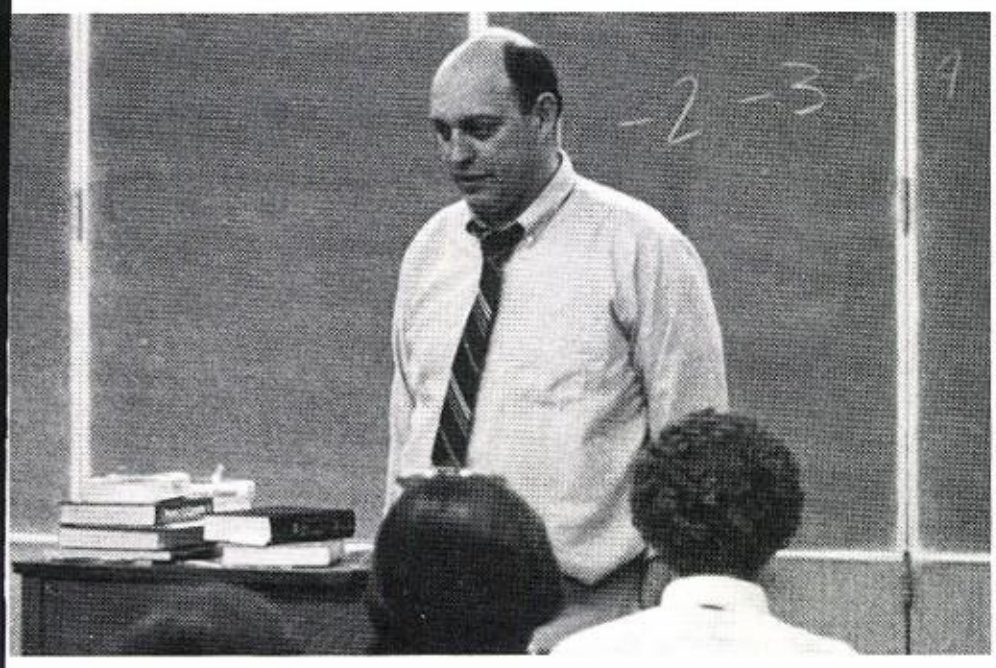
History In Our Day

Five history courses are offered at St. Laurence. Freshmen are required to take World History. In this class, students learn about the beginnings of history, from ancient Rome to the present day. Sophomores, who took a history course, were confronted with the amazing world of European History. This course evaluates the history of Europe from the French Revolution to the present day. All juniors are compelled to take a course in U.S. History. Here for the first time, students had the diverse Mr. Rezek. These fortunate students learned about points, spot quizzes and warnings as an extra bonus to their knowledge of history. As an elective to Seniors, Chicago History and Current Events were offered. Here many students continued their knowledge of history. Next year, students will also be able to take a course in military history.



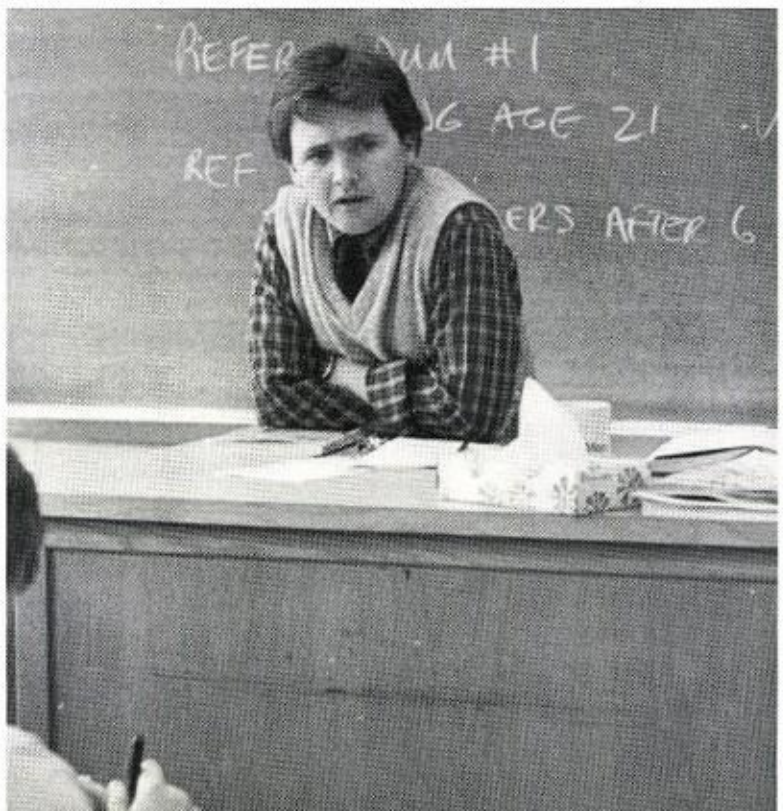




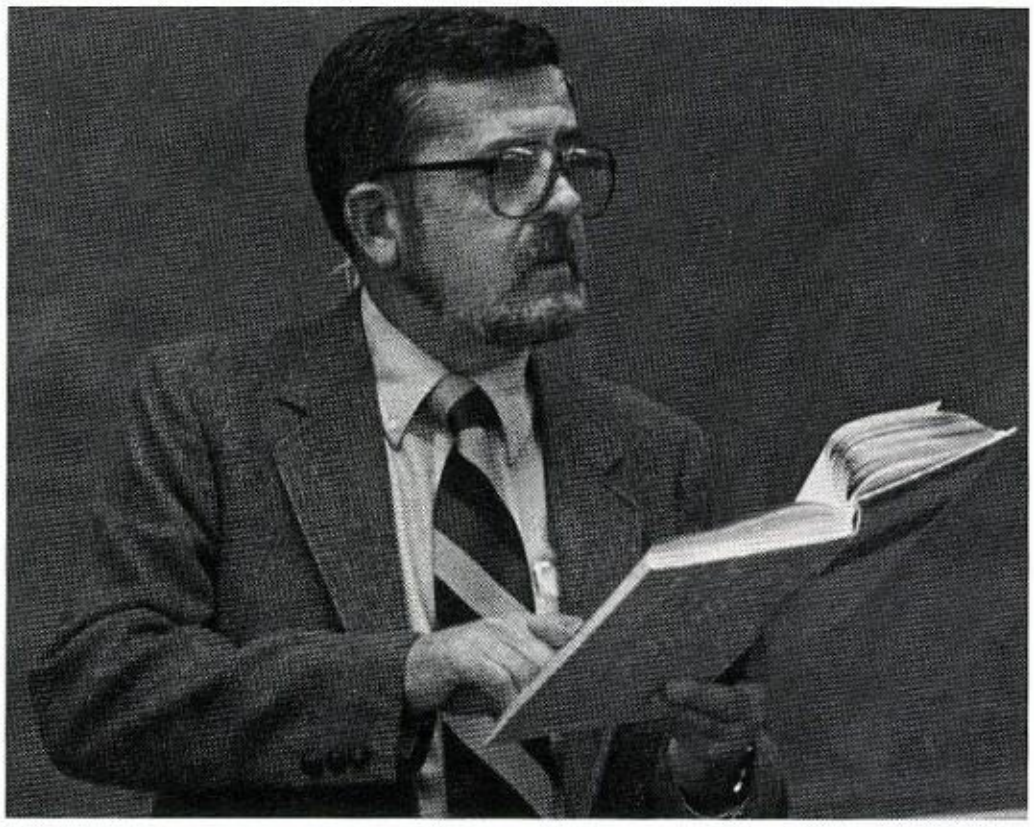


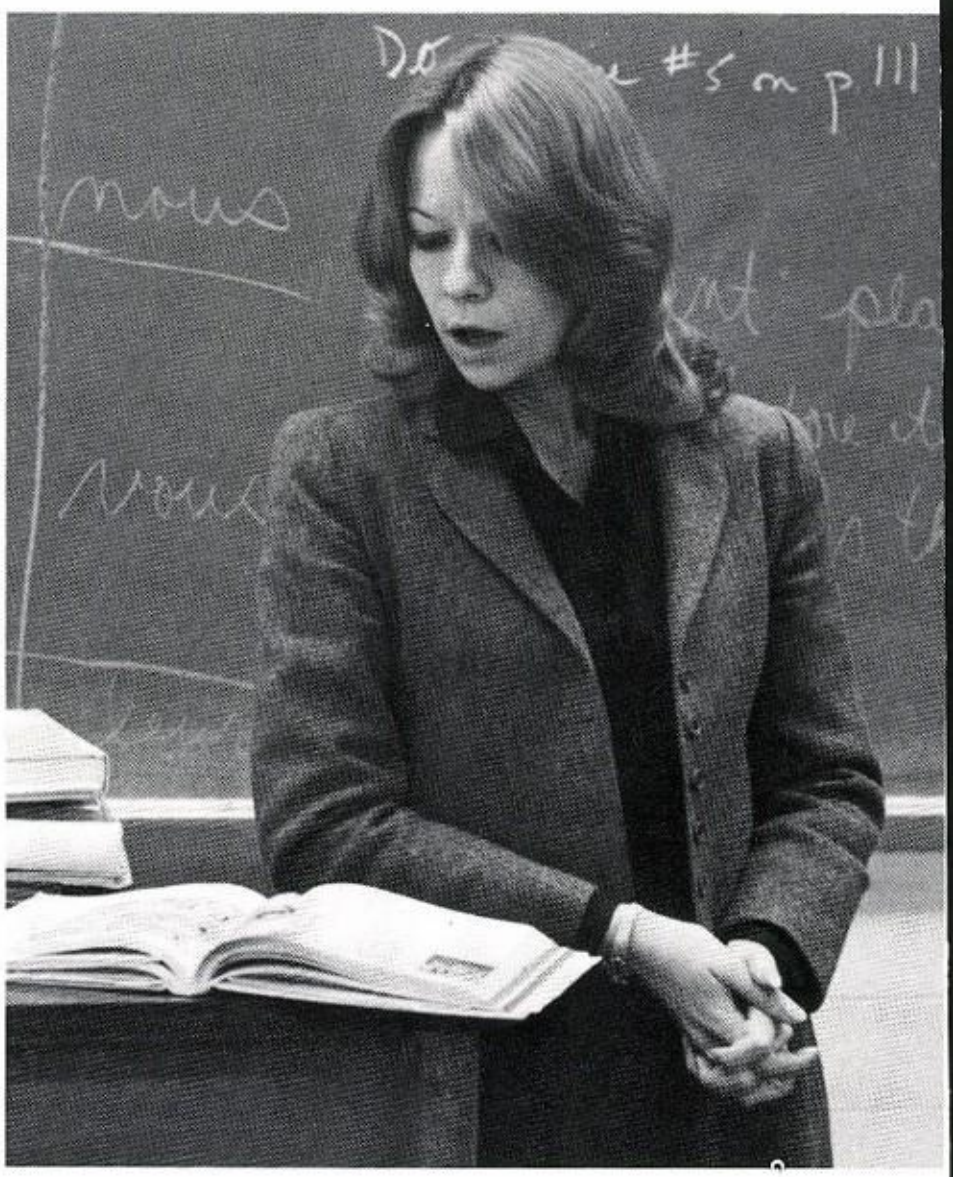
Top Left: Mr. John Konrath begins to instruct his World History class. **Top Right:** Opening his briefcase, Br. Beckstrom prepares to begin class. **Middle Left:** Mr. Rezek listens intently to an objection. **Middle Right:** Mr. Ondrla recites an essay from a student's test. **Bottom:** Mr. Murphy discusses the Eighteenth Amendment with his history class.

(opposite page) **Top Left:** Mr. Trombetta traces Magellan's fantastic voyage around the world. **Top Right:** As the students wait anxiously, Mr. Rezek decides whether he will give a spot test. **Bottom Left:** Mr. Fryer checks John Jagus's notes. **Bottom Right:** Brian Powers hands in his written assignment.



The Franks of St. Laurence



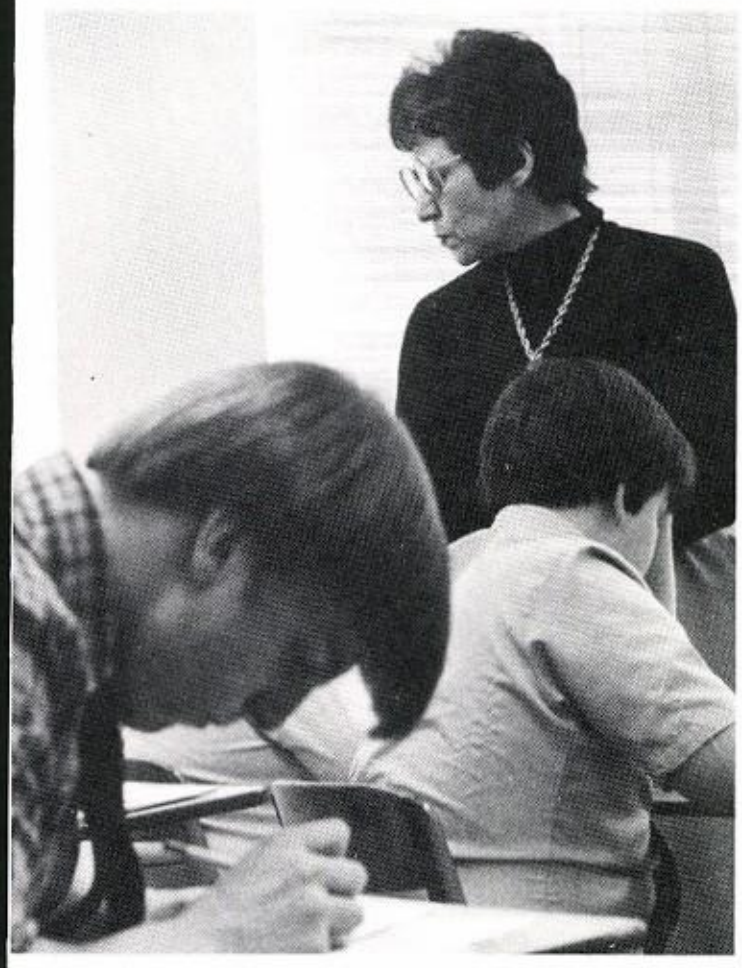


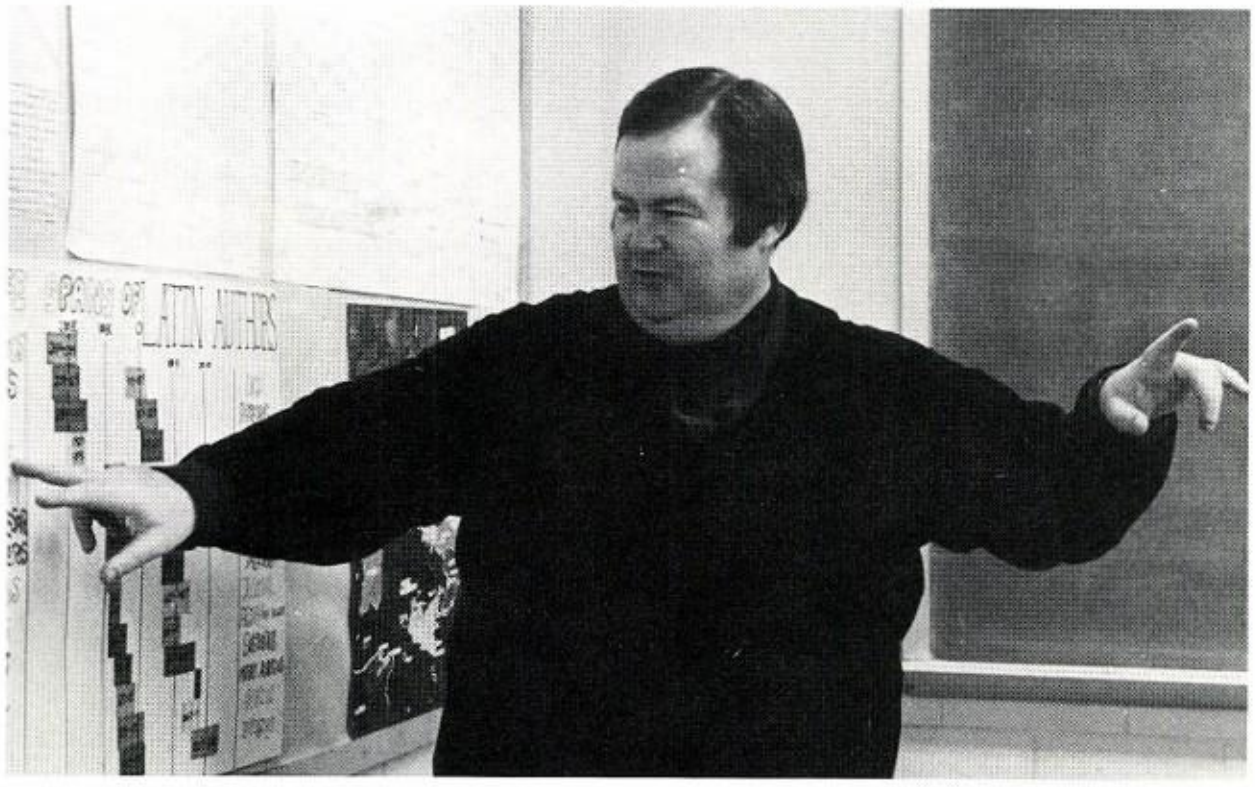
German students were fortunate to have been taught by the diverse Mr. McNicholas. With McNicholas at the helm, St. Laurence German students learned to understand their own language through the study of German. By seeing various films, German culture was analyzed. Students were entertained by such famous movies as "M". Again German 3 and German 4 were taught, meeting every other day.

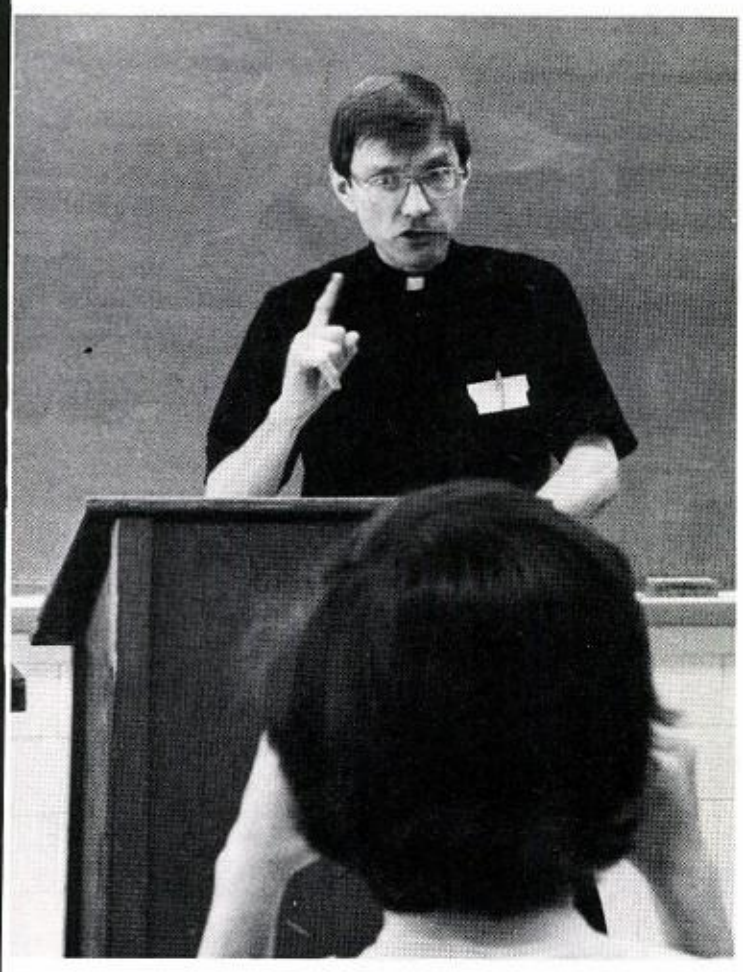
One of the various romance languages, French was taught on all four levels. In this course, students were required to perform several speeches in French. By their study of French, these fortunate students were able to form a more extensive view of different languages about them.

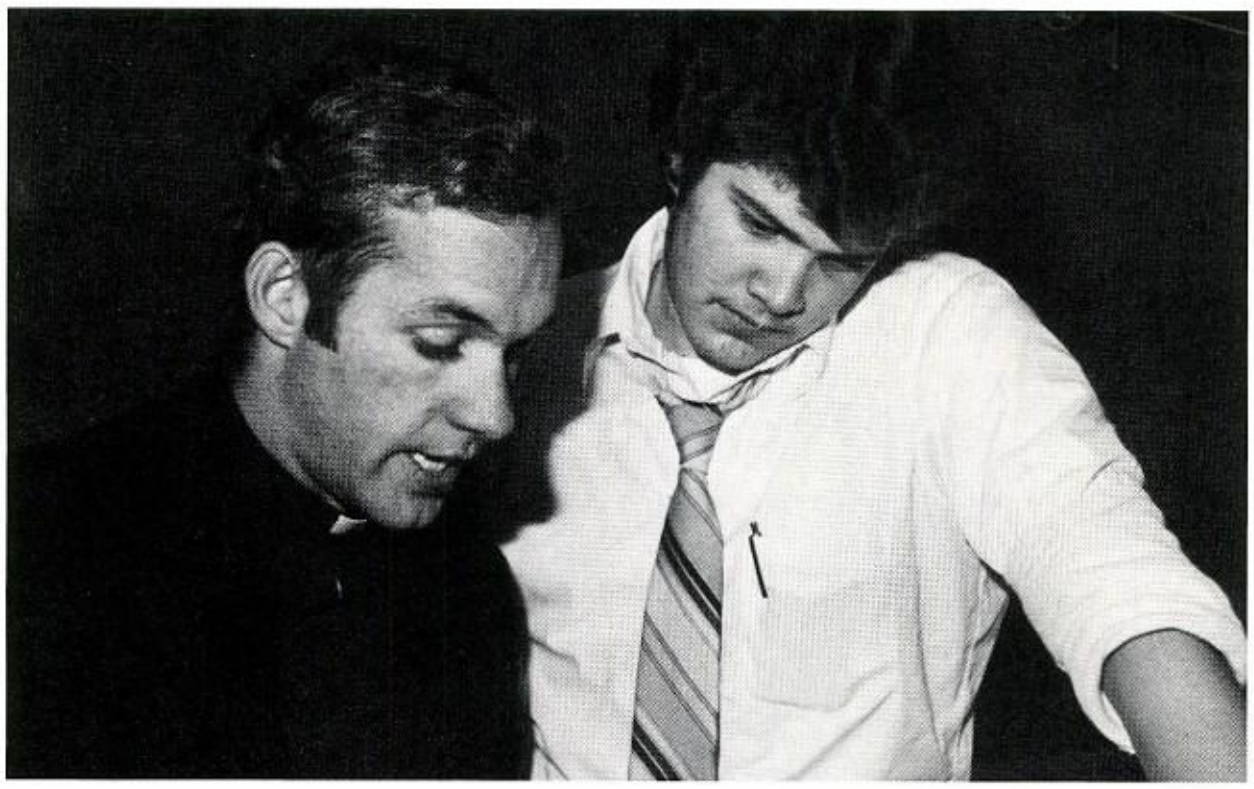
Top Left: Mr. McNicholas pauses to answer a student's question. **Top Right:** Mrs. Handrich discusses a lesson in one of her French classes. **Bottom:** Demonstrating his expertise in foreign language, Mr. McNicholas speaks fluent German from the textbook.

From Italy to Spain







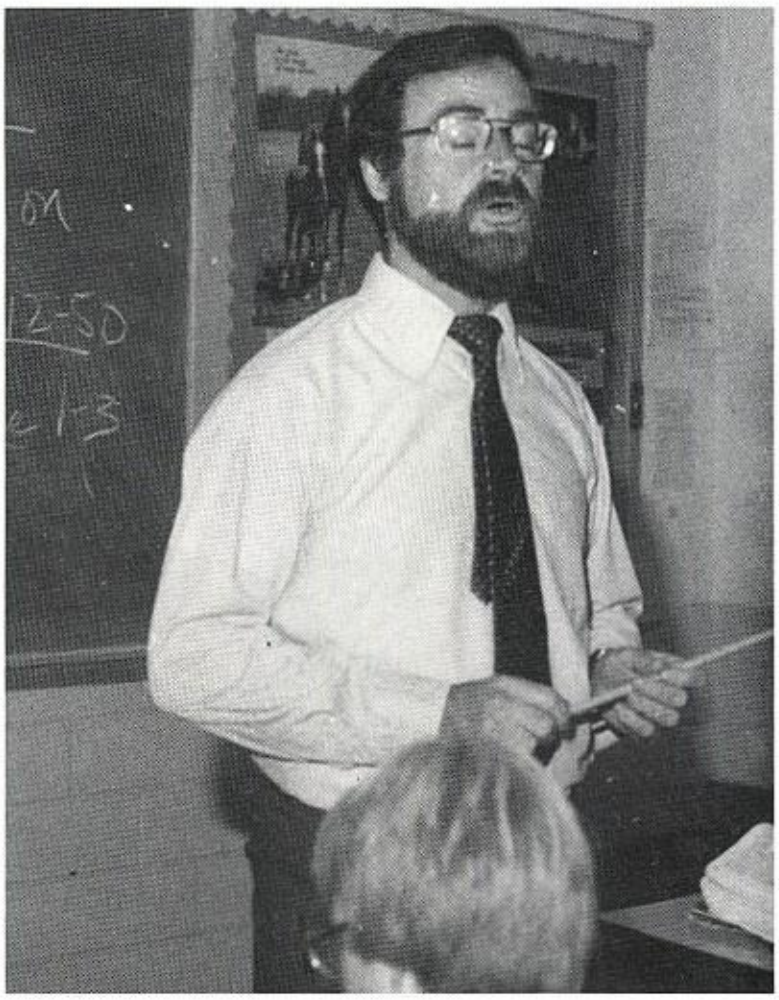


Top Left: Mrs. Fitzgerald watches as her students take a Spanish test. **Top Right:** Br. Duffin uses a chart to discuss the famous Latin comic, Terence. **Bottom Left:** Br. Mahoney instructs his students on the basics of Latin grammar. **Bottom Right:** Br. Kramer helps a Spanish student with a problem.

The most popular language, Spanish, was again taught on all four levels. Students who took Spanish were required to take the course for two years. However, for those students who wished to expand their knowledge, Spanish III and IV were offered. Spanish students were mainly taught to understand and speak the Spanish Language. Through speech tapes and propaganda about them, Spanish students began to swell into the cultures of the various Spanish speaking nations.

Uncommon to many schools, Latin was, as in past years, kept alive by the teachings of Brother Mahoney and Brother Duffin. Through their studies, students began to form a knowledge of where the English language was derived. By reading Roman authors, such as Cicero, Latin students received an extra bonus, that of learning the language of ancient cultures. Latin plays and outside readings enhanced the study.

Adhering To The Faith

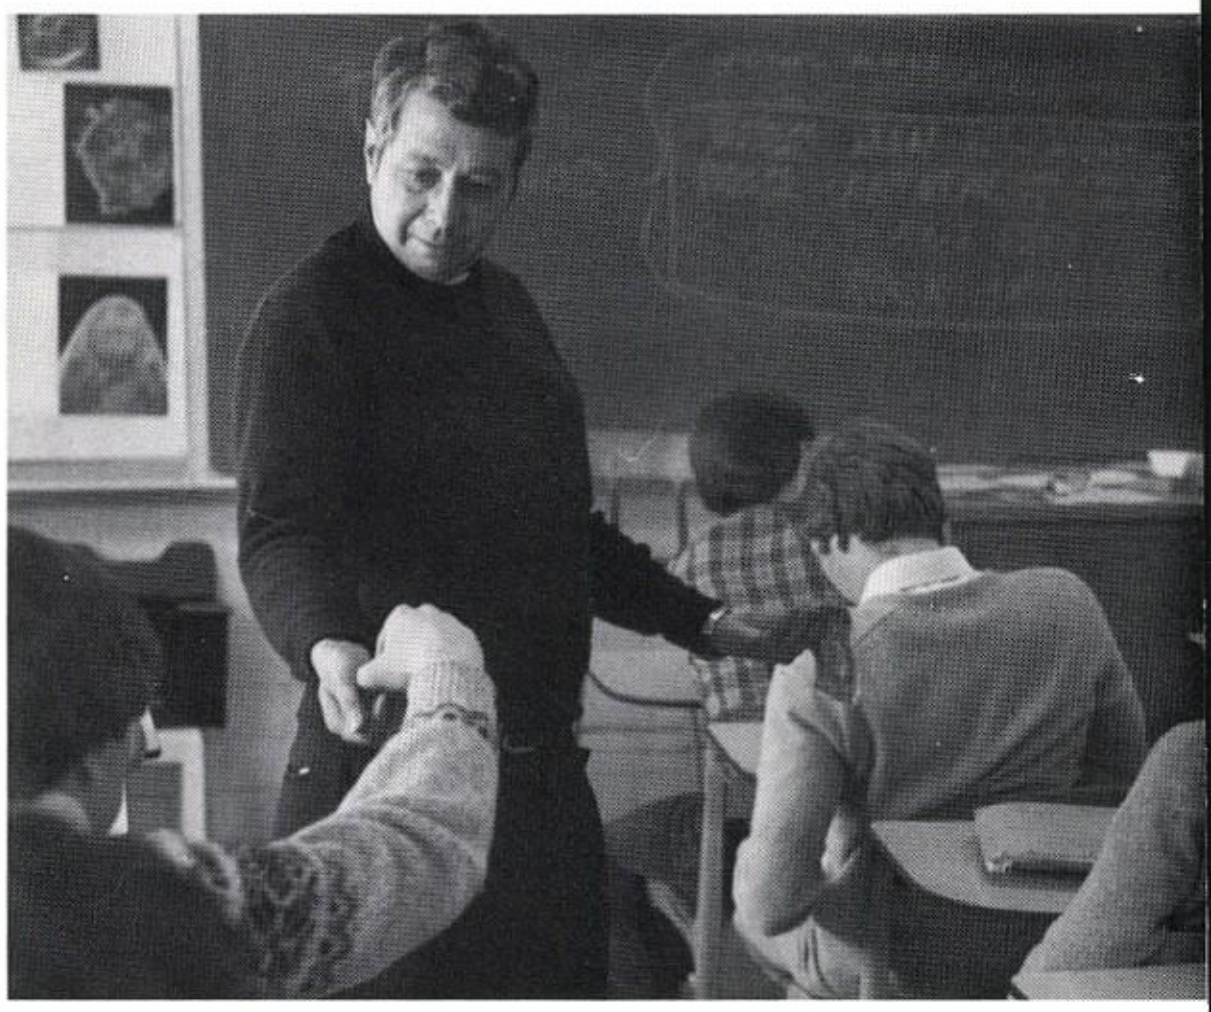


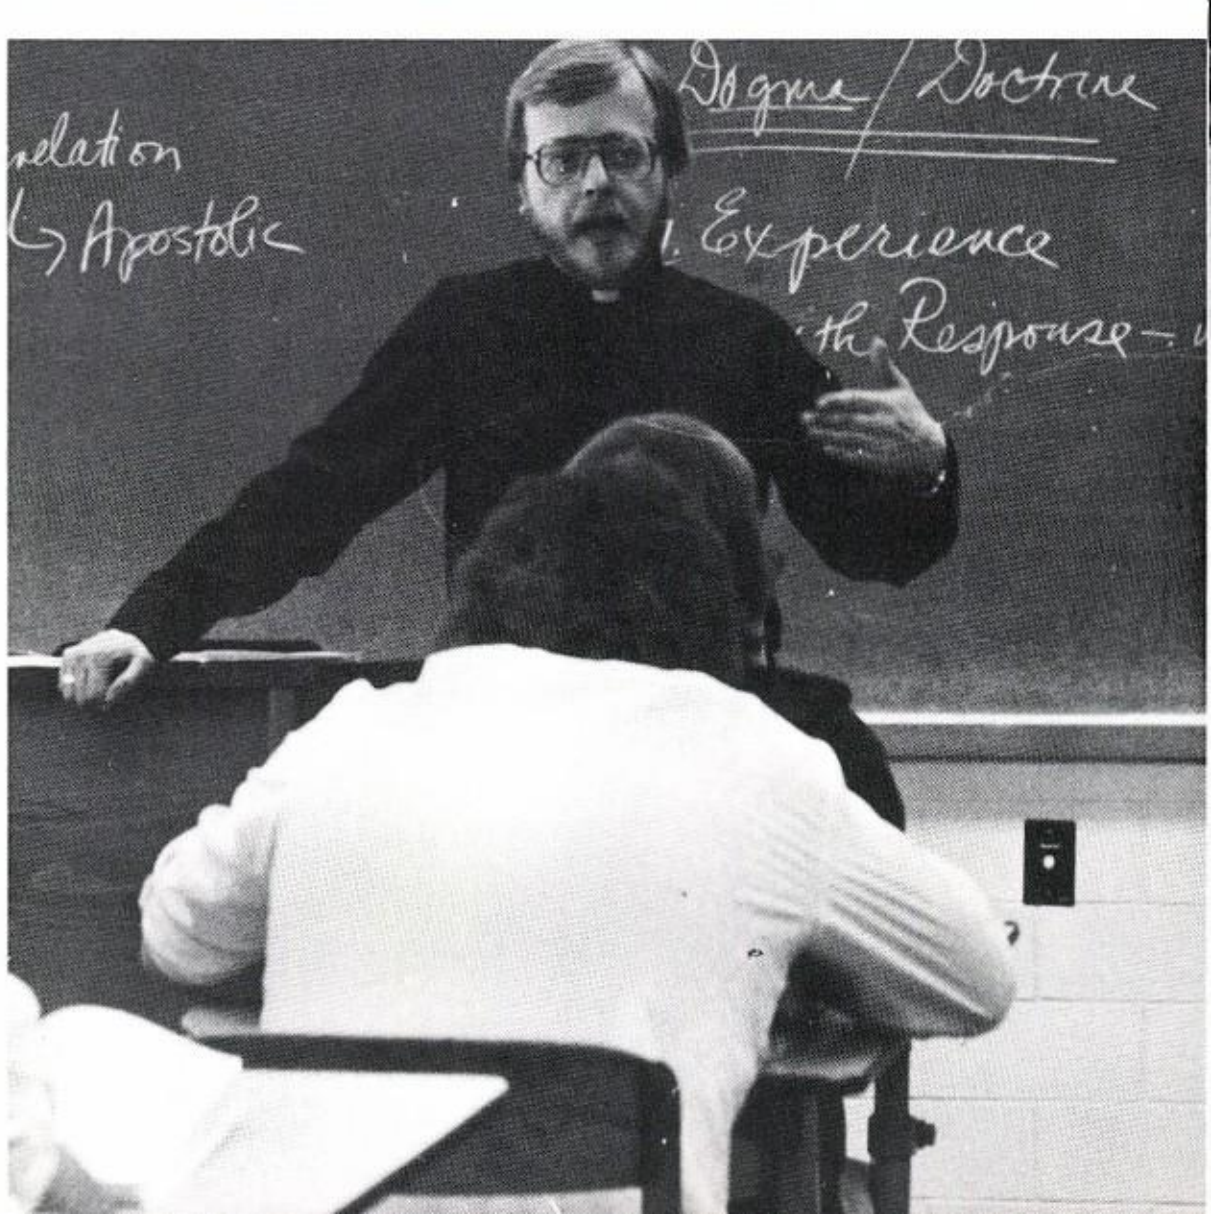
St. Laurence students were again required to take theology courses for four years. In this way, the whole person was developed. The freshmen began their theology course by searching into the roots of their religion. The Old Testament was thoroughly approached in this beginning course. Many fortunate students learned about the Arc of the Covenant, Mr. Hines meditations, and Moses for the first time.

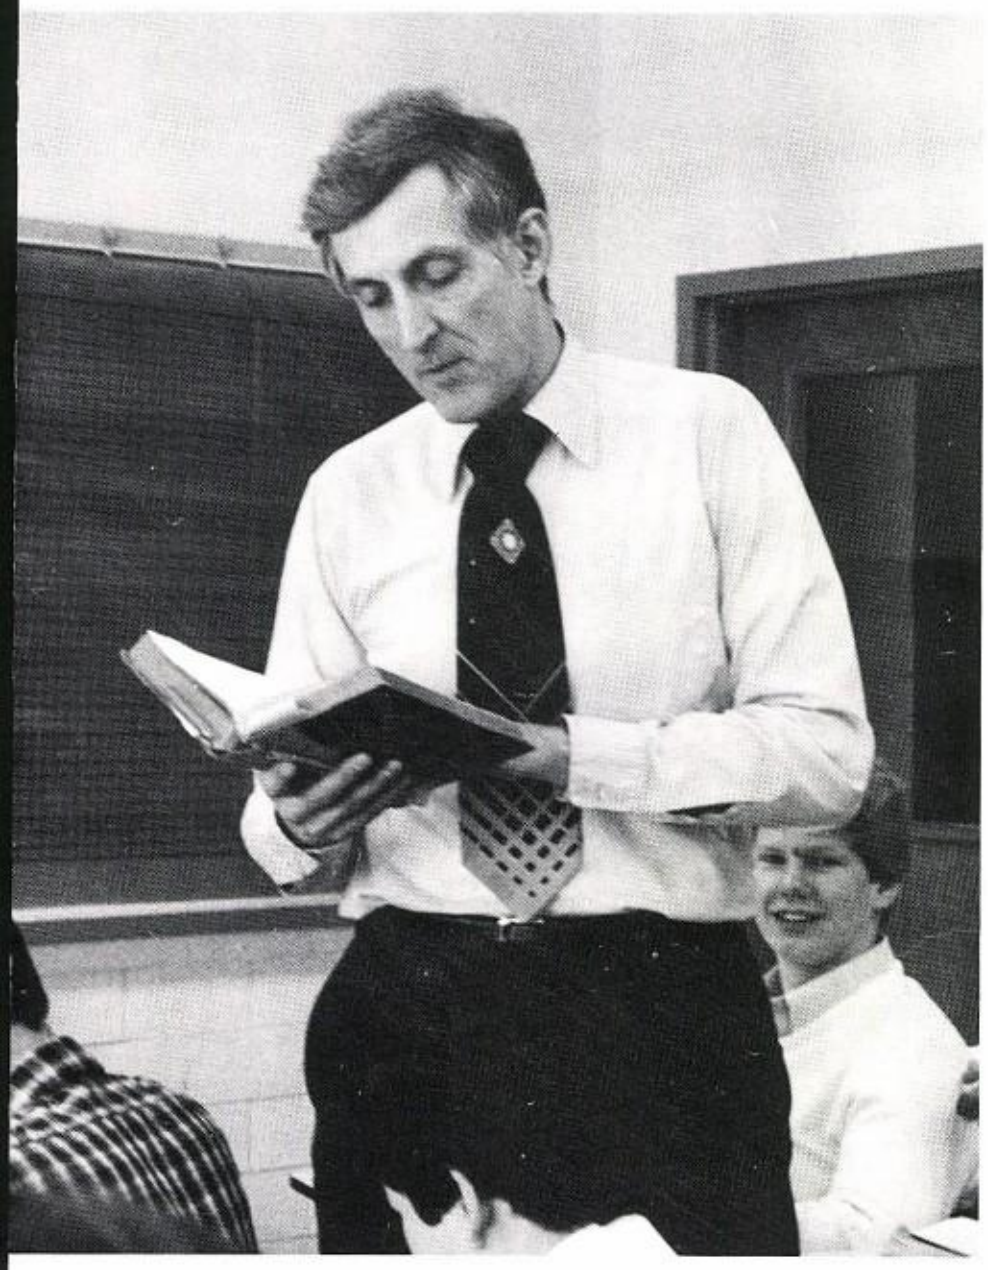
The sophomores followed by focusing in on the sacraments. Different points of view were questioned in these religion classes. Many sophomore students were fortunate to have been taught by the author of their textbook, Mr. Quinn.

Juniors delved into the moral society. Dogmas and doctrines were also taught in the second part of the program. Charlemagne's rule, the persecution of Christians, and the reformation were all studied in depth.

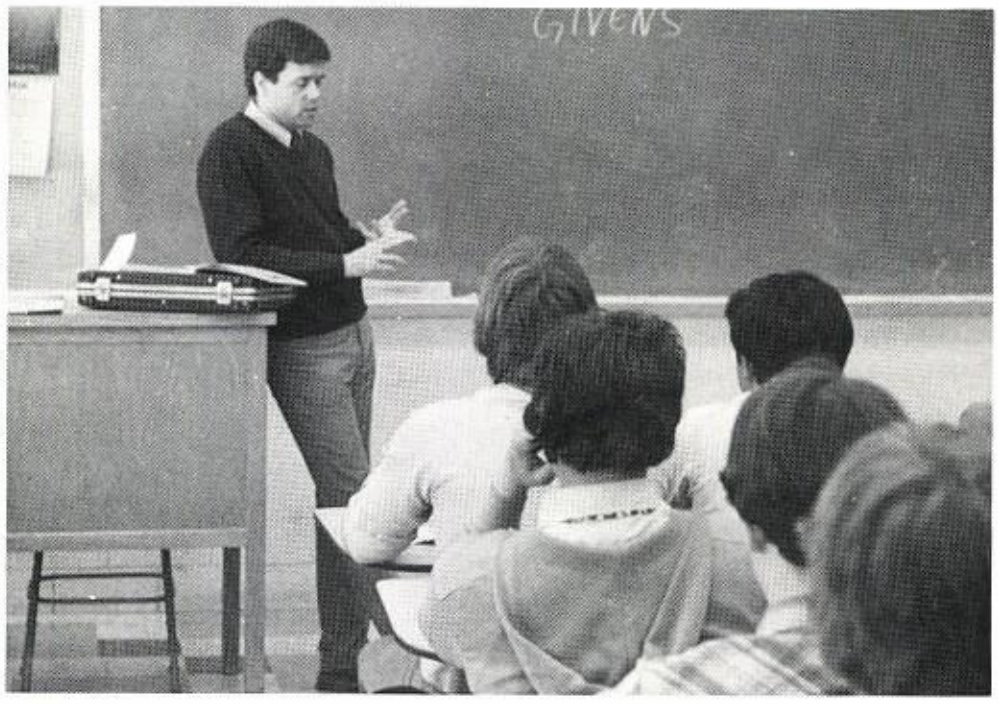
The Seniors were faced with the intriguing faith discussions of Mr. Quinn and Br. Hale. Marriage and Sexuality was also discussed. Many of these students were capable of planning their own wedding upon leaving Mr. Barnum's class.

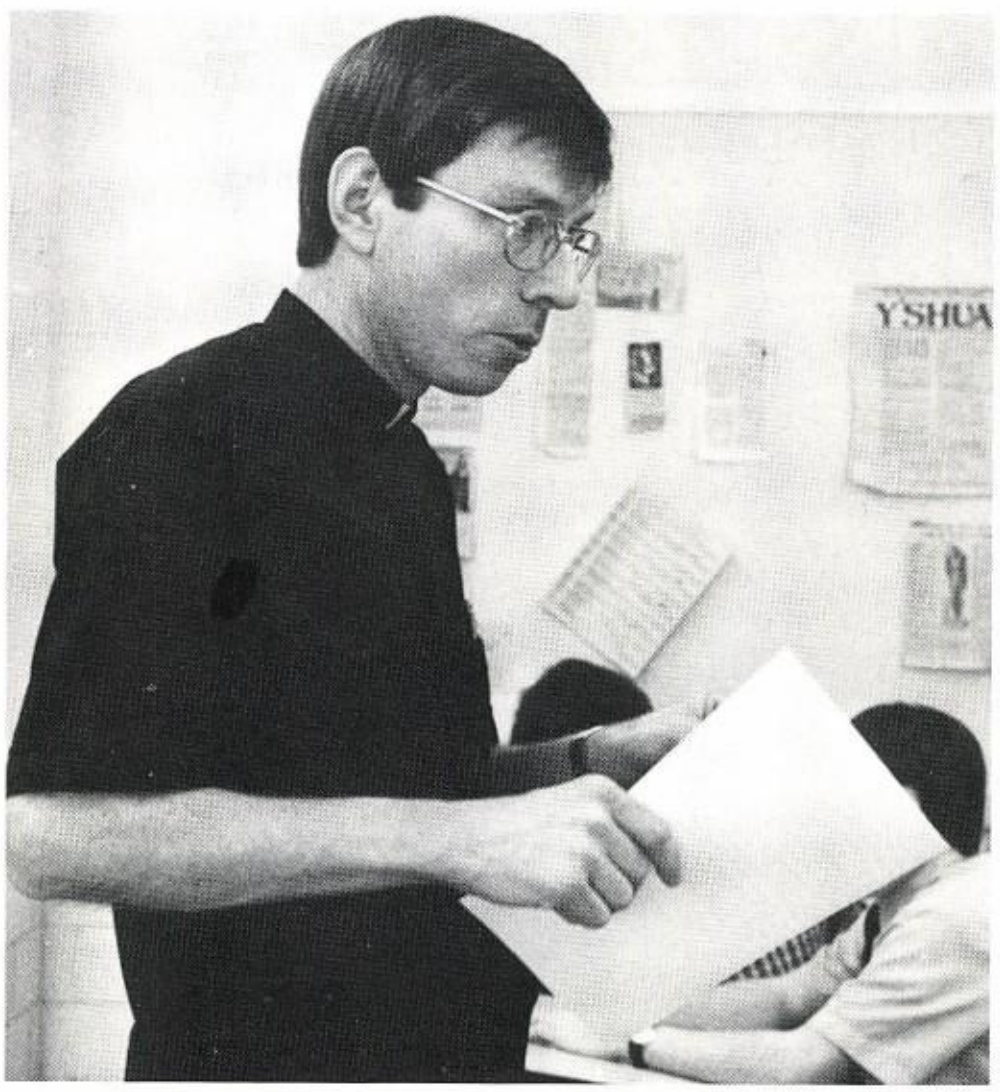






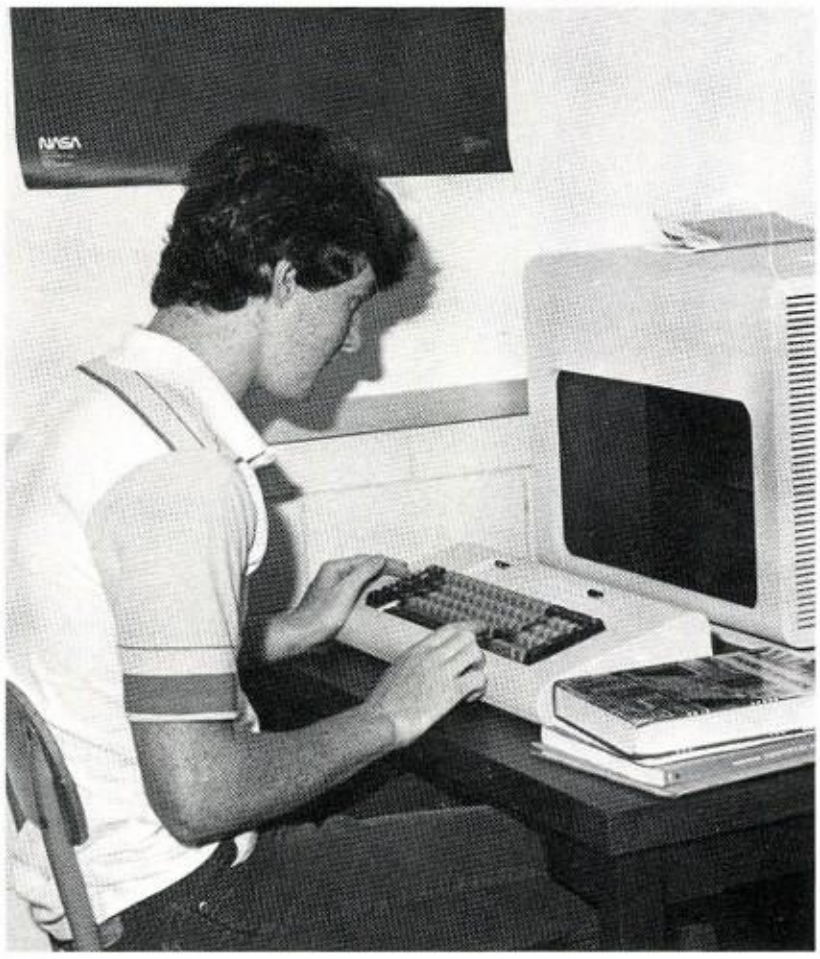
Top Left: Mr. Quinn explains "thousands" of aspects from the New Testament. **Top Right:** Mr. Scott points out the various details of the Jewish Passover. **Bottom Left:** Mr. Barnum continues a heated debate on premarital sex. **Bottom Right:** Br. Mahoney explains the five proofs of St. Thomas Aquinas.

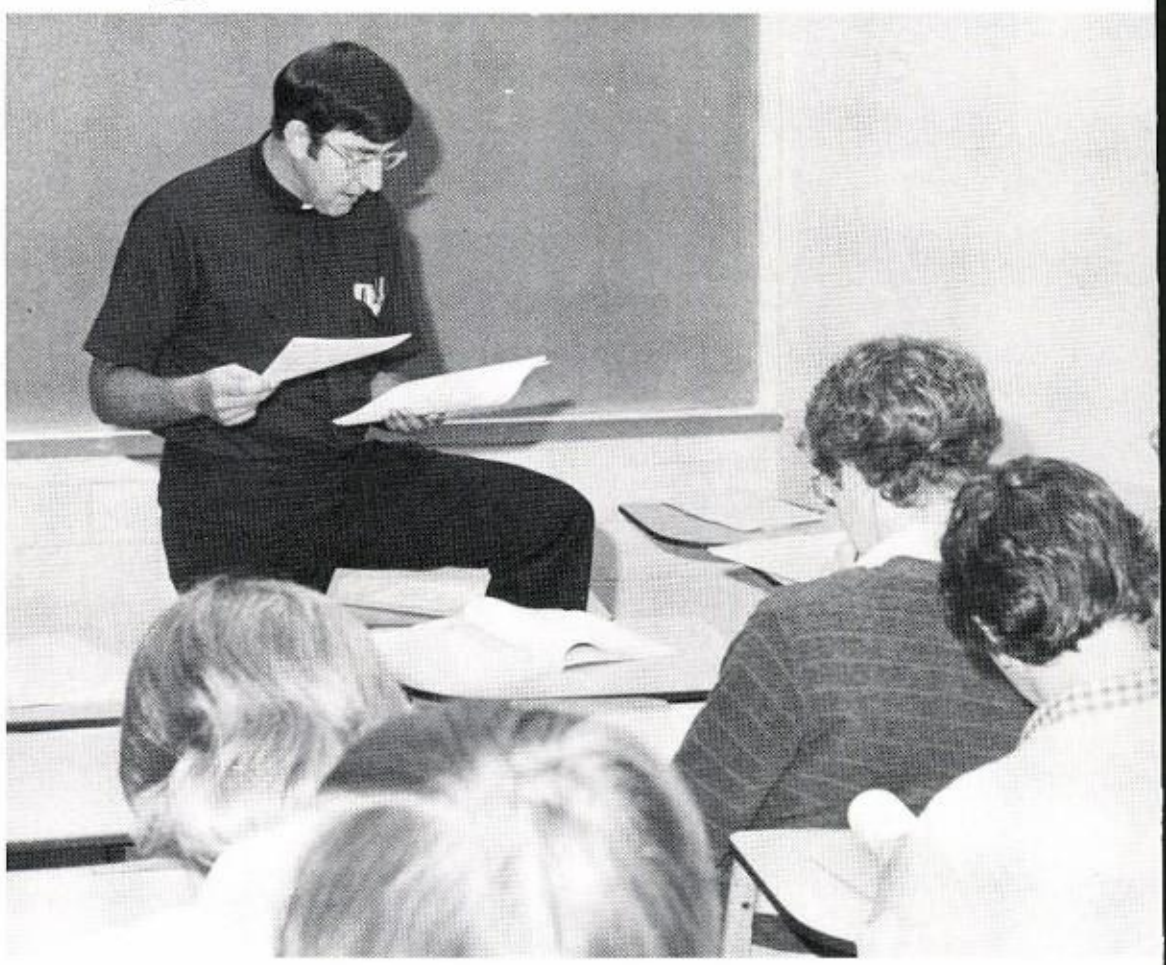


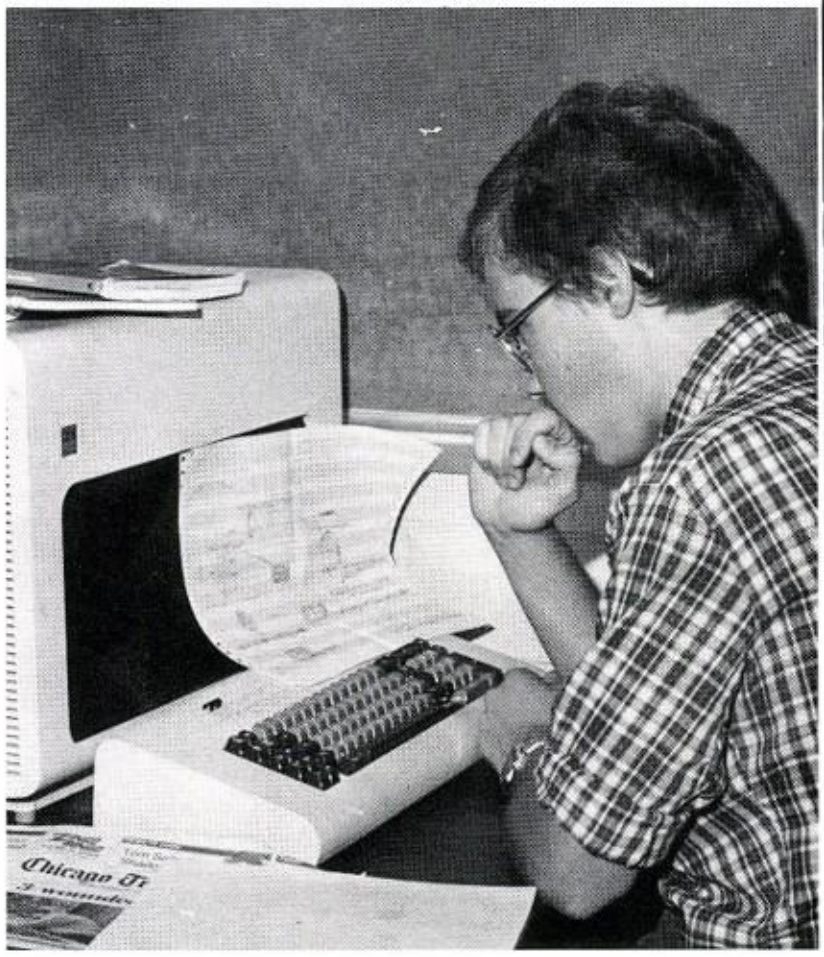


(Opposite page) **Top Left:** Mr. Hines begins his Freshman religion class with a brief meditation. **Top Right:** Br. McKenna displays his religious zeal in collecting missions. **Bottom:** Br. Hale explains the different dogmas of the Church.

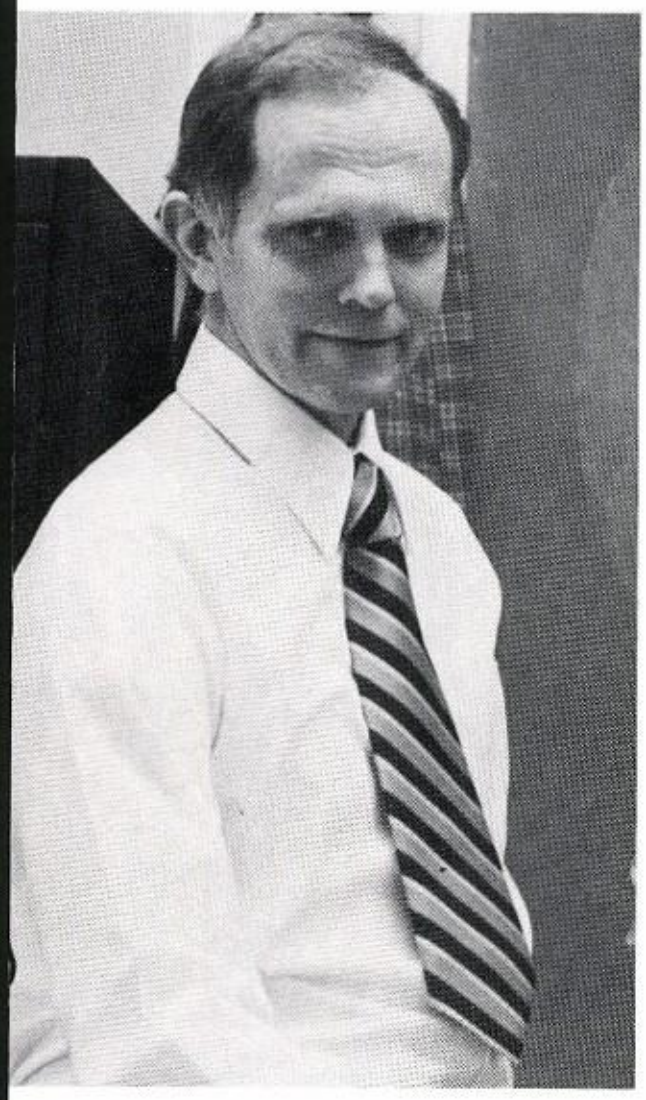
Programming the Future

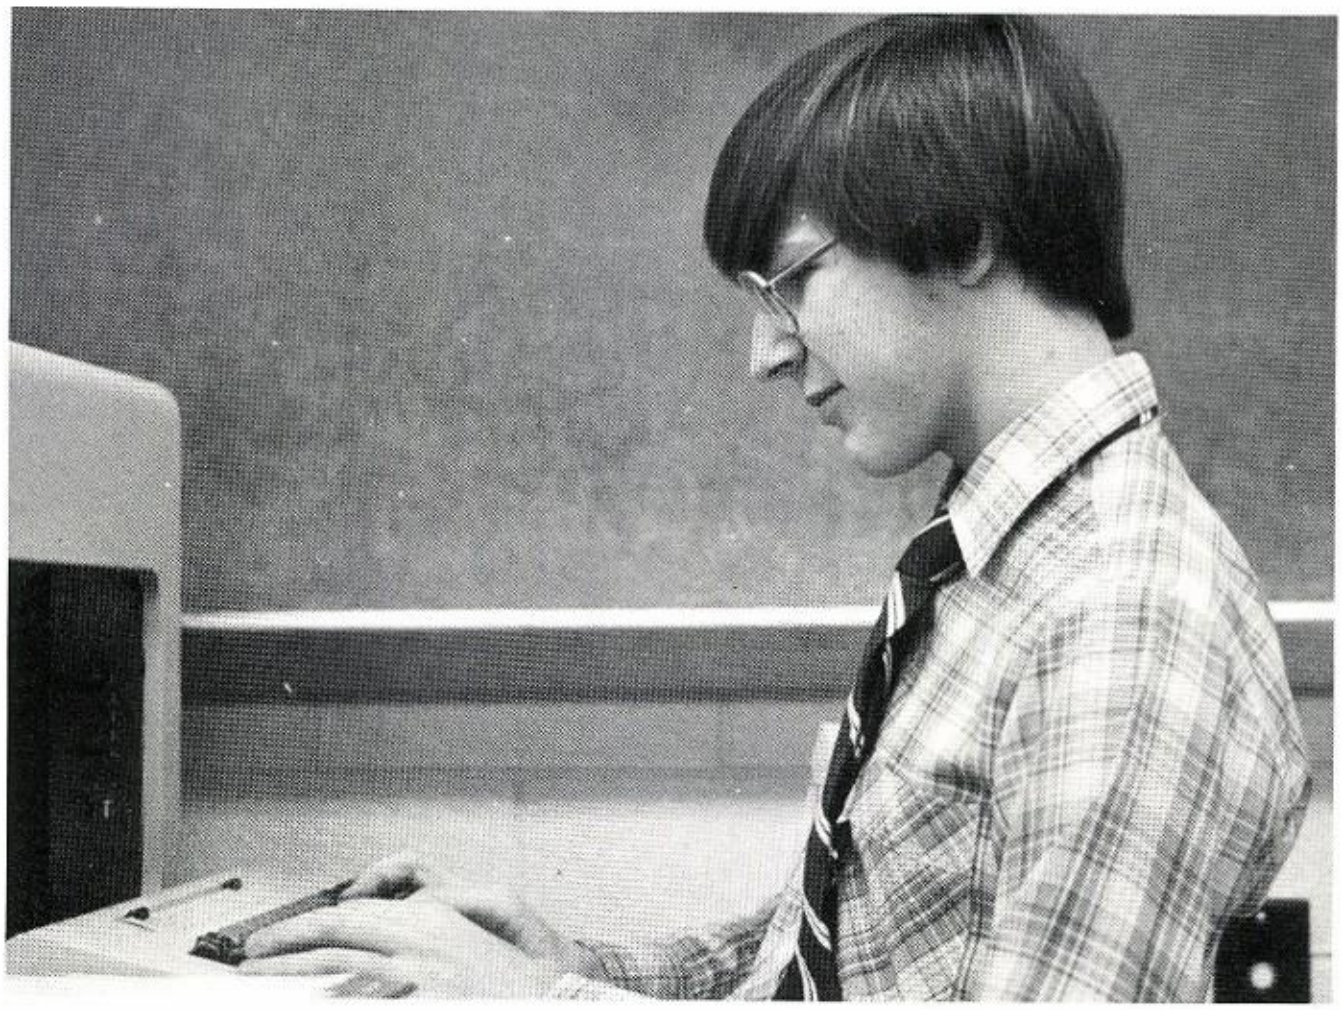


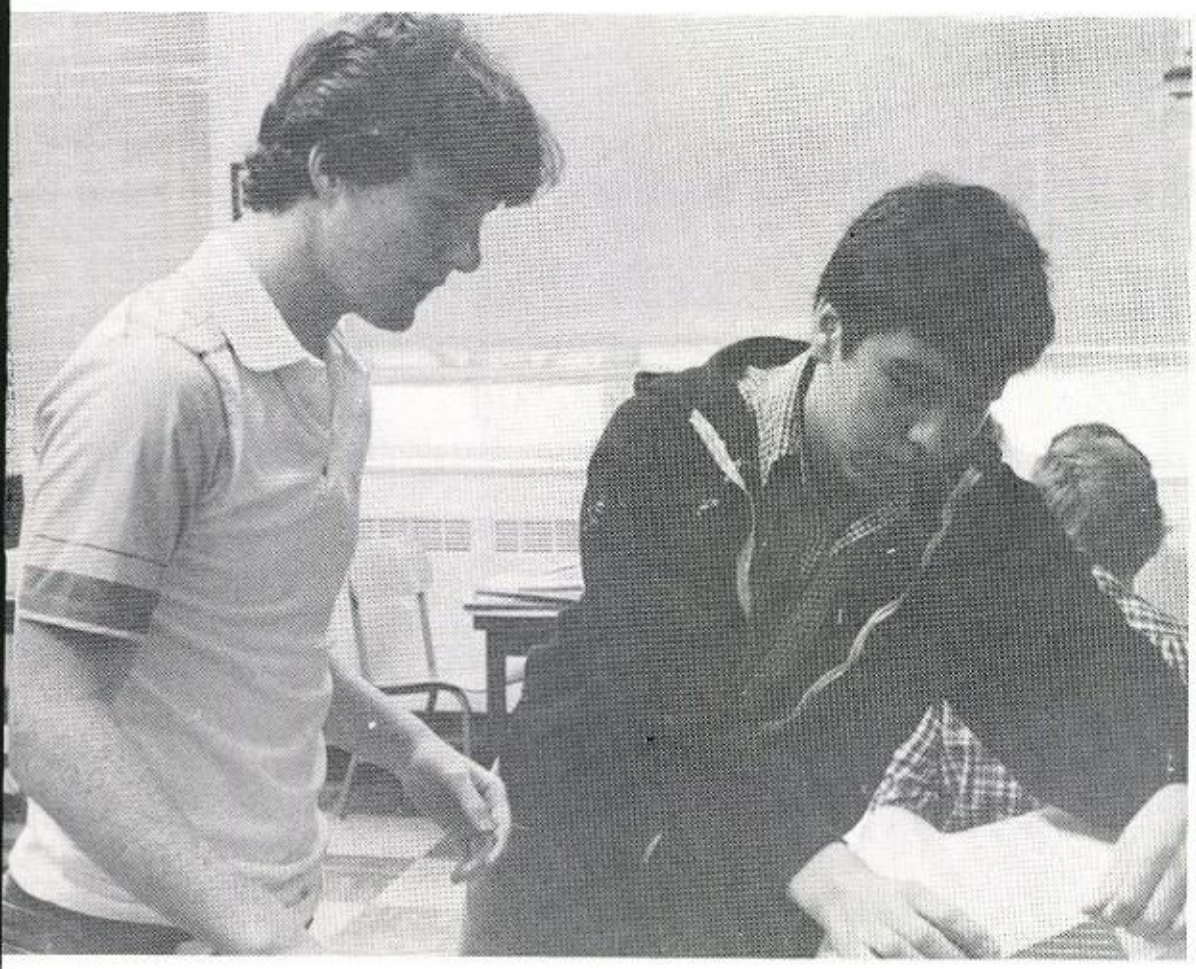




Top Left: Student Tom Fuller works on the computer during another day at work. **Top Right:** Brother Verre talks to his students. **Bottom Left:** Mr. Fowler looks on at student Mike Cwiertniak. **Bottom Right:** Tom McNicolus consults his computer printout.



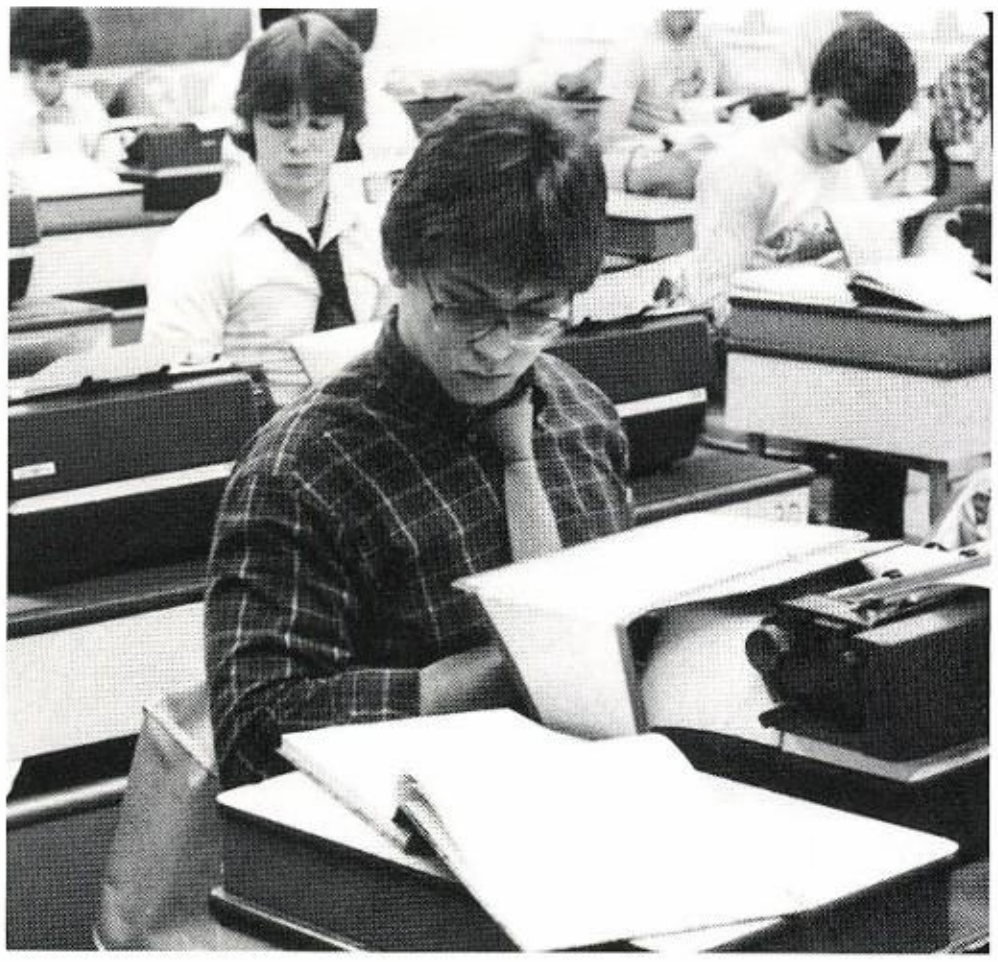




The computer program was greatly expanded when Juniors and Seniors were allowed to take an introductory course dealing with the basic program. These students were required to develop various programs ranging from major league baseball averages to several math concepts. These future computer scientists placed tedious hours punching keys and praying for the correct program.

Br. Verre and Mr. Fowler had the fortunate task of teaching computer science. As in previous years, huge sums of money were invested into the computer department. For the first time, report cards came directly from our own computers. The Jog-a-Thon was also performed by St. Laurence computers. In these ways, the computer investment is beginning to reap its benefits.

Top Left: Joe Fuller receives his print out from Mike Jasso. **Top Right:** Albert Dul types data on-to the computer terminal. **Bottom Left:** Mr. Fowler poses in one of his computer classes.



Business As Usual

This year a variety of electives were offered by the business department. These classes ranged from Accounting, Bookkeeping and Economics to Business Law and Typing.

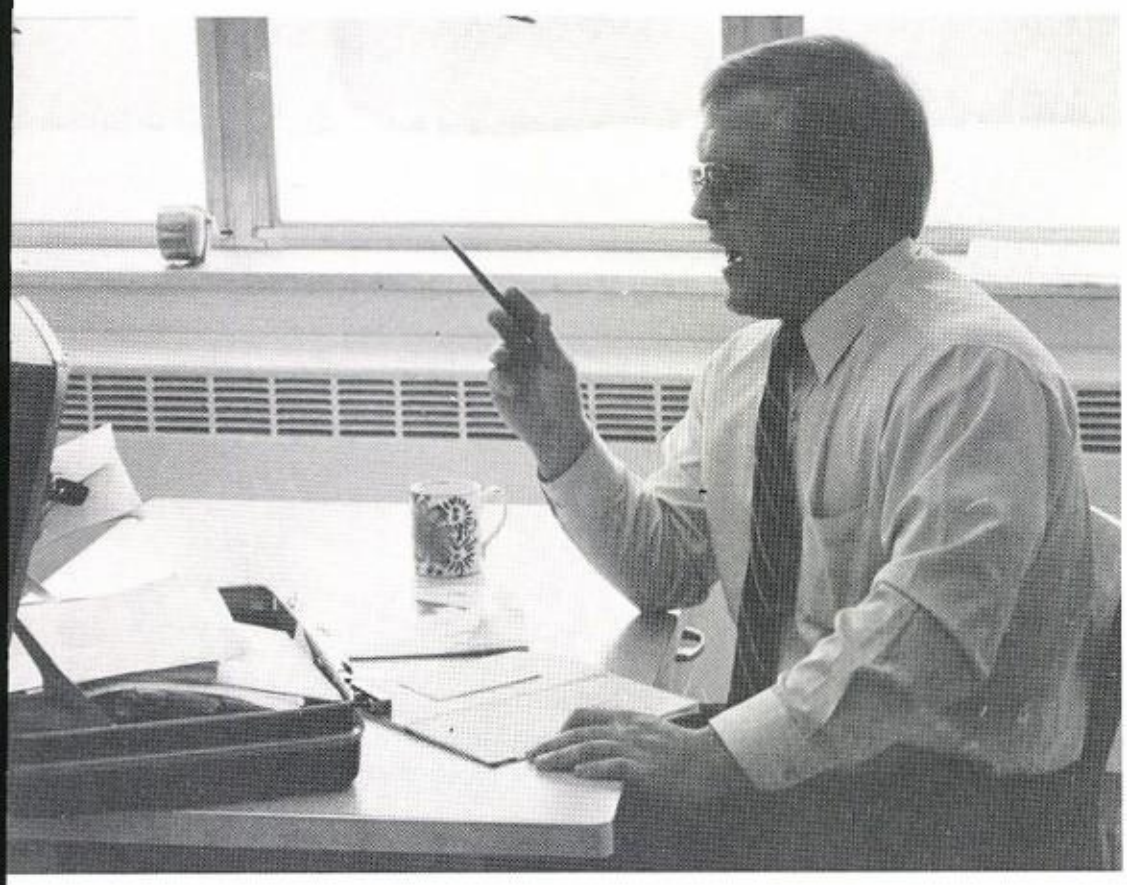
Students in the accounting classes learned the fundamentals of accounting. The class was devised to introduce Juniors and Seniors to the basics of accounting and to prepare students for college courses.

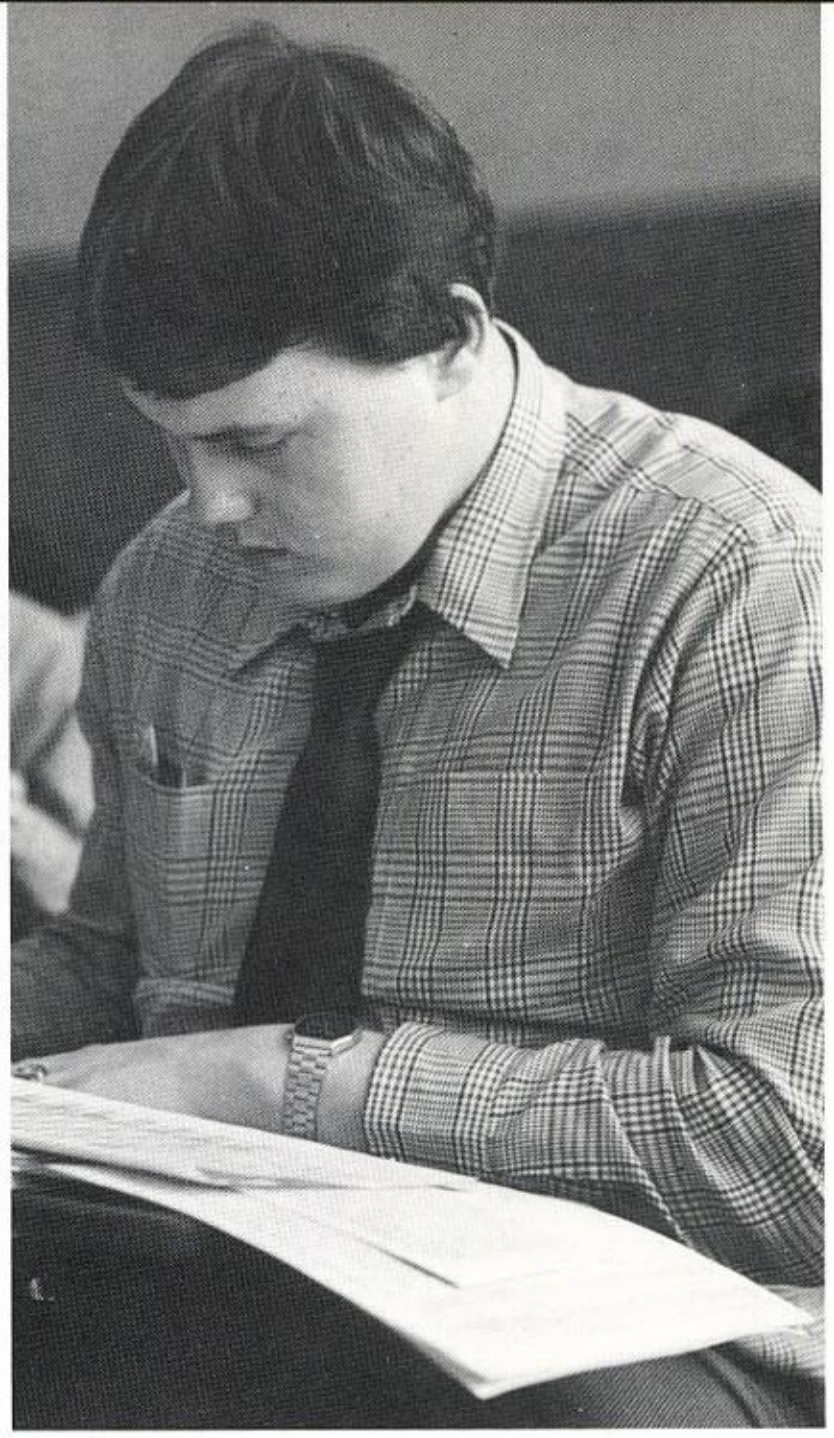
In the business law courses, students were introduced to various speakers who explained the different aspects of business to them. The students were then allowed to evaluate the contents of the speech.

In the economics classes, students studies the fluctuating economy. The Keynesian theory and Reaganomics were among the topics evaluated.

Top Left: John Mikrut learns the basics of typing. **Top Right:** Mr. Prestinario sits back and relaxes during class. **Bottom Right:** Mr. Cooper checks on Tim Bialek's progress.

Left: Mr. Delach gives the grades from erday's tests. **Top Right:** John Kandich pletes his accounting assignment. **Bottom Left:** Mr. O'Neill watches students finish their tests. **Bottom Right:** Mr. Kurzawski watches students work on a typing exercise.





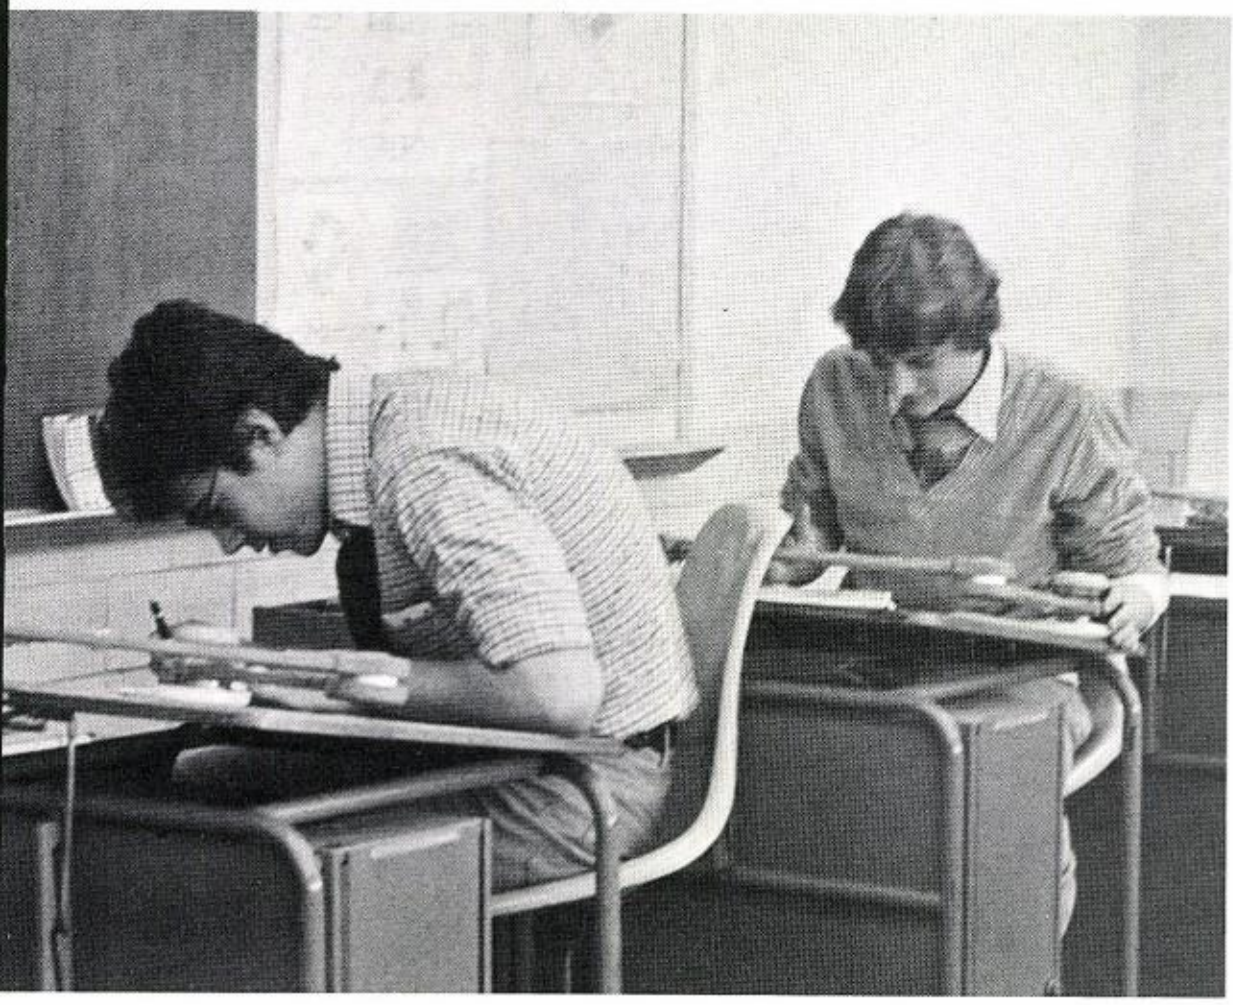
Practicing How To Become Harmonious

Band members were able to increase their talents through the study of Music Theory I and Music Theory II. Form, score reading and basic conducting were all taught by the band's director Mr. Leo Henning. By their studies in melody, tone and texture, students explored the classical music about them and tried to become more harmonious.

Music Theory I was offered to any Junior or Senior who wished to take it. Music Theory II was only open to Seniors who had already taken Music Theory I. The main objective of these course is to develop in students an understanding and technique for performing music in professional circles.

Top: Mr. Henning leads the band in concert before the Mothers club. **Middle Right:** The St. Laurence Marching Gold 100 perform for incoming hopefuls at the open house. **Bottom Right:** Mr. Henning directs his students during a long, tedious practise. **Bottom Left** Br. May, Band Moderator, supervises a practise with the help o two flag girls.

Drawing Technicalities of Life

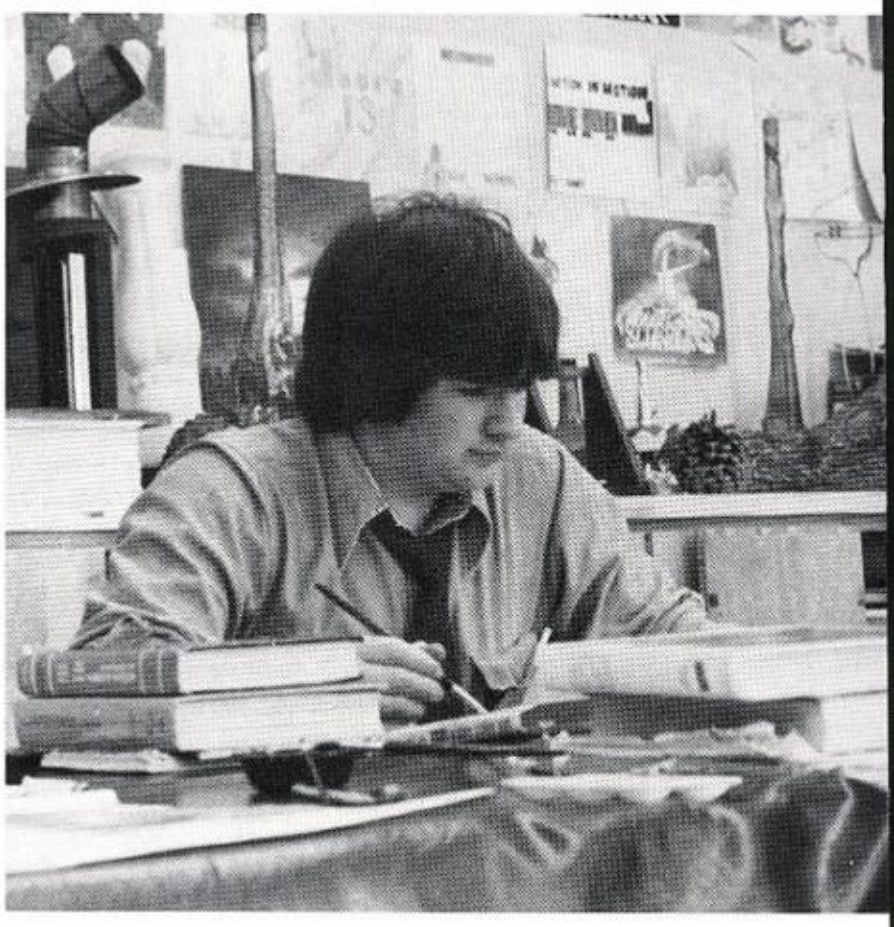


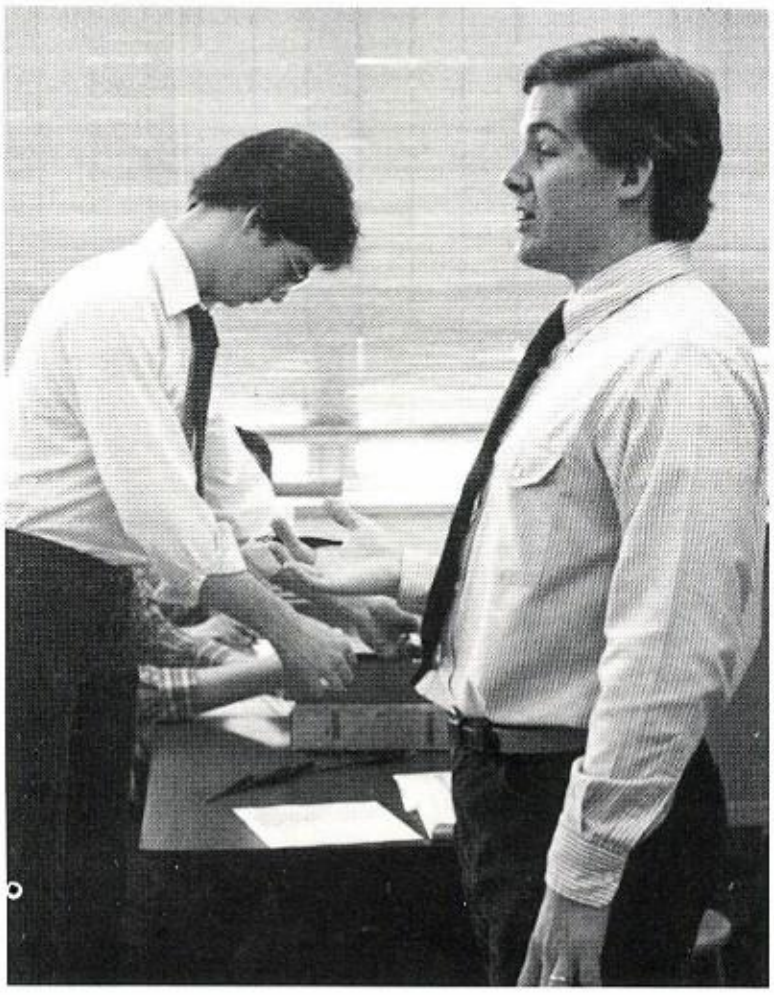
Taught by Mr. Engler, the St. Laurence Drafting Department again gave students an insight into the technical world. Drafting was open to any Junior or Senior who wished to take the course. Students learned how to blueprint their own dreamhouse, form geometric construction, and the knowledge of the use of various instruments. Many nuts and bolts were projected into drafting techniques.

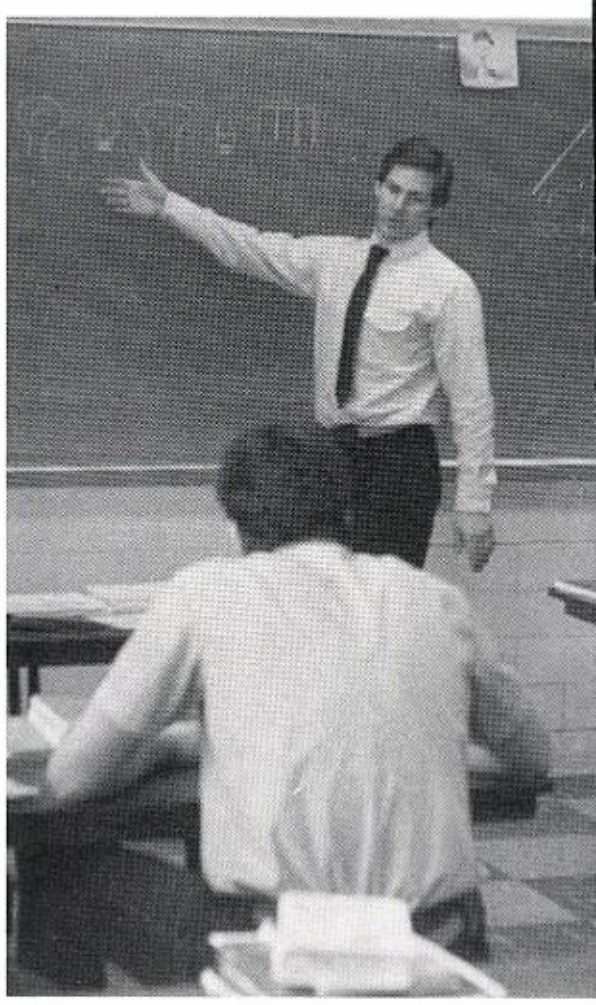
Many Seniors who wished to progress in drafting were allowed to continue their studies in Advanced Technical Drawing. In this course, the concepts first developed in preparatory Drafting are advanced. Students also qualified in state-wide competition.

Top Left: Mr. Engler starts to grade drafting assignments handed in. **Top Right:** Tom Hodur works on a new assignment. **Bottom Left:** Dave Bernard and another student diligently finish a drafting project.

The World of Art







Top Left: Mr. Smerz looks on at students watercolor exercise. **Top Right:** Don Barnes continues to work on his exercise in Art II.

Art I is offered to any student at St. Laurence. In this course, the students are introduced to four major areas of art; drawing, design, print making, and crafts.

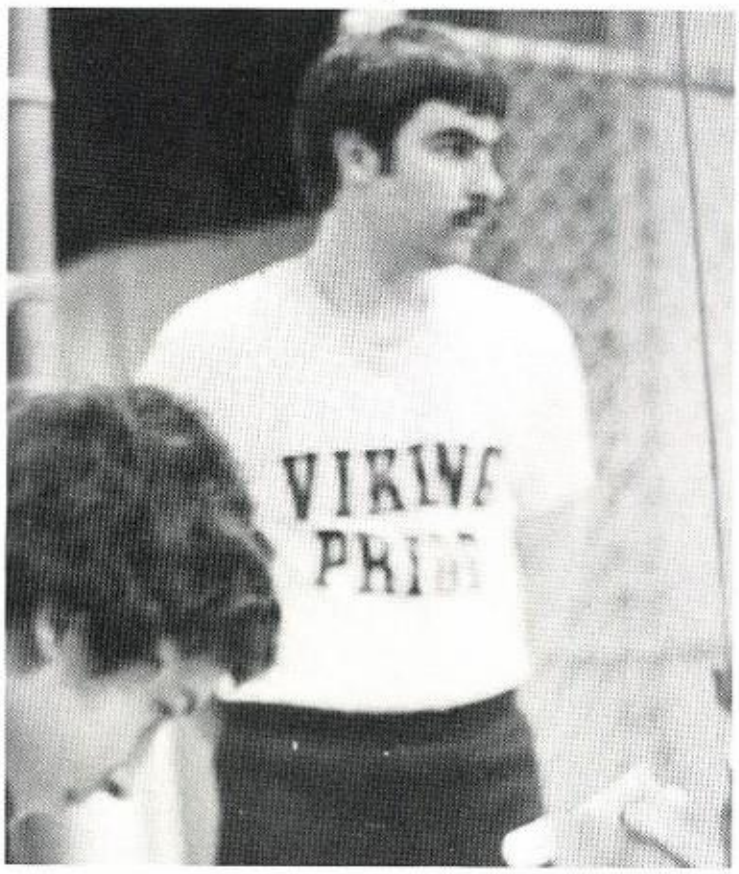
To the student, Art I is the most enjoyable course offered at St. Laurence.

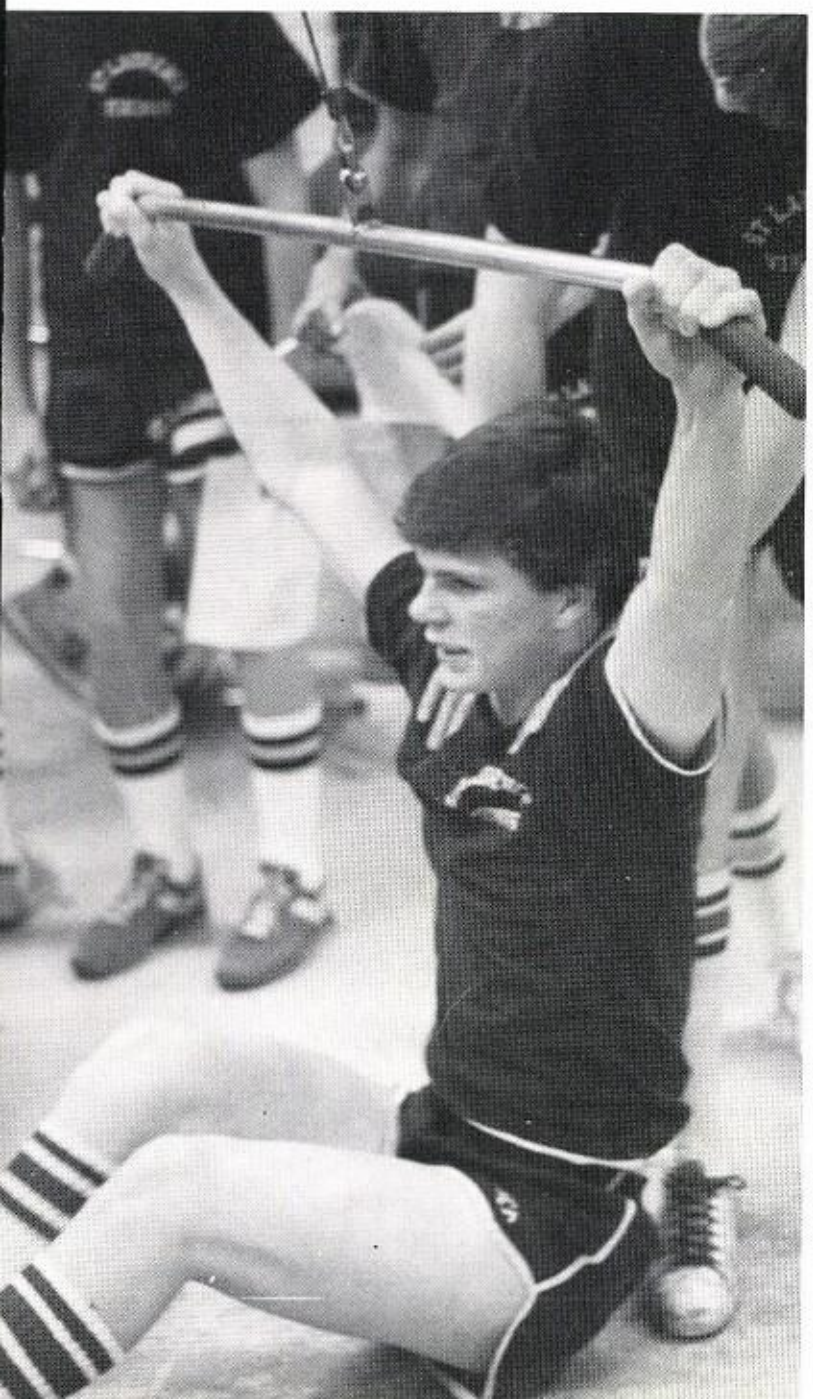
Art II broadens the knowledge presented in Art I. The class is offered to all students who have completed Art I. Drawing and painting are stressed in this course. Drawing is done in a number of mediums including ink, pencil, and charcoal. Paintings are created in water colors. In Art II, the pupils expand their abilities and begin to make legitimate works of art.

The three art instructors at St. Laurence are Mr. Smerz, who is chairman of the department and who specializes in painting and oil painting. Mr. Scott also teaches art, revealing the secrets of commercial art. Mr. Martinez, a St. Laurence graduate and former art student, has returned to teach the fundamental course in art.

Bottom Left: Mr. Martinez answers some ques tions from his Art I students. **Bottom Right:** Mr Martinez explains the many types of calligraph tips.

Top Left: Mr. Pawelski surveys his gym class before playing basketball. **Top Middle:** As students work vigorously in the weight room, Mr. DeCarlo checks to see if everyone is working hard. **Top Right:** Mr. Delach extols Jim Adams on his final lap. **Bottom left:** Tom Blaney works hard in the weight room. **Bottom Right:** Running is a vital part of the physical ed. program.





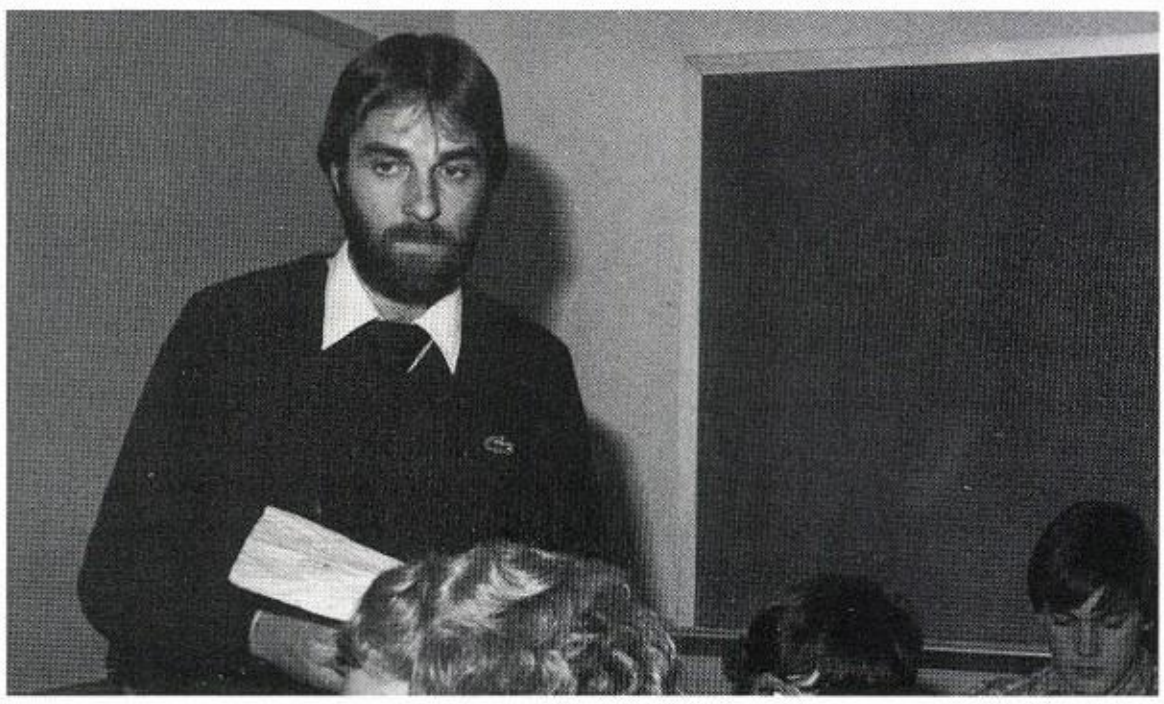
Staying in Shape

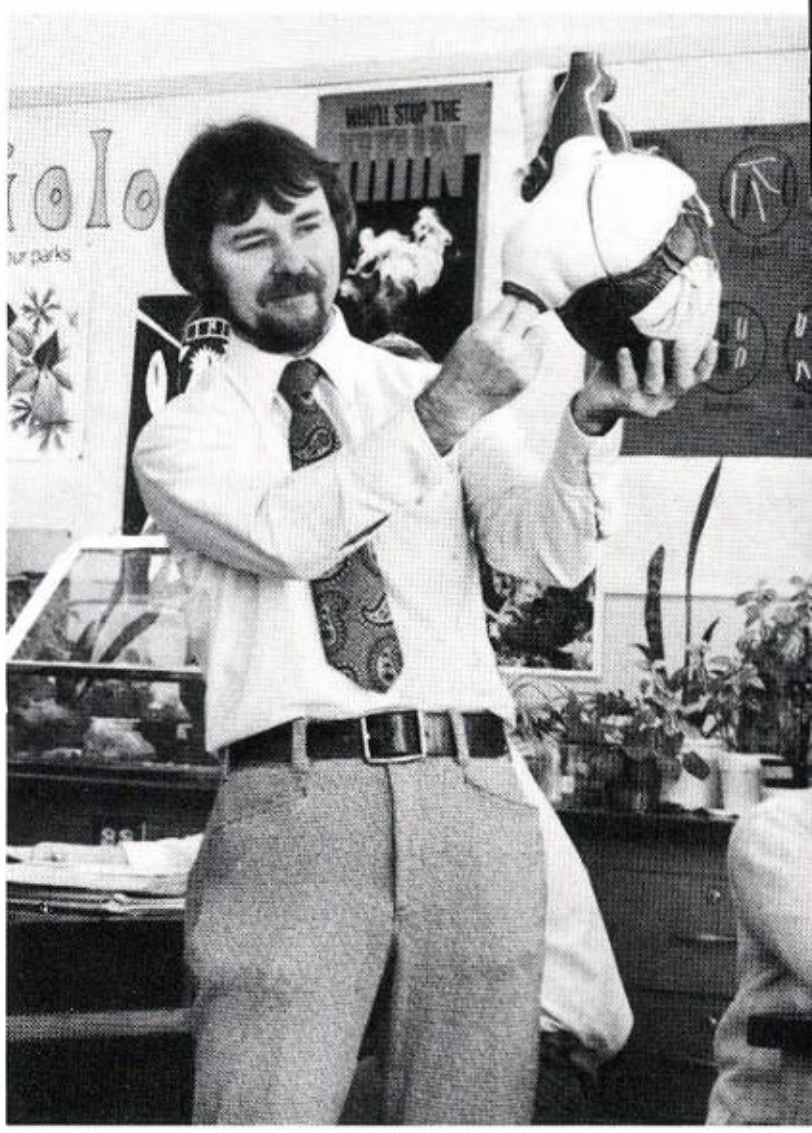
The physical man is also exemplified in the St. Laurence education. Students are required to take at least one year of gym, usually in their freshman year. By taking gym, many students are able to take ad vantage of the use of the weight rooms, gym, and track. Softball, football, basketball, and running all surround the physical education environment and help build the total character of the St. Laurence Viking.

Diagnosing The Living

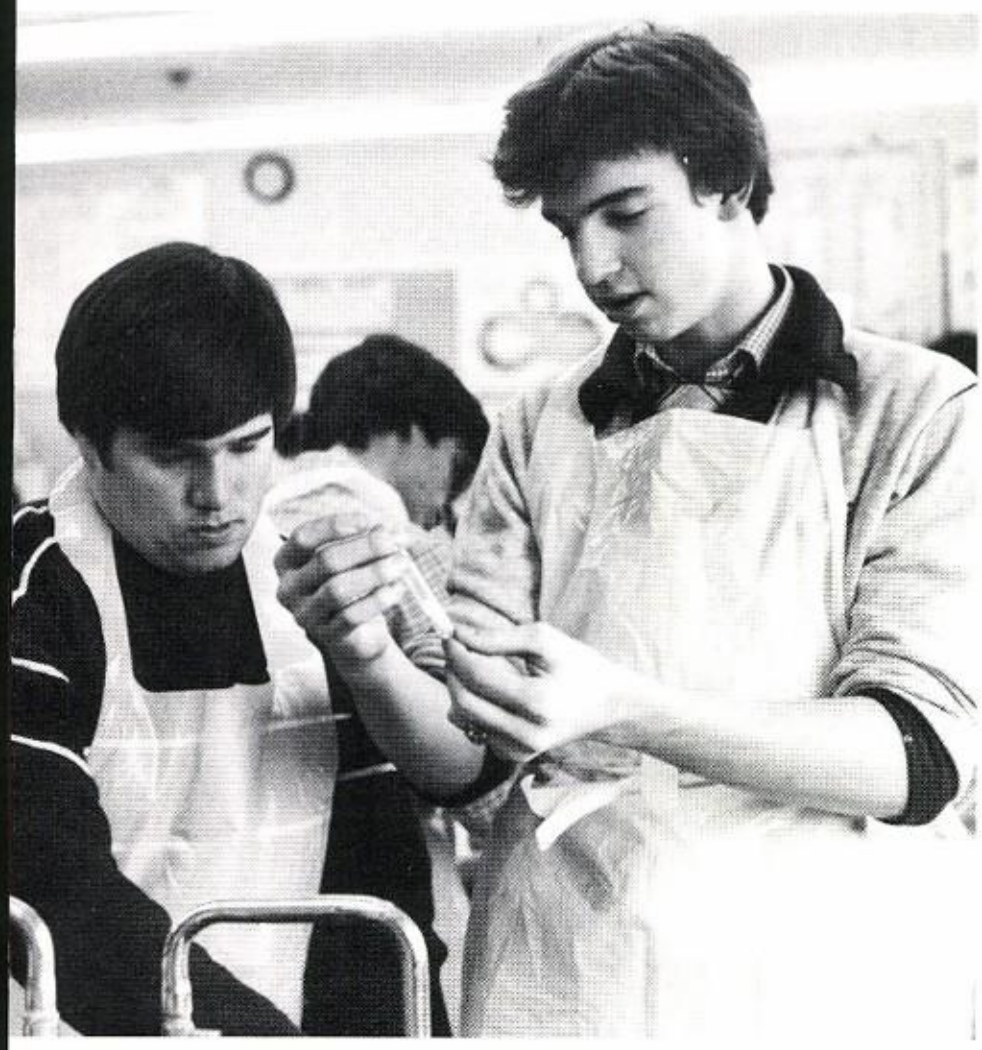
Biology is the only compulsory science at St. Laurence. In this course, students learn about the living organisms in their environment. Unicellular organisms to the complex anatomy of the human are discussed. Students learn about DNA reproduction, the cell structure, the ecological web and the various body systems. Along with the lectures, students perform various dissections from a simple earthworm to the highlight of the year, the fetal pig. Some Honors Freshman Students were also allowed to take Biology this year.

In addition to Biology, Human Physiology was also taught this year. This course focused entirely upon the human anatomy. In this way, students study the respiratory system, digestive system, and nervous system in depth, as it applies to the human body.





Top Left: Gary Peplinski and Rus Mariano view the exterior of their frog before dissection. **Top Right:** As an extra to biology, Mr. Langlotz shows his students which way to the beach. **Middle Right:** Mr. Draski displays the concepts of the human heart to his class. **Bottom:** Mr. Kosiek prepares to collect his infamous animal paper.



Learning the Chemical Analysis

This year as in past years, Junior students were confronted with the intriguing realm of Chemistry. The course was taught solely by Br. Mooney who had the difficult task of instructing both honors and A track courses.

The concept of the atom and quantum mechanics filled the chemistry atmosphere. Students performed various labs analyzing solutions, finding molecular weights and learning how to use a bunson burner. Junior chemists left this classroom with a slight knowledge of the atomical world around them. Avogadro's principle, Le Chatelier's principle, moles, atomic weights, compounds and Van Der Wall's forces will forever dance in these fortunate students' heads.

Interpreting Motion

Seniors who wish to continue a science are able to take physics. In this course, students evaluate motion, Neutonian Mechanics, and various other topics. These students discover how and why ships float, refrigerators work, and the fundamentals through which motion occurs. By performing various labs, students learn directly from first hand knowledge.

Br. Lucas and Br. Hayes have the joyful duty of teaching Physics. Through their explanations, diagrams, and experiments, students learn more about the physical world around them.

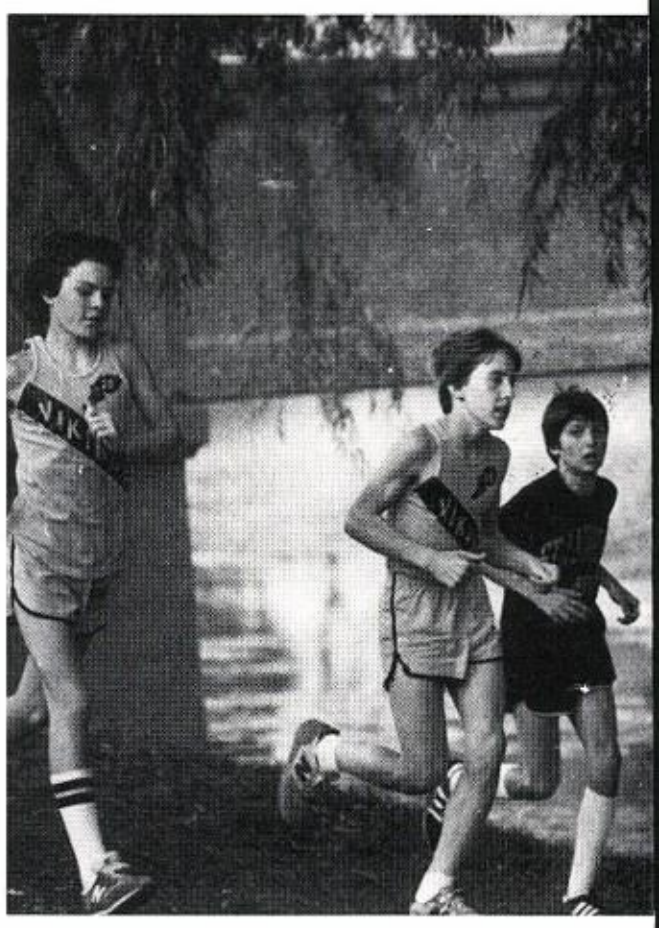
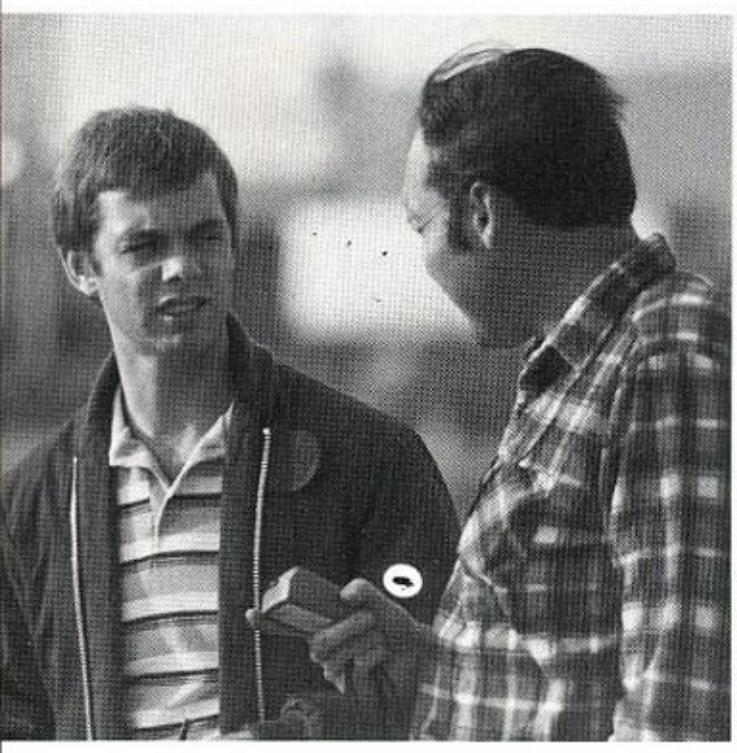
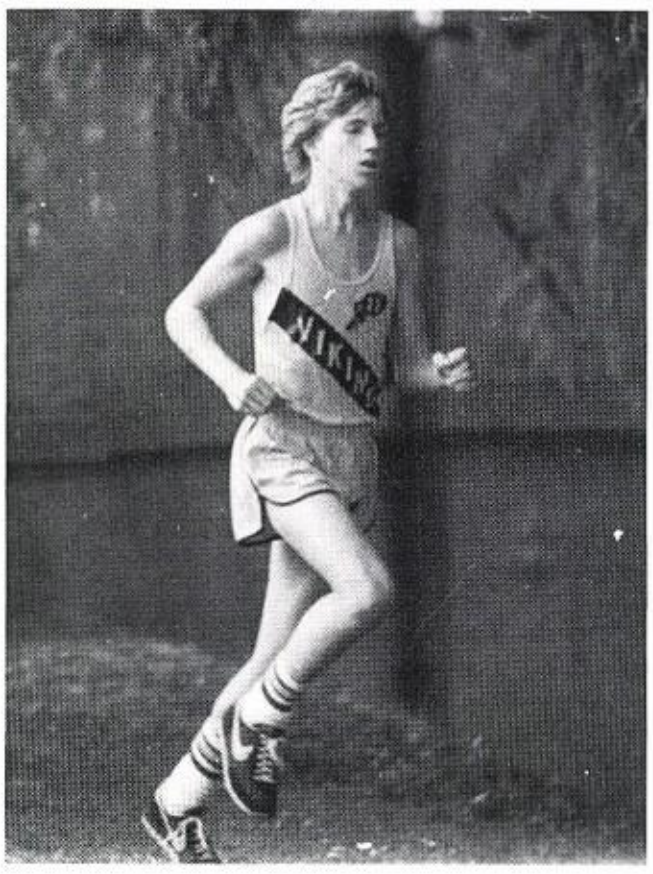
Athletics

Frosh Get Off on a Good Foot







The coaches of the 1982 Freshman Cross Country team were Brother Lucas and Brother Hayes, who feel that they coached one of the most successful seasons in the school's history. The team finished the season with a 9-1 dual meet record. The team did well in the following invitationals: Gordon Tech, 4th; Argo, 4th; Oak Park, 4th; and St. Ignatius, 4th. At the Catholic League Championships the team ran a good race and finished an admirable 4th.

Members of the team were: John Ambrose, John Boyle, Jim Burdelic, Kevin Cavanaugh, Andy Figus, Tino Gonzalez, Brian Hickey, Steve Hollenback, Bill Lenz, Rob Moore, Pat Morrissey, Dan O'Brien, and Mike Seguin.

Middle Right: With undying determination, Dan Davis takes on a hill. **Bottom:** Pat Morrissey warms up.

The Varsity Cross Country team had a very successful 1982 season. Lead by co-captains James Moran and James Roach, the team advanced to the sectional meet for the seventh year in a row. The team, which was coached by Mr. Murphy, compiled a winning record of 10-2. The team's invitational record was: LaGrange, 8th; Gordon Tech, 4th; Argo, 7th; Oak Park 5th; and Crete-Monee, 26th.

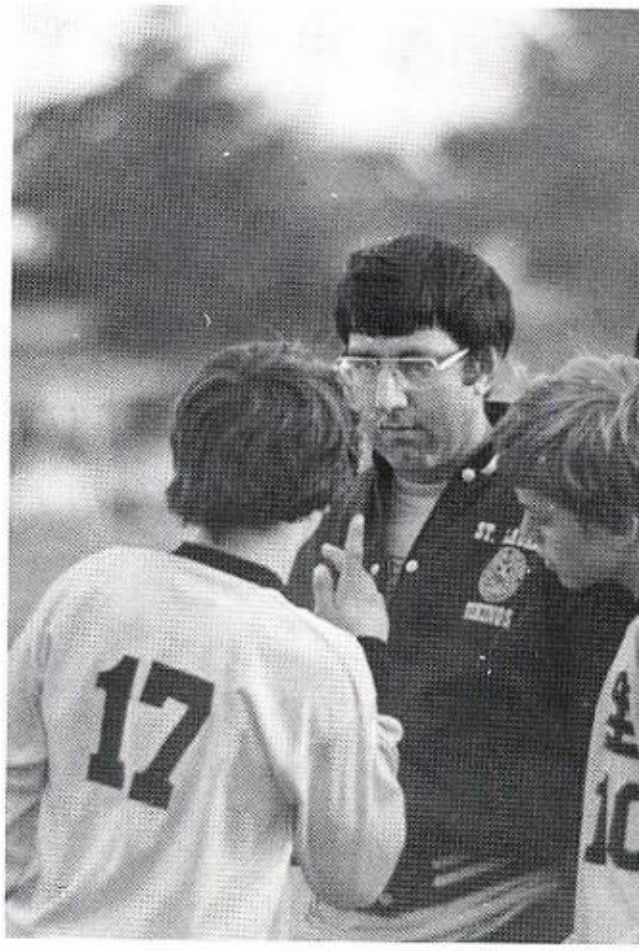
Until the last three weeks of the season, the team was inconsistent in its top seven runners. With only two weeks left before Catholic League, the team's number one runner was spiked and possibly out for the rest of the season.

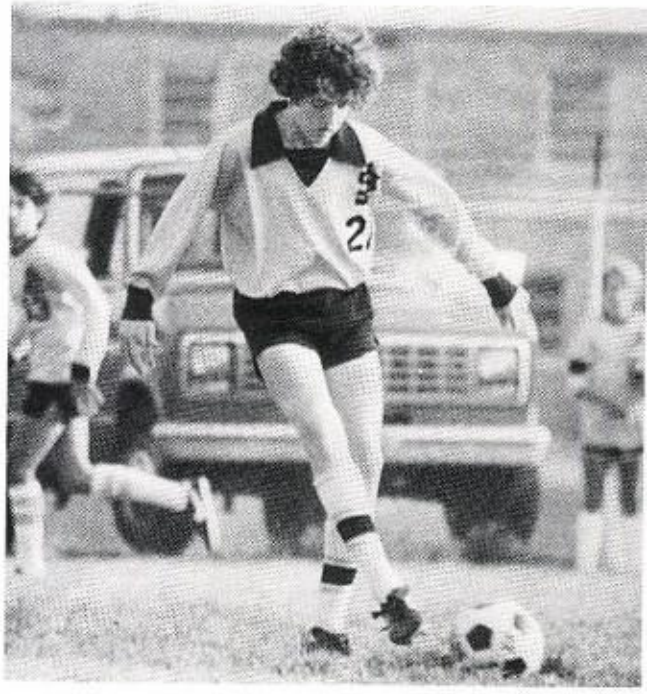
When the week of Catholic League finally came around, the team pulled itself with the help of sophomores Mike Manning and Mike Markham. The team took 4th in Catholic League behind state power houses St. Ignatius, Gordon Tech, and Loyola. A week later at Districts, the team made its best showing ever, taking second, which qualified them to advance to the Sectional meet. At Sectionals, the team took 8th, which, unfortunately, wasn't good enough to advance to State. However, Pat Tierney finished 8th overall, which sent him to the State meet where he took 47th place. Pat was the first runner in St. Laurence history to go down state.

Once again, Chris O'Donnell broke the school record at Bull Frog Lake, with a time of 15:42, breaking his own record which he had set one year earlier as a sophomore.

The future looks bright for Cross Country, with 5 of the top 7 runners returning for the 1983 season. The 1983 team will be led by tri-captains Bill Collins, Chris O'Donnell, and Pat Tierney.

Just for Kicks





The Freshman Soccer Team had a highly competitive 1982 season, finishing their season with a record of 4-4-7. The team was coached by Br. Verre, and Freshman Soccer was a good experience for all who participated. All involved look forward to playing next year as Sophomores.

The Sophomore Soccer team finished an average year with a record of 8-6-5. The team was coached by Mr. O'Leary, who has been coaching for 7 years. Coach O'Leary thought the sophomores had played well, and were very spirited. He said that they could have won all of their games if they would have shown more aggressiveness, but that will come with experience. Coach O'Leary also added that the Sophomores under Coach Kearney will be one of the best teams St. Laurence has ever had.

The Varsity Soccer team had a tough season, finishing 6th in conference with a record of 4-15-1. The team was coached by Mr. Kearney who commented, "The team played well, but due to inexperience and a lack of a consistent goal scorer, ran into difficulties."

The team, which was lead by co-captains S. Dunmore, C. Jeske, and S. Zizzo, did have some outstanding players. Jeske, Dummore, and McNamara, who was only a Junior, were named All Catholic, and Honorable Mention went to Sadecki and Zizzo. On the team itself, Jeske was the M.V.P. and Galzier received the Most Improved Award.

Coach Kearney is optimistic about the 1983 season. The team will be largely comprised of returning Juniors, and some outstanding Sophomores will be coming up.

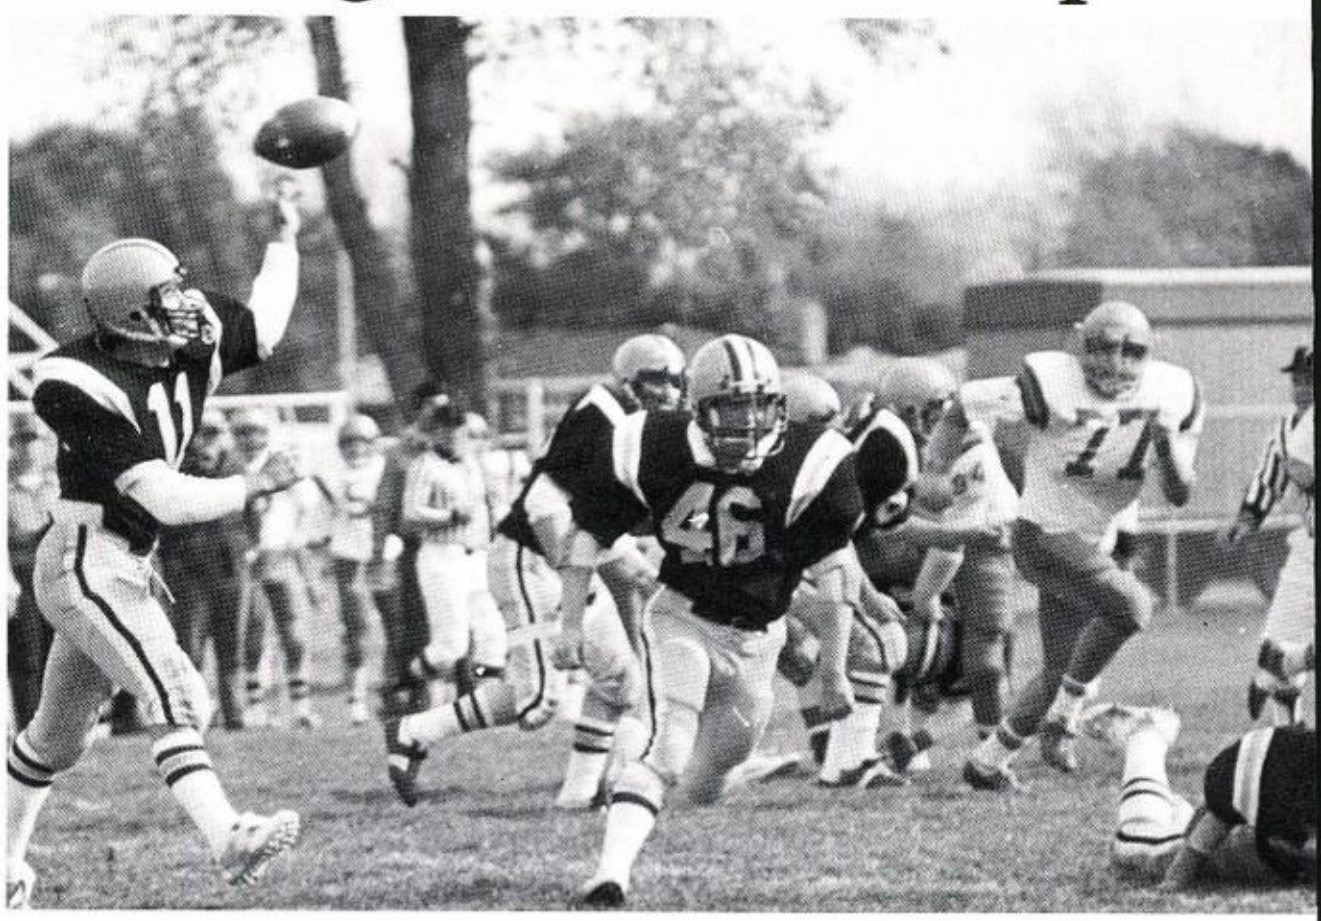
Catholic League Co-Champions



The Varsity Football team brought home the Catholic League title for the first time in three years. The Vikings had a league record of 4-1. This tied them with De La Salle and St. Rita. The squad netted a total record of 6-4.

Beginning the year at Joliet Catholic, the Vikes were within a minute of defeating the state's top ranked team. This heartbreaking loss was put aside the next week as the Vikes destroyed Carver. The following week, the Vikes met arch-rival Mt. Carmel. The Vikings led through the whole game, only to lose in the final quarter as a field goal attempt was wide. The team fought back from their second tough loss, to beat a tough Br. Rice team. The game showed the Vikes what they really could do in the League.

Entering League play with a 2-2 record, they defeated St. Francis, De La Salle, Mendel, and, in a big Homecoming win, Leo. With a 4-0 League record, the Vikes faced rival St. Rita in the final game, where the winner would advance to the state playoffs. After grabbing an early lead, the Vikes were suppressed and defeated 21-7.

The Vikes were headed for the city playoffs, where they would face Weber. On a cold November day, the Vikes lost a hotly contested game in Soldier Field.

A high note of the season was quarterback Dave Payton being named the Tony Lawless award winner, recognizing him as the outstanding player in the Catholic League. Dave and Guard Scott Wulff were named to the All-State team.

The Freshman Football team had an exceptional season, finishing with a record of 3-5-0. The team was coached by Mr. Kocher, Mr. Trombetta, and Mr. Dalkowski, who did an excellent job of helping the players adjust to football on a high school level. The captains of the team were Dowling, Pearson, and Glonek, who were hard working and served as role models for the rest of the team. All involved in Freshman Football look forward to playing next year as Sophomores.

The 1982 Sophomore Football season didn't get off to a good start. The season began with defeats from Joliet Catholic, Carver, Mount Carmel, Brother Rice and Saint Francis. After these defeats, the team came back and defeated De LaSalle, Mendel and Julian. Unfortunately, the last game of the season resulted in a loss to St. Rita, giving the team a season record of 3-6.

The Sophomore Football team was coached by Mr. Pawelski, Mr. Martinez, and Mr. Riccorenstino. These coaches taught the players not to quit, and to keep on working until their goals were achieved.

The most valuable players on the team were Kevin Brice, Ed Handley and Ken Olsted. These players were considered the most valuable players because they worked hard and became team leaders. This will be a great asset when they become Varsity Football players.

The depth of the 1983 team enabled it to finish fourth out of eighteen other schools This was the team's best showing in the State Districts in five years. Coach Drask believed that the improved showing was due to the continuous effort and enthusiasm displayed by the team. They had worked hard in the weight room and on the courts, and for the first time, it paid off.

The Varsity Golf Team had one of the most exciting and successful seasons in St. Laurence history. Before entering post-season play, the team finished its official season with a winning record of 8-2.

At the Chicago Catholic League Championship on Sept. 30, the Viking golfers fought long and hard, and took second place with a record-breaking score of 298, only 6 strokes behind first place Loyola. Special mention and a congratulations go to senior Ed Labuda. Ed turned in a score of 71, the third best score ever attained by a Catholic League golfer, thus making him the first St. Laurence golfer to be recognized as a league medalist.

On Oct. 7, the IHSA Regionals took place on Cog Hill #1. Here the Vikings took second place with a score of 314. One of the most exciting events in the season was the IHSA Sectionals on Oct. 12 at Deer Creek. Here the Viking golfers took first place with a score of 331. Finally, at the IHSA State Competition on Oct. 14-15, the Vikings took a respectable 14th place with a score of 653. Special honors go to Marc Caifano, who took 3rd in Regionals, and Fred Formas who finished 6th in the Regionals and was Sectional champion.

The Frosh-Soph. team had a good season with a record of 2-5. At the Catholic League Championship the team took fifth, and all members look forward to next year.

Sectional Champs; 5 Advance to State

The 1982-1983 Varsity Wrestling Team was doubtlessly the best wrestling team in St. Laurence history. The team was coached by Mr. Trombetta, who, for the fourth year in a row, received the Tony Lawless Award. The team finished its season with a record of 13-2-0, 8-0 in Catholic League. The wrestlers placed third in the Thornwood Invitational, second in the Lyons Invitational, and first in the Sycamore Invitational.

The Wrestling team, led by captains Tim Cocco and Keith Healy, won the Catholic League Championship for the fourth year in a row. The Vikes set many records that day — 11 Vikes advanced to the finals, and 8 took Catholic League titles. Among those taking first were 4 time Catholic League Champ Keith Healy, and 3 time Catholic League Champ Tim Cocco. The team also set a record for the most points ever totalled in the Catholic League tournament.

The next week, the wrestlers went to the Regional meet, where, for the second year in a row, the Vikes won the Regional Championship. Regional champs for St. Laurence were Joe Bochenski, Tom O'Brien, Keith Healy, Tim Cocco, and Brian Krasowski. Second place finishers were Ron Wojciechowski, Mike Flannery, and Tim Johnson.

The week after Regionals, the Vikes entered the Sectional meet as underdogs to State powerhouse Marist. The Sectional meet came down to the last match for St. Laurence, and when it was over, St. Laurence had defeated State Champion, Marist, and brought home the Sectional Championship. Also at this meet, 5 Vikes qualified for State. Seniors Keith Healy (126) and Tim Cocco (145) took first in Sectionals, qualifying them for State.

Junior Joe Bochenski (105), and Sophomores Tom O'Brien (112) and Brian Krasowski (185) took third in Sectionals, qualifying them for state. This was the fourth year in a row that Keith Healy qualified for state, and the third year Tim Cocco qualified.

At the State meet, Bochenski, O'Brien, and Krasowski were knocked out in early rounds of the meet, but Tim Cocco went on to take sixth, and Keith Healy took third. Overall, St. Laurence took 13th in State.

Tim Cocco and Keith Healy were named M.V.W.s, and were also named All State. Also, during the course of the year, Cocco and Healy both totalled over 100 victories for their high school wrestling careers, and Healy received the Tony Lawless Award.

The wrestlers look forward to their 1983-1984 season, with State qualifiers Joe Bochenski, Tom O'Brien, and Brian Krasowski returning to the team.

The 1983 Frosh.-Soph. Wrestling Team had an undefeated season, finishing 8-0 in Catholic League and 13-0 overall. The squad did well in the following tournaments: Bolingbrook Sophomore Tournament, 1st; Murphy Woods Tournament, 1st; St. Laurence Frosh./Soph. Tournament, 1st; and 1st in the Catholic League Tournament.

The team, which was coached by Mr. Pawelski, had many outstanding wrestlers. The success of the Frosh.-Soph. Wrestling Team will be an asset to the Varsity team in future years.

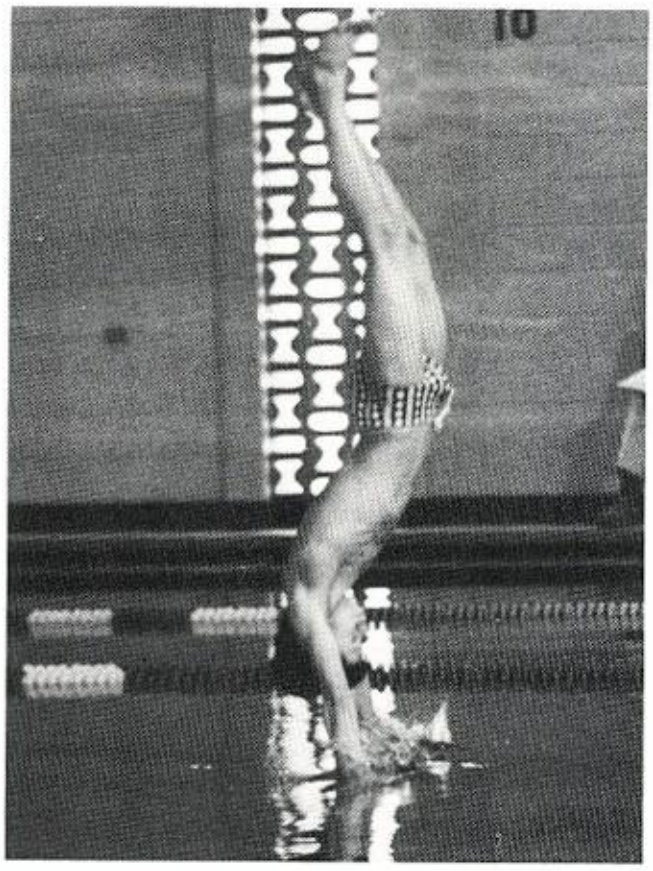
Swimmer Goes Down State



The St. Laurence Swim Team had a very successful season. For the first time in St. Laurence history, a Viking swimmer advanced to State competition. Senior Stan Widlacki competed down state and did well.

The team is optimistic about it's 1984 season. There are many talented Juniors, Sophomores, and Freshmen on the team, giving it depth.

The team finished its season with an overall record of 5-7. Coach Caliendo commented, "After a slow start, the team rallied and took 3rd in Sectionals."

The Frosh.-Soph. Team had a 7-3 record and anticipates a promising 1984 season.

The Varsity Basketball Team, coached by Mr. Prestinario, had a very competitive season, racking up a record of 12-13. The team worked hard and put forth great effort in both practice and games. The team played well on and off throughout the season. One of the highlights of the season was an exciting victory over Weber, who, at the time, was the number one team in the Catholic League. Also, the team proved several times throughout the season that they were no one to be looked down upon. Some examples of this were when they came close to defeating the top team in the Catholic League, DeLaSalle, and the top rated team in the nation, St. Joseph, of Westchester.

The team looks forward to a good 1983-1984 season, with many of the Juniors returning to the Varsity squad.

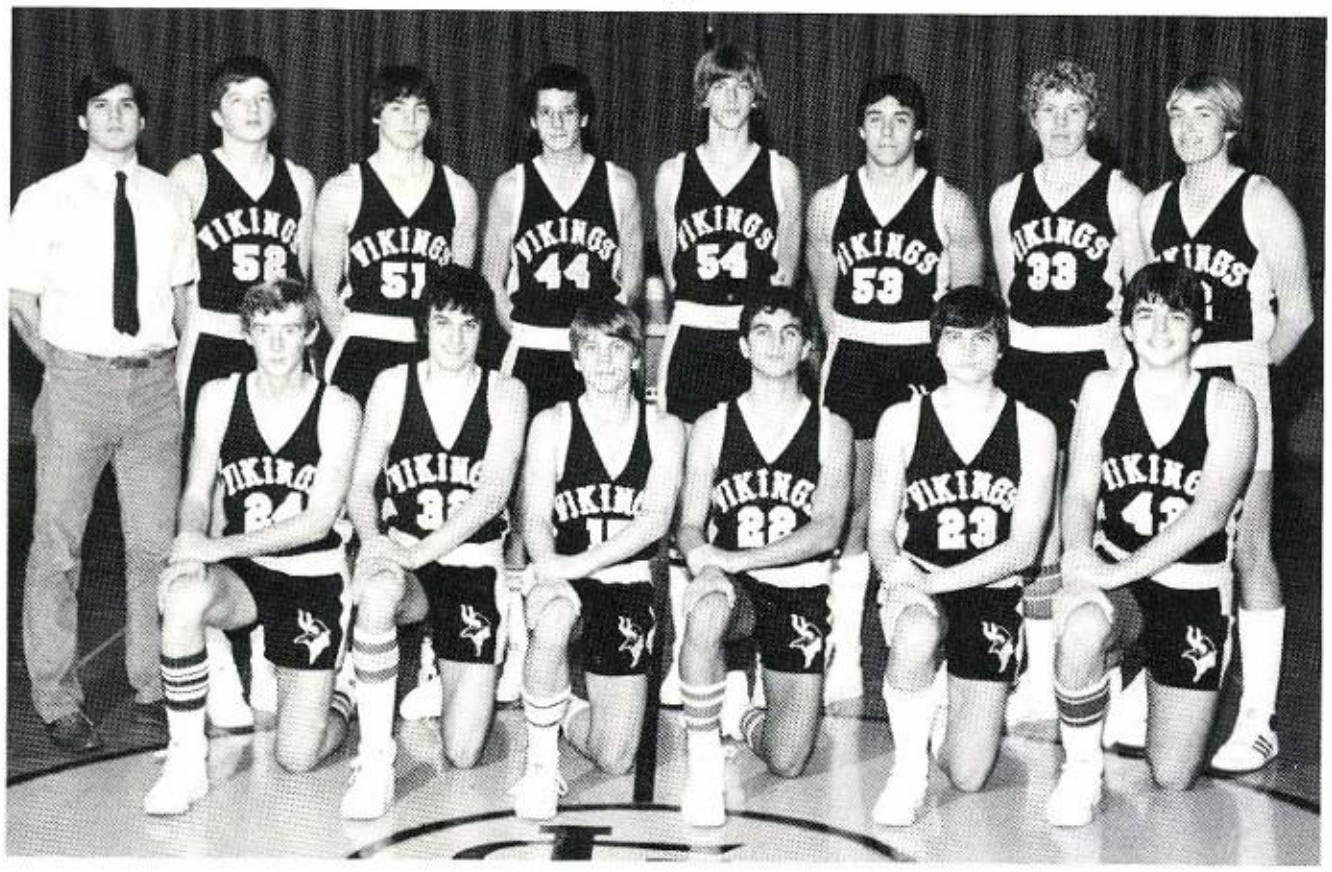
Sophomores Capture Crown



The 1983 Sophomore Basketball Team, under Coach Kruszka, captured the Catholic League Co-Championship along with Weber and Mendel. After completing a mediocre Freshman season, the young Vikes worked hard all season to achieve an 18-3 season record. The well coached team suffered all three losses by only one point. The Sophomores 11-2 Catholic League mark was also very impressive.

Dennis O'Donnell was the leading scorer, averaging 19 points per game. O'Donnell also led the team in rebounding. Freshman Mike Howley was second in scoring with an average of 11 points per game. These two players, along with the rest of the team, worked hard all season, which was reflected by the team's success.

One of the highlights of the season was a big victory against rival St. Rita, which spoiled a Mustang Homecoming and avenged a 1 point loss suffered a year earlier. The whole season came down to the last game for the young Vikes, which was the Catholic League Championship game. The Vikes destroyed a good Mt. Carmel team by a large margin, leaving no doubt that they were the Catholic League Champions. Hopefully the talent and winning spirit of the 1983 team will be an asset to the Varsity in 1984.

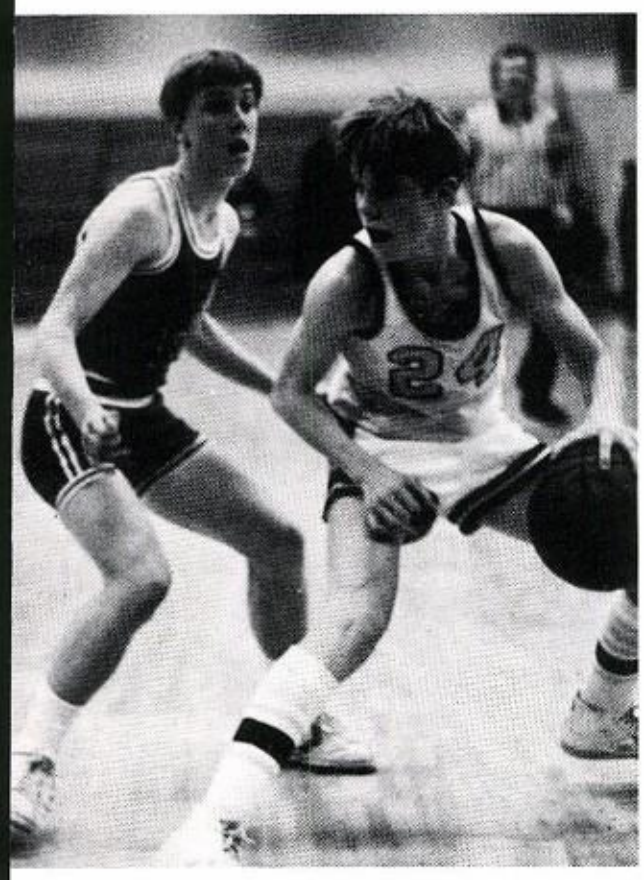
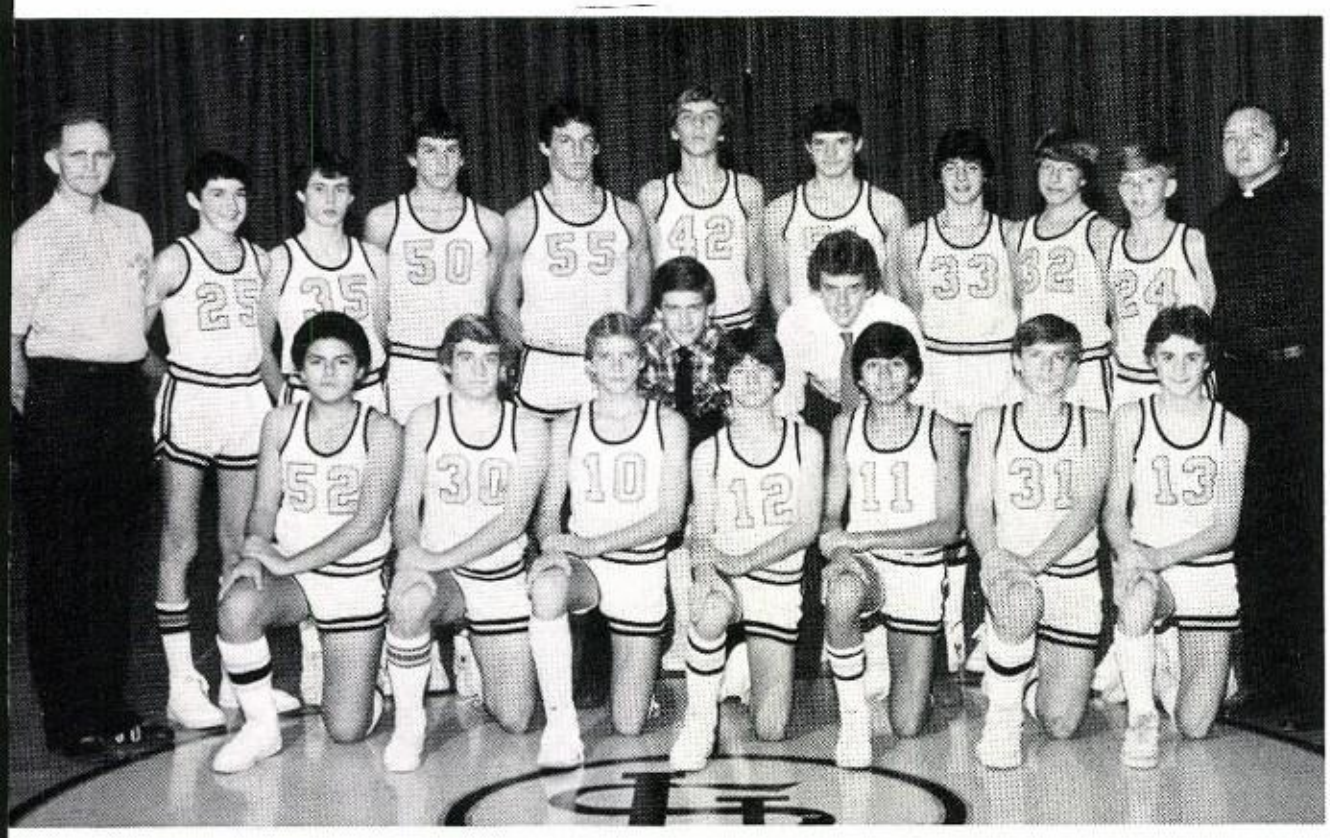
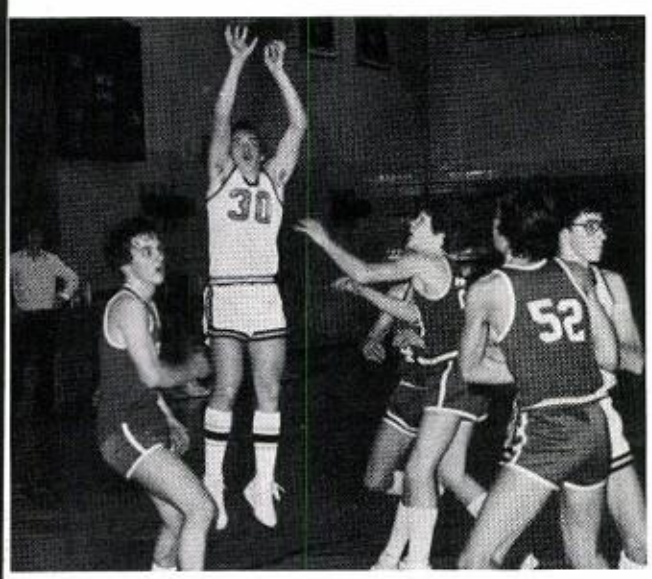
Freshmen Prove Their Worth







The St. Laurence 1983 Freshman Basketball Team closed its season with an even 10-10 record, though suffering a 6-7 record in Catholic League action. Some highlights of the season came with victories over Thornridge, Providence, and a tough DeLaSalle squad. A few key players on the team were Jack and Bob Hallberg, Paul Pultorek, and Rich Lesiak.

Despite not winning the Catholic league title, the Vikes put forth a more than admirable effort in their games, as well as in practice.

The Varsity Hockey Team had a very competitive 1982-83 season. The team finished with a record of 12-7-2 in Catholic League, 6-0-0 in playoffs, 1-1-0 in State, and 3-5-2 in exhibition.

The team played an outstanding season, taking third in Catholic League and, for the first time since 1967, brought home the Kennedy Cup. The team did this by defeating DeLaSalle in the Quarter Finals, Mt. Carmel in the Semi-Finals, and St. Rita in the Finals of the playoffs.

These goals were met through a great team effort. The team was made up of outstanding players. The Vikes had 5 All-Stars, John Caprio, who was also Most Valuable Defenseman, Mark Nutile, who was the team's leading scorer, Matt Cmunt, who was named M.V.P., Jim Lindh, and Mike Vennetti.

Loading the Bases

The Varsity Baseball Team finished its season with an outstanding record of 24-7-1. Coach Fabrizio is satisfied and content with that record. However, he feels that the team could have won a few of the lost games, but believes in accepting the losses with the wins.

Coach Fabrizio feels that the low point of the season was a hard loss of 2-1 to Leo, thus knocking the team out of Catholic League play.

The Vikings were greatly led and greatly influenced by the outstanding performances of the team's M.V.P., pitcher Tony Lewis, and also by catching abilities of the team's most improved player, catcher Mark Bronke.

The St. Laurence Coaching Staff would like to congratulate the Varsity Baseball Team on their outstanding performances, despite the season's cold and rainy outset.

The 1983 Frosh.-Soph. Baseball Team had a record of 9-4 in the Catholic League. The coach of the team, Mr. Tarjan, was satisfied with the record, because the players played well and there was only one bad game.

The most exciting game was a 5-4 loss to St. Rita that went on for 9 innings.

Mr. Tarjan mentioned that some of the most valuable players were Chris Kefalas (Soph.), Chris Paterno (Soph.), Tom Domagala (Soph.), and Mike Howley (Frosh.). Mr. Tarjan also mentioned the most improved players, Chris Paterno, Tom Domagala, and John McGee.

When asked what he thought about next year's team, Mr. Tarjan stated, "Next year is expected to be the best team ever, and there should be. a lot of good Freshmen." Mr. Tarjan also added that the players should be pleased with their record and should really do well next year.

Setting the Pace

The 1983 Varsity Track Team was a team with a great amount of potential. The team lost only one dual meet all season, and that was to Catholic League Champion, Mendel. The team finished 5th out of 12 at the Crystal Lake Invitational, 4th out of 12 at the Riverside/Brookfield Invitational, 4th out of 10 at the Br. Rice Invitational, and 5th out of 13 in Catholic League.

The team had an excellent showing in its distance squad, which had the best showing in the.Catholic League. Pat Tierney and Chris O'Donnell ran well in the 2 mile and mile. Also, the field events had a good showing with Peter Ptak going down State in the triple jump, and Kevin McLaughlin in the low hurdles.

The year is finally over, and the last of our many accomplishments is done; the 1983 St. Laurence yearbook — *The Valhallan* — is history. There were many people who contributed enthusiastically to its production, and I would like to take this chance to thank them.

First and foremost, I would like to congratulate my staff on a job well done. Without their sincere effort and dedication, there would be no yearbook. I would like to also thank the administration of St. Laurence for providing unseen help when we really needed it. We would like to thank the teachers who took time out of their busy schedules and cooperated with us fully, especially in picture identification. I wish to thank the students outside the staff who contributed articles and other bits of information to us, especially — Dave O'Neill, Michael Roach, Bill McFarlane, Joe Bochenski, Terry Stack, Pat Tierney, John Brightmore, Tom Dolan, Kevin Keselica, Kevin Connolly, and Denis Fahey.

Outside of the school, I would kike to say thanks to Marge and Norm Dompke of Root Photography. Root was of great aid to us in our photographic ventures. Also, thanks should be extended to Mr. Ken Nemsick, our representative from Taylor Publishing Company. Mr. Nemsick was of great help to us.

Finally, I would like to personally thank Br. Duffin. If there was one factor holding the book together from September to June, from page one to one ninety two, it was Bro. The quality of this book is a reflection of his concern and his skill. I look with a sense of great satisfaction on this book. I only hope it can do for you what it did for me.
